And the Angels Sang Lorina Stephens,2008-08-01 In this her fifth book Lorina Stephens presents a provocative anthology of speculative short fiction from dystopia to utopia written over the past 25 years Some stories have appeared previously in publications such as On Spec and Sword Sorceress X while some make their debut Lorina Stephens has proven herself an engaging author The Hanover Post It is often the case with contemporary Canadian authors that they have a tendency to punctuate their novels with long psychological dissertations on mundane subjects It s as if they feel that each everyday occurrence is fraught with deep sociological undertones Lorina Stephens fortunately is free of such meanderings She has a good economy of words and each paragraph contains vital information Dan Pelton Orangeville Citizen
