Swimming Lessons Joseph Davis,2022-11-13 Does your life feel like a constant struggle with God Like you are always swimming against the tide We all have our favorite passages in the Bible There s nothing wrong with clinging to encouraging and inspirational words from God But what about other parts of the Bible You know the parts we prefer to ignore or wish didn t even exist God has shown all of us things we know we should address Yet how often do we ignore the things God reveals because they make us uncomfortable It s easy to neglect truth that if God really means what He says will require significant changes to our lives It s easy to rationalize them away or pretend they don t exist at all But where does that leave us In a place of willful disobedience This pattern is precisely what the book of Jonah is about Jonah was a prophet who like us loved some of God s word but not all of it Dr Joseph Davis founding pastor of GraceLife Church in Sarasota Florida is the author of The GraceLife What Philippians Teaches Us About Loving One Another Relentlessly Growing to Love God s Word An In Depth Study of Psalm 119 and Surviving Egypt The Life of Joseph Davis uses the story of Jonah along with his own life experiences to show how God relentlessly pursues us despite our willful disobedience brings us to repentance and chooses to use us In this honest vulnerable look at the life of Jonah you ll be challenged to Avoid considering yourself more worthy than others of God s grace Allow God to find you instead of attempting to hide from Him Reignite your enthusiasm for living in obedience to God Open your heart to true confession and repentance Share the full message of God s gospel without sugarcoating the truth Identify signs of anger bitterness and resentment toward God Respond to God s guidance without engaging in constant struggle If you find it hard to swim in the stormy sea of life and you just can t understand why it s so difficult perhaps like for Jonah it s your willful selective obedience Together we will look at Jonah s story from historical spiritual and personal perspectives We will learn about the hard lessons Jonah experienced regarding grace judgment and repentance Begin your Swimming Lessons today knowing they re all included as part of God s grace *Stepping Stones of Faith* Anita Edlund,2010-10-01 This Collection of preschool lessons examines twelve stepping stones of faith for preschoolers and develops them into complete lessons including a Bible story for each stepping stone activities snacks and music **Soul in the Game** Vitaliy Katsenelson,2022-06-21 Soul in the Game is a book of inspiring stories and hard won lessons on how to live a meaningful life crafted by investor and writer Vitaliy Katsenelson Drawing from the lives of classical composers ancient Stoics and contemporary thinkers Katsenelson weaves together a tapestry of practical wisdom that has helped him overcome his greatest challenges in work family identity health and in dealing with success failure and more Part autobiography part philosophy part creativity manual Soul in the Game is a unique and vulnerable exploration of what works and what doesn t in
