Switch Bitch:

Switch Bitch Roald Dahl, 2012-08-28 Dahl is too good a storyteller to become predictable The Daily Telegraph In Switch Bitch four tales of seduction and suspense are told by the grand master of the short story Roald Dahl Topping and tailing this collection are The Visitor and Bitch stories featuring Dahl's notorious hedonist Oswald Hendryks Cornelius or plain old Uncle Oswald whose exploits are frequently as extraordinary as they are scandalous In the middle meanwhile are The Great Switcheroo and The Last Act two stories exploring a darker side of desire and pleasure In the black comedies of Switch Bitch Roald Dahl brilliantly captures the ins and outs highs and lows of sex Roald Dahl the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory James and the Giant Peach Matilda and many more classics for children also wrote scores of short stories for adults These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play Roald Dahl's Twisted Tales by Jeremy Dyson Over 50 years after their original publication Roald Dahl's stories continue to make readers shiver today Checkout 19 Claire-Louise Bennett, 2023-02-28 A NEW YORK TIMES 10 BEST BOOKS OF THE YEAR AND A NEW YORKER ESSENTIAL READ NAMED A BEST BOOK OF THE YEAR BY THE NEW YORKER AND VOGUE Bennett writes like no one else She is a rare talent and Checkout 19 is a masterful novel Karl Ove Knausgaard From the author of the dazzling and daring Pond O magazine the adventures of a young woman discovering her own genius through the people she meets and dreams up along the way In a working class town in a county west of London a schoolgirl scribbles stories in the back pages of her exercise book intoxicated by the first sparks of her imagination As she grows everything and everyone she encounters become fuel for a burning talent The large Russian man in the ancient maroon car who careens around the grocery store where she works as a checkout clerk and slips her a copy of Beyond Good and Evil The growing heaps of other books in which she loses and finds herself Even the derailing of a friendship in a devastating violation The thrill of learning to conjure characters and scenarios in her head is matched by the exhilaration of forging her own way in the world the two kinds of ingenuity kindling to a brilliant conflagration Exceeding the extraordinary promise of Bennett's mold shattering debut Checkout 19 is a radical affirmation of the power of the imagination and the magic escape those who master it open to us all **Roald Dahl's Marvellous Medicine** Tom Solomon, 2016 Roald Dahl's doctor provides a fascinating exploration of how his extraordinary interactions with medical science affected his life and his literature Going Solo Roald Dahl, 2012-02-02 In Going Solo the world's favourite storyteller Roald Dahl tells of life as a fighter pilot in Africa They did not think for one moment that they would find anything but a burnt out fuselage and a charred skeleton and they were astounded when they came upon my still breathing body lying in the sand nearby In 1938 Roald Dahl was fresh out of school and bound for his first job in Africa hoping to find adventure far from home However he got far more excitement than he bargained for when the outbreak of the Second World War led him to join the RAF His account of his experiences in Africa crashing a plane in the Western Desert rescue and recovery from

his horrific injuries in Alexandria flying a Hurricane as Greece fell to the Germans and many other daring deeds recreates a world as bizarre and unnerving as any he wrote about in his fiction Very nearly as grotesque as his fiction The same compulsive blend of wide eyed innocence and fascination with danger and horror Evening Standard A non stop demonstration of expert raconteurship The New York Times Book Review Roald Dahl the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory James and the Giant Peach Matilda and many more classics for children also wrote scores of short stories for adults These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play Roald Dahl s Twisted Tales by Jeremy Dyson Roald Dahl s stories continue to make readers shiver today *Pussyfoot* Carole Nelson Douglas,1994-01-15 As public relations woman Temple Barr tracks a killer at a striptease convention Midnight Louie Temple s cat tries to prevent fading film star Savannah Ashleigh and her purebred Persian from becoming the next victims **Great Falls** Lee Blessing,2009 Caan should keep writing He s got the gift Variety Caan is developing a clever signature style earmarked by bursts of ameliorating humor that are both welcome and disarming LA Times The dialogue is fast paced leading up to notions one would **Storyteller** Donald Sturrock,2011-09-13 Originally published in hardcover in 2010 *Truck'n* Loyd Skiles,2005-07 The autobiographical adventures of a rock n roll Karma Bandit who hops in a big rig in New York City with his truck driving partner criss crossing America twice during a month long run with the President hot on their trail finally encountering everything from subterfuge to murder Feminist Organizing Across the Generations Karen Bojar,2021-11-24 Feminist Organizing Across the Generations spans almost 60 years of feminist history and traces the evolution of feminist activism from the 1960s until the present Using the Philadelphia chapter of the National Women s Organization as a starting point Karen Bojar explores how feminist organizing was unfolding in similar ways across the country The book examines the enormous energy put into building feminist service organizations such as women s shelters and rape crisis centers which were to have a profound impact on major social institutions health care delivery and the justice system The book also looks at the differences between the organizing strategies of second wave feminists and those of the 21st century Much 21st century feminist organizing is taking place outside of explicitly feminist groups with young feminists bringing a gender justice perspective to a range of racial economic and climate justice organizations This book is suitable for students and scholars in women s and gender history political history and gender studies Murder on Easey Street Helen Thomas,2019-03-01 1977 Collingwood Two young women are brutally murdered The killer has never been found What happened in the house on Easey Street On a warm night in January Suzanne Armstrong and Susan Bartlett were savagely murdered in their house on Easey Street Collingwood stabbed multiple times while Suzanne s sixteen month old baby slept in his cot Although police established a list of more than 100 persons of interest the case became one of the most infamous unsolved crimes in Melbourne Journalist Helen Thomas was a cub reporter at The Age when the murders were committed and saw how deeply they affected the city Now forty two years on she

