Swimmers In Oblivion:

Swimmers in Oblivion Carolyn Smart, 1981 *Oblivion's Galaxy - The Complete Trilogy* Dylan McFadyen, 1900 First Lieutenant Shaara was dead this morning Her captain is furious at her She wasted company resources getting herself killed and it s coming out of her paycheck Now she s sitting across from the first other human being she s seen in six years His name is Adnan He claims to come from Earth but that s impossible Earth died a long time ago If Adnan s telling the truth he and the decaying ship the captain pulled him off are nearly a thousand years old Wherever he s from he s Shaara s responsibility now Which is the last thing she needs But it s either that or the captain sells Adnan into slavery Shaara knows what that would mean Most humans do And something inside her won t let her abandon Adnan to it revenant memories stabbed awake by the look in his eyes Facing those memories won t be easy It d be far easier to ignore the feeling driving her forward Far easier to let it all go to hell and drift back to sleep Until a shadowy new faction starts stoking the fires of war They re looking for Adnan Earth s last survivor holds the key to unleash a terrible indiscriminate vengeance on the galaxy that wronged them Who they are is a mystery to everyone but Shaara Hard as she s tried to forget she knows them all too well Which means she s the only one who can stop them The question is does she want to Maybe the galaxy s earned a little vengeance The first book in the trilogy *Oblivion s Cloak* won First Place in the Space Opera category at the 2023 Cygnus Awards

Swimming. A bibliographical list of works on swimming. By the author of the Handbook of Fictitious Names [Ralph Thomas]. (Extracted from "A few Words on Swimming."). ,1868 *The Swimmer* John Henry

Mackay, 2002-01-23 *The Swimmer* is one of the very first literary sports novels. Although not a competitive swimmer himself, Mackay was a passionate swimmer and well acquainted with the scene of competitive swimming and diving in Berlin around 1900. This historical picture of the sports world at that time will be familiar to today's readers in many ways but may surprise us in its details for example of competitions no longer widely practiced such as diving for plates and swimming with obstacles. For this reason it is a valuable historical document. It is also an exciting sports story with the thrill of victory and the agony of defeat. But *The Swimmer* is much more; it is a fascinating psychological study of the rise and fall of a champion swimmer in his single minded pursuit of his sport and fame. Mackay's protagonist Franz Felder was born to swim and we follow his first happy dip into the water to his last fatal plunge. All attention is on young Felder but other characters are clearly delineated: his wise coach, the equally single minded sculptor, the seductress from the international demi monde, last and not least the loyal devoted fan. The story is told with insight and compassion as Mackay, the omniscient narrator, looks into the deepest feelings and motives of his protagonist whom Mackay's biographer has described as an enchanted beast of the fairy tale books under whose rough exterior is hidden a prince a prince who never found the charm that would have brought out his true character. Mackay makes all of this come alive for us so that we sympathize with Felder even as we perceive the flaws that bring about his downfall. The book can be read on several levels as a historical document, a thrilling sports story, a human drama. In every case it is a good read.
