Greenwood,2025-11-05 A new edge of your seat DI Barton thriller from bestselling author Ross Greenwood The next chapter
could be your last The annual December gathering of the local book club is usually a relaxed affair a chance for old
acquaintances to catch up But this year the convivial evening takes a sinister turn Detective Inspector Barton is called to

When murder is confirmed Barton finds himself in a race against time to unmask the killer before they strike again But with
every clue he uncovers the truth becomes more twisted than he could ever have imagined In a group where everyone knows
everyone trust is a dangerous game and this cold blooded killer is ready to fool them all Barton is Back Ross Greenwood
returns to his bestselling series perfect for fans of Mark Billingham and Ian Rankin Readers love Inspector Barton I ve

much anymore in books and media Brilliant author brilliant character and brilliant storyline Another great read from Ross
Greenwood Love the DI Barton series Another page turner and keeps you guessing until the end What another amazing
addictive can t put it down book The twists and turns kept me guessing who was guilty who I had the most sympathy for who
I wanted next on Santa s list and who would have a happy ending who else would be next I fell in love with Barton s
character he s the kind of guy I d go for a night on the town with I ve thoroughly enjoyed this series and loved all the
characters that have developed over each book The issues included in the stories have been gritty serious humorous sad and
down to earth with realistic and relatable threads DI Barton is a wonderful character as are Zander and Strange a solid 3

Swings and Roundabouts Harry Glass,1989 Playing Out Paul Douglas Lovell,2016-09-08 Playing Out Swings and Roundabouts outlines the first ten years of Paul s life Abandoned by his mother at six weeks old he lives alongside three brothers and a sister being raised by their lorry driver father Struggling to cope their father does his best to provide but living on state handouts means the children often go without Being motherless has a huge impact on every aspect of his existence In way of compensation swings and roundabouts Paul is afforded the freedom to roam Hardships aplenty lacking the nurture that often comes from a motherly embrace Paul is being sculpted his life is playing out Set in the 1970s the older reader can enjoy a nostalgic trip down memory lane and the youngsters can view the offline existence of kids who wore flares and had bad hair Products and television programmes toys and confectionery the sweetest of memories entwined with the roughness of a working class environment Street games scrumping and sewage tunnels A patchwork quilt of Paul s memories stitched together using a rather coarse yarn makes this story a true account of British social history that is both poignant and humorous All the main elements of the story are genuine incidents although many of the people and places have been distorted to protect the guilty and to assist with the flow of the narrative **Swings and roundabouts** Barbara Goolden,1943 Swings and Roundabouts Diana Barstow,1999-01-01