has re examined the cold case chasing down new leads and talking to members of the Armstrong and Bartlett families the women s neighbours on Easey Street detectives and journalists What emerges is a portrait of a crime rife with ambiguities and contradictions which took place at a fascinating time in the city s history when the countercultural bohemia of Helen Garner s Monkey Grip brushed up against the grit of the underworld in one of Melbourne s most notorious suburbs Why has the Easey Street murderer never been found despite the million dollar reward for information leading to an arrest Did the women know their killer or were their deaths due to a random frenzied attack Could the murderer have killed again This gripping account addresses these questions and more as it sheds new light on one of Australia s most disturbing and compelling criminal mysteries An overdue examination of the Easey Street murders that adds tantalising new information to known and forgotten facts Andrew Rule journalist and co author of Underbelly Helen Thomas meticulous examination is chilling reading The Age

Old Enough Haley Jakobson,2023-06-20 Finalist for the Lambda Literary Award in Bisexual Fiction Old Enough is full of growth heartbreak and winsome bisexual chaos Vogue A debut novel as astute funny and loving as your best friend from college about a young bisexual woman who is pulled between a new sense of community and loyalty to a friendship she s outgrown Isle McElroy Savannah Sav Henry is almost the person she wants to be or at least she s getting closer It s the second semester of her sophomore year She s finally come out as bisexual is making friends with the other queers in her dorm and has just about recovered from her disastrous first queer situationship She is cautiously optimistic that her life is about to begin But when she learns that Izzie her best friend from childhood has gotten engaged Sav faces a crisis of confidence Things with Izzie haven t been the same since what happened between Sav and Izzie s older brother when they were sixteen Now with the wedding around the corner Sav is forced to reckon with trauma she thought she could put behind her On top of it all Sav can t stop thinking about Wes from her Gender Studies class sweet funny Wes with their long eyelashes and green backpack There s something different here with Wes and with her new friends who delight in teasing her about this face burning crush it feels terrifyingly like they might truly see her in a way no one has before With a singularly funny heartfelt voice Old Enough explores queer love community and what it means to be a sexual assault survivor Haley Jakobson has written a love letter to friendship and an honest depiction of what finding your people can feel like for better or worse

Roald Dahl Damian Walford Davies,2016-08-15 Published to mark the centenary of Roald Dahl s Welsh birth Roald Dahl Wales of the Unexpected breaks new ground by revealing the place of Wales in the imagination of the writer known as the world s number one storyteller Exploring the complex conditioning presence of Wales in his life and work the essays in this collection dramatically defamiliarise Dahl and in the process render him uncanny Importantly Dahl is encountered whole his books for children and his fiction for adults are read as mutually invigorating bodies of work both of which evidence the ways in which Wales and the author s Anglo Welsh orientation demand articulation throughout the career Recognising the impossibility of constructing a monolithic Welsh Dahl the contributors explore the

compound and nuanced ways in which Wales signifies across the oeuvre Roald Dahl Wales of the Unexpected takes Dahl studies into new territory in terms of both subject and method showing the new horizons that open up when Dahl is read through a Welsh lens Locating Dahl in illuminating new textual networks resourcefully offering fresh angles of entry into classic Dahl texts rehabilitating neglected Dahl texts and analysing the layered genesis of seemingly familiar works by excavating the manuscripts this innovative volume brings Dahl home in order to render him invigoratingly unhomey The result is not a parochialisation of Dahl but rather a new internationalisation **Fear of Aging** João Paulo

