

Sword Of His Mouth

Emanuel Swedenborg

Sword Of His Mouth:

The Sword of His Mouth Robert C. Tannehill, 2003-01-23 The Sword of His Mouth is a study of the rhetorical and poetic form of synoptic sayings which argues that many of these sayings use a depth rhetoric which seeks to challenge the hearer's fixed structures of meaning and value moving one to new action by awakening new insight This study brings to light important but neglected features of the texts and demonstrates the value of this new approach for gaining fresh insight into their significance Special attention is given to pattern and tension An attempt is made to show how form and content merge in producing utterances with provocative verbal power Jesus emerges from this study as one whose language must be distinguished from casual speech The Englishman's Hebrew and Chaldee Concordance of the Old Testament George V. Wigram, 1866 *The Englishman's Hebrew and Chaldee concordance of the Old Testament [based on the unpubl. work of W. De Burgh, ed. by G.V. Wigram.]* George Vicesimus Wigram, 1860 The Englishman's Hebrew Concordance of the Old Testament George V. Wigram, 1996 This new edition of the standard work The Englishman's Hebrew Concordance of the Old Testament is an improved and corrected edition that features a new larger format Now coded to Strong's it is invaluable in Bible study for those who do not know Hebrew A new index of out of sequence Strong's numbers allows the reader to quickly and easily locate any word by its Strong's number The Hebrew and English indexes have been retained **Revelation** William C. Weinrich, Thomas C. Oden, 2005-12-09 The Revelation to John with its vivid images and portraits of conflict leading up to the formation of a new heaven and a new earth was widely read even as it was variously interpreted in the early church Drawing heavily on both Eastern and Western ancient commentators much appearing in English for the first time this ACCS volume is a treasure trove of early interpretation Christ all and in all, etc. The editors' preface to the reader signed: Simeon Ashe, Edm. Calamy, William Taylor Ralph ROBINSON (Puritan Divine.), 1827 *Revelations from Revelation* Patrick M. Jones, 2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation's fascinating lines of prophecies Follow the footsteps of God's leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you **Revelation** Grant R. Osborne, 2002-11 A well respected New Testament scholar provides a substantive yet accessible commentary on this difficult and intriguing book of the Bible *Exposition of the Book of Revelation* Edward Irving, 1831 **Arcana Cœlestia the Heavenly Mysteries Contained in the Holy Scripture, Or Word of the Lord, Unfolded, in a Exposition of Genesis and Exodus Together with a Relation of Wonderful Things Seen in the World of Spirits and in the Heaven of Angels** by Emanuel

Swedenborg, 1863 The Works of John Cotton, Volumes 1-5 John Cotton, 2025-11-13 John Cotton shaped the doctrine of worship and discipline of a fledgling society striving to live fully under God's Word With clarity conviction and pastoral warmth he addressed both the great ecclesiastical questions and the intimate personal wrestlings of his time The Works of John Cotton gathers his most important treatises and sermons in a newly edited cloth bound set It recovers a vital link in the chain of Reformed thought and reintroduces a voice that helped shape the American church before it had a name A new self-interpreting Testament, containing thousands of various readings and parallel passages, with intr. arguments [&c.] by J. Platts John Platts, 1827 **The Methodist Review**, 1924 **Christ All, and in All; Or, Several Significant Similitudes by which the Lord Jesus Christ is Described in the Holy Scriptures ...** Ralph Robinson (Puritan Divine.), 1868 **The Ideal King** John Kennon Grant, 2025-08-14 Jesus is King but not in the way people might normally think of kingship Jesus' power didn't come through military strength high GDP earnings or political alliances such as NATO None of those power bases can guarantee a lasting kingdom because those means of power are conditional There is a power that is unconditional Truth The Ideal King Truth incarnate founded his kingdom on truth and holiness These two ideals are so challenging to worldly power that the world executed Jesus While Truth doesn't stay dead militaries can wither currencies can collapse and alliances can dissolve While nations of the world ebb and flow the Ideal King lives and expands his rule through his emissaries who are also not like the nations in their singular focus on loving and proclaiming the Truth Arcana Cœlestia: or, Heavenly Mysteries contained in the Sacred Scriptures, or Word of the Lord, manifested and laid open ... Now first translated ... by a Society of Gentlemen [or rather by John Clowes. With the text of Genesis and Exodus]. Emanuel Swedenborg, 1803 A Profound Mystery Thorsten Moritz, 2014-04-09 The primary focus of this study is the question of the extent and impact of Old Testament traditions in Ephesians A close examination of the range of quotations allusions and echoes found in the epistle shows that the Old Testament influence was greater and more deliberate than has hitherto been assumed The main part of the book is a thorough exegetical study of various aspects of the question ranging from identification of the relevant Old Testament texts to an examination of the ways in which they are appropriated and applied in the New Testament context A number of implications emerge for our understanding of the letter's intended readership and these are illuminating for the assessment of the epistle's relationship to the letter to the Colossians **Exposition of the Book of Revelation, in a Series of Lectures by the Rev. Edward Irving. [With the Text.]**, 1831 *The Englishman's Hebrew and Chaldee Concordance of the Old Testament* George Vicesimus Wigram, 1843 *Christ All and in All. Or Several Significant Similitudes by which the Lord Jesus Christ is Described in the Holy Scriptures. Being the Substance of Many Sermons Preached by ... Ralph Robinson ... [The Editors' preface Signed: Simeon Ashe. Edm. Calamy. William Taylor]. The Second Edition Corrected and Enlarged* Puritan Divine Robinson, 1660
