theories to underestimate the political potential of literary discourse about space instead of simply and mechanically appropriating some theoretical concepts to literary criticism One of the central findings in the book therefore is that literary texts can perform subversive interventions in the production of social space through their critical interaction with dominant spatial codes

Here and Now Robby Gallaty,2019-02-15 The Christian life was so much more than just a one time decision to secure a place in heaven What if you could experience heaven on earth today Not flying angels singing on clouds but the fulfilled abundant life Jesus promised in the Bible a life that regardless of your circumstances or your present context experiences joy happiness and peace that is difficult to encapsulate in human terms What if heaven was available to us today Pastor and author Robby Gallaty thinks it is We have been taught that salvation is getting man out of earth to live in heaven when the Bible teaches that God desires to bring heaven to earth through man In Here and Now readers will journey together to uncover the nucleus of Jesus messages which says the opposite Jesus spoke about the Kingdom of Heaven and the Kingdom of God both are synonymous as we will see more than any other topic No other concept is even close

Democracy Here and Now Pablo Ouziel,2022-03-01 In Spain on May 15 2011 a movement against austerity measures began In a time when representative democracies were under threat 15M came to life as a virtuous and democratic response to the slide into far right populism and authoritarianism More than a social movement 15M became a mode of being with transformative democratizing potential In Democracy Here and Now Pablo Ouziel offers a grounded analysis of 15M At the time of the movement and during the ensuing encampments Ouziel travelled extensively speaking to participants and keeping an ongoing record of his conversations Presenting an original participatory mode of research the book reveals six types of intersubjective joining hands relationships that 15M has brought into being and works to carry on in creative ways The book shows how the movement s way of being and temporality persists in Spain following the square occupations while 15M citizens continue to learn and move forward in less perceptible ways Democracy Here and Now sheds light on a deeply relational intersectional and eco social mode of democracy and shows how 15M s ongoing democratization practices are exemplary of similar grassroots movements around the world broadening our understandings of what it means to be democratic in the here and now

Beyond Here and Now Barbara Davis Slotnick,2012-04-19

HAUNTED HOUSES ARE REAL I grew up in a wonderful historic small town in South Carolina Even today I still love the

history of this old town and the many friends I have come to know In the 1980s years later when I was grown and had children of my own I rented an apartment in one of the historical houses that had been renovated into apartments in 1963 We were excited and felt fortunate to have found such an amazing place to live and be back in my hometown again However this unusual house had some interesting things happen in it while we lived there much to my surprise As if it were planned by some unseen being my children and I began noticing some very unusual occurrences My daughter was twelve years old at the time and was a cheerleader in the school she attended Each night she placed her cheerleading pom poms on the corners of the bed posts of the bed which she and I both shared I always watched the news at night before bedtime One winter night in 1983 around 11 15 p m the pom poms began twisting like little pieces of paper as if they had an energy source from something I didnt understand One pom pom flew off of the bedpost and landed in the corner across the room The next night around the same time the other pom pom flew off its post into the same corner I was so shocked I left them both lying there until my daughter had to use them again which was the next day The old house was huge and cold On another winter night my daughter and I were sleeping in the same room and the same bed as before All of a sudden my feet began feeling hot so I took off my socks I left them under the covers in case I needed them later About thirty minutes later the socks began moving up toward me under the cover to the edge and over the end of the bed I was so scared I couldnt move My daughter was still sleeping Then a pair of pillows began to move across the wooden part of the foot of the bed at the end and landed beside the socks When this happened I quickly awoke my daughter and we got out of that bed and that room When I went to check the room the next morning the socks were placed side by side and the pillows were arranged as if they were for show At this point I felt that I needed an outside opinion of my experiences I then called one of the universities I was acquainted with about my experiences They wanted to send a scientist to visit me and the house However my daughter was against it They sent an engineer instead The engineer after much observation informed me that I and my daughter were clairvoyant and that some form of an entity was in the house He said that a lot of things that was going on could possibly be explained based on the history of the house but not all of them From time to time several other unexplained incidences happened before I decided to move away from all of this Sometimes the telephone receiver would jump off its cradle Christmas bulbs would swing back and forth on the tree and water kept coming on in the bathroom when no one was present My daughter and I had no choice but to leave this unpredictable place Soon after we moved to Myrtle Beach S C We thought we had left the past behind however in our new house locks and doors would open as well as other things that occurred Over the years since then things seemed to have calmed down Even though I have been told that my daughter and I could both have psychokinesis she denies her powers

Heaven--Here and Now David McLaughlan, 2013-01-01 If life is a test of sorts a journey preparing us for heaven shouldn't there be bits of heaven around us already This book unveils them In the book of Matthew Jesus repeatedly describes heaven and each time He uses ordinary earthly examples This world has many wonderful and mysterious aspects that we might think better suited to describe something as magnificent as heaven but Jesus uses mustard seeds hiring workers children and weeds as examples Heaven Here and Now considers those examples chosen for a different culture in a different time and applies them to the here and now to the everyday stuff of our ordinary lives It's a beautiful preview of heaven