Guimarães,2025-02-27 In the genre of horror elderly people are often used as a trope to evoke both a fear of death and a fear of aging Old age is therefore equated with bodily mental or social decline The contributors of this book investigate what exactly we are afraid of when we posit old age as a source of horror The aim is to harness the thrills and pleasures of horror to think about how quality of life can be improved in old age and how elderly people can be better integrated in our ever fearful and suspicious societies **Forum X** Tiffany Cullen,2017-08-09 Showcasing the distinct terminology and vernacular

Dougherty,2022-08-08 The first century of airpower has

ended yet few critics have addressed the literature that chronicles its human toll Airpower in Literature Interrogating the

Clean War 1915 2015 offers fresh insight into this airpower century by placing literature of five major wars in conversation with the clean war discourse Kimberly Dougherty examines the paradoxical representation of aerial warfare that has allowed extensive airstrikes on cities and civilians while promising a cleaner method of waging war First suggested by early military theorists the notion of a clean air war one that would save lives through its speed and precision proved seductive in the twentieth century and continues to shape the rhetoric of airpower today The air war is perceived as clean the author argues when we see neither the aviator nor the targeted populations in the bombing dynamic Through analysis of fiction poetry drama and journalism from the ruins of World War I to the technologies of post modern war the author identifies counternarratives that make visible both aviators and bombed societies and present aerial warfare that is not clean but messy prolonged and imprecise This exploration encourages readers and writers to approach the next century of airpower with greater wisdom and empathy

Pop Culture in Europe Juliana Tzvetkova, 2017-10-12 A fascinating survey of popular culture in Europe from Celtic punk and British TV shows to Spanish fashion and Italian sports From One Direction and Adele to Penelope Cruz and Alexander Skarsgard many Europeans are becoming household names in the United States This ready reference guide covers international pop culture spanning music literature movies television and radio the Internet sports video games and fashion from the mid 20th century through the present day The organization of the book with entries arranged alphabetically within thematic chapters allows readers to quickly find the topic they are seeking Additionally indexing allows for cross cultural comparisons to be made between pop culture in Europe to that of the United States An extensive chronology and lengthy introduction provide important contextual information such as the United States influence on movies music and the Internet the effect of censorship on Internet and social media use and the history of pop culture over the years Topics feature key musicians songs books actors and actresses movies and television shows popular websites top athletes games clothing fads and designers and much more

Twentieth Century Crime & Mystery Writers NA, 2015-12-25

Reminiscing Our Heritage Danny Walsh, 2017-07-05 This book is designed to be used by anybody working with older adults in residential nursing and day care facilities It provides a wealth of reminiscence material which can be used in a number of ways to rekindle memories and provide stimulating activity such as quizzes and discussion Each year covered in the book is divided into the sections Major events On the home front Music Television Screen and page Sport and Do you remember Many sections can be easily turned into quizzes and it would be simple to form a quiz from each year's material One cannot cover all that happened in these years nor highlight all the associations each event or fact triggers so the material is intended to be expanded on by the memories it triggers in clients during discussion So for example where a film title is mentioned ask if people can recall the stars of the film its plot and how it ended The Major events section will trigger lots of opinions too as it covers the political events of the decades so try to get the groups to discuss the ethical and moral dilemmas these posed at the time The book is intended for use with individuals and groups but you will discover that in

a group one person's memories will trigger another's and so what seems like a small topic can last for the whole session as we all try to tell our personal tales. While the content has a UK bias it also covers the major world events of the decades but I have included a blank page for each year for you to record your own personal landmarks and achievements and also those of your local town or community specialising in older adults' mental health to a deeper level.

Trans Dilemmas Stephen Kerry, 2017-08-24

Trans Dilemmas presents the findings of a three-year research project which examined the lived experiences of trans people in Australia's Northern Territory. The book argues that whilst trans people who live in remote areas experience issues which may not be distinct from those living in urban areas and the inner city, these issues can be aggravated by geographic and demographic factors. By conducting online surveys and in-depth interviews, Stephen Kerry brings to light the issues for transgender people which are compounded by living in sparsely populated remote communities. Namely social isolation, maintaining relationships with friends, family and partners, and the difficulties accessing health care. The book also includes significant findings on the experiences and treatment of Australia's trans Aboriginal people, also known as sistergirls and brotherboys. An analysis of first-person narratives by sistergirls and brotherboys reveals the racism within predominantly white trans communities and transphobia within traditional Aboriginal communities which they are uniquely faced with. *Trans Dilemmas* represents an important contribution to contemporary research into the lives of transgender Australians. It gives a voice to those transgender people living in the more isolated communities in Australia which up until now have been largely unheard. For students and researchers in Queer Studies and Gender Studies, this is valuable reading.
