When the Chenoo Howls: Native American Tales of Terror Joseph Bruchac, James Bruchac, 2009-07-15 An interesting alternative for children who love horror stories These 12 tales from the Northeast Woodland Native American nations are

based on legends and mythical creatures from eight tribes The authors use their own styles to tell about a wide variety of monsters while remaining as close as possible to the traditions of their ancestors They have set the stories from the very distant past to very recent times Now as in the past these legends offer entertainment and instruction In many of them bravery clear thinking and goodness allow the hero or heroine to overwhelm a monster and come to a happy ending Several cautionary tales are also included showing the end that can befall disobedient or willful youngsters who fail to mend their ways Intriguing drawings help to bring the fearsome creatures to life Each story is accompanied by a brief note of explanation and list of sources A helpful pronunciation guide is appended A good addition to any folktale collection for both individual reading and storytelling sessions *The World of Lore: Monstrous Creatures* Aaron Mahnke, 2024-10-08 A fascinating beautifully illustrated guide to the monsters that are part of our collective psyche featuring stories from the Lore podcast now a streaming television series including They Made a Tonic Passed Notes and Unboxed as well as rare material They live in shadows deep in the forest late in the night in the dark recesses of our minds They are spoken of in stories and superstitions relics of an unenlightened age old wives tales passed down through generations Yet no matter how wary and jaded we have become as individuals or as a society a part of us remains vulnerable to them werewolves and wendigos poltergeists and vampires angry elves and vengeful spirits In this beautifully illustrated volume the host of the hit podcast Lore serves as a guide on a fascinating journey through the history of these terrifying creatures exploring not only the legends but what they tell us about ourselves Aaron Mahnke invites us to the desolate Pine Barrens of New Jersey where the notorious winged red eyed Jersey Devil dwells He delves into harrowing accounts of cannibalism some officially documented others the stuff of speculation perhaps He visits the dimly lit rooms where sacrifices take place the European villages where gremlins make mischief even Key West Florida home of a haunted doll named Robert In a world of emotional vampires and zombie malls the monsters of folklore have become both a part of our language and a part of our collective psyche Whether these beasts and bogeymen are real or just a reflection of our primal fears we know on some level that not every mystery has been explained and that the unknown still holds the power to strike fear deep in our hearts and souls As Aaron Mahnke reminds us sometimes the truth is even scarier than the lore The World of Lore series includes MONSTROUS CREATURES WICKED MORTALS DREADFUL PLACES **Myths and Folk-tales of the Russians, Western Slavs, and the Magyars** Jeremiah Curtin, 1890 **The Algonquin Legends of New England** Charles Godfrey Leland, 1884 **Dee Brown's Folktales of the Native American** Dee Brown, 1993-06-15 Collection of Native American folklore gathered from numerous tribes **Principles and Precedents of Hindu Law, Being a Compilation of Primary Rules Relative to the Doctrine of Inheritance, Contracts, and Miscellaneous Subjects and a Selection of Legal Opinions ...** Sir William Hay Macnaghten, 1874 Hunger, Horses, and Government Men Shelley A.M. Gavigan, 2012-10-24 Scholars often accept without question that the Indian Act 1876 criminalized First Nations In this illuminating book Shelley Gavigan argues that the notion

of criminalization captures neither the complexities of Aboriginal participation in the criminal courts nor the significance of the Indian Act as a form of law Gavigan draws on court files police and penitentiary records and newspaper accounts and insights from critical criminology to interrogate state formation and criminal law in the Saskatchewan region of the North West Territories between 1870 and 1905 By focusing on Aboriginal people s participation in the courts rather than on narrow categories such as the state and the accused Gavigan allows Aboriginal defendants witnesses and informants to emerge in vivid detail and tell the story in their own terms Their experiences stand as evidence that the criminal law and the Indian Act operated in complex and contradictory ways that included both the mediation and the enforcement of relations of inequality
