Knight, 2020-06-16 Turns out being the dead's most desired man sucks Carver's burning his days doing Guide work patrolling Riven and helping its lost souls find their way while back on Earth World War One ratchets up the lives waiting for Carver's help Problem is those lives don't like waiting around and when a new angrier soul starts gathering the dead and directing them at Carver being a Guide goes from dangerous to deadly real fast But why Carver and why now With his fellow Guides Carver has to figure out why he's been marked and how to get the souls off his back all while keeping Riven from spilling over Because if the dead get back to Earth life's going to have an unpleasant end Solving Carver's mystery brings the Guides through danger and disaster both in Riven and back among the living where forces see Carver as a fatal solution to Riven's

growing problem With enemies on all sides Carver has to pull together unlikely allies and fast friends to try and save both himself and Riven from ruin The Riven Trilogy is an action filled steampunk fantasy set during an alternate history of World War One Packed with intriguing characters deadly machinations and rollicking adventure The Riven Trilogy will take you on a story you've never seen before in this world or the next If you're looking for a new gripping trilogy pick up this box set today and join Carver in the fight for Riven's survival

Wild Jack John Christopher, 2015-05-12 High adventure and intrigue await in this classic work of science fiction from critically acclaimed Tripods author John Christopher After the disastrous Breakdown of the twenty first century the world has made a change Now in the twenty third century all cities are ordered and sterile carefully balanced protected and isolated from the uncivilized Outlands Clive Anderson the son of a politician lives a privileged life in one of the cities until he is falsely accused of committing a crime As punishment he is sent to a training island where he is supposed to be re-taught how to be an unquestioning member of society like everyone else in the cities But Clive and his friends manage to escape the island making their way into the forbidden and unknown Outlands where they are captured by the legendary Wild Jack and his troop of savages At first Clive is happy to be part of this wild group but soon he realizes that things are not at all what they seem

In the Beginning John Christopher, 2015-05-12 Love proves ancient as time itself in this prehistoric adventure romance from critically acclaimed Tripods author John Christopher In the beginning many many years ago there were two tribes Dom was a boy from the hunting tribe and Va was a girl from the farming tribe The two tribes fought but that couldn't stop Dom and Va from falling in love In the midst of battle Dom escapes and takes Va with him Together they journey across the stark landscape of eons past learning about the harsh and aggressive world around them even as they learn more about the creative and peaceful feelings within themselves In the Beginning includes the prequel short story In the Beginning and the novel Dom and Va and marks a captivating departure from John Christopher's other futuristic work this is a tale of the distant past and of a beginning that represents the conflicts inherent in human nature and the dark and light in all of us

Fireball John Christopher, 2015-10-20 When Simon and Brad investigate the mysterious fireball they suddenly find themselves in an alternate world a world where the unrealized possibilities of the actual world have been realized

Dragon Dance John Christopher, 2015-10-20 Two and a half years have elapsed since Brad and Simon went through the fireball Since then they have travelled more than 8000 km from their starting point Now captured by Chinese slavers the two boys are taken from California to China where they find a nation torn apart by civil war They learn about the power of the Mind with its creation of illusions and finally discover the secret of the fireball itself Faced with a decision which will affect their whole lives what will they do Will they return to their own world or will they venture on into the unknown

New Found Land John Christopher, 2015-10-20 Traveling through time was just the beginning now Simon and Brad have to survive a reimagined early America in the second book of the alternative history Fireball trilogy from critically acclaimed Tripods author John Christopher When Simon and Brad were caught in the

mysterious fireball and transported to the strange alternate world on the other side they knew their lives would never be the same again They definitely couldn't have imagined the dangers ahead especially when they set sail for Brad's homeland the still undiscovered America The Algonquian territory is hardly the paradise Brad had been promised or remembered from history class Winter is brutal the locals are hostile and Simon and Brad know they have to escape But can they The adventures in store from Vikings to a completely unexpected civilization put their will to survive to the ultimate test

Empty World John Christopher, 2015-05-12 When Neil survives a deadly plague and plunges into solitude he must question everything in this gripping adventure from critically acclaimed Tripods author John Christopher Neil's world is shattered when he and his family are involved in a horrible car accident that leaves him an orphan He is sent to live in a small village with his grandparents whom he loves but doesn't really know Soon a devastating illness the Calcutta Plague begins making the headlines After killing thousands of people in India in just a few months the disease begins to spread much farther quickly sweeping across the world and eventually settling in the same village where Neil resides The sickness is a strange one affecting only the adults and none of the children and soon Neil finds himself an orphan once more Alone Neil travels to London in search of other survivors of the plague There he finds a strange world of fear and suspicion where friends can be enemies and people will do anything to survive In this time of strife amid the excitement and loneliness of his solitude can Neil find a way to focus on what matters most **The Lord and the Lady Trilogy** Shari G

Norman-Martin, 2022-02-03 Gods with their infinite wisdom and power do not decide the fate of the people but it is by man's own words and deeds that his or her own destiny is forged into the annals of time It becomes a hard fought lesson for all humanity to bear witness to the worlds of the heroic deeds of mere mortals and the broken promises of the mightiest gods For in the end light and dark shall prevail against mankind and the vicious cycle of hatred and war continues until the Death of the Torchbearer *The Cambridge History of Science Fiction* Gerry Canavan, Eric Carl Link, 2018-12-31 The first science

fiction course in the American academy was held in the early 1950s In the sixty years since science fiction has become a recognized and established literary genre with a significant and growing body of scholarship The Cambridge History of Science Fiction is a landmark volume as the first authoritative history of the genre Over forty contributors with diverse and complementary specialties present a history of science fiction across national and genre boundaries and trace its intellectual and creative roots in the philosophical and fantastic narratives of the ancient past Science fiction as a literary genre is the central focus of the volume but fundamental to its story is its non-literary cultural manifestations and influence Coverage thus includes transmedia manifestations as an integral part of the genre's history including not only short stories and novels but also film art architecture music comics and interactive media Challenging Anthropocentrism in Eco-Science Fiction

Novels Fatma Gamze Erkan, 2024-01-03 This book explores the relationship between humanity and nature while challenging the notion that anthropocentric behaviour causes the environmental catastrophes depicted in the four selected British eco

science fiction novels These novels are John Christopher's *The Death of Grass* 1956 J G Ballard's *The Drought* 1965 Brian Aldiss's *Earthworks* 1965 and John Brunner's *The Sheep Look Up* 1972 all of which fictionalise the fact that the consequences of environmental problems can be diverse but equally serious This book examines how even the smallest damage caused by human beings to the environment negatively affects them other living beings and the ecosystem they need to live and flourish In conjunction with these the factors and conditions that push characters in the novels to ignore and harm the environment are also scrutinised While examining how and why the environmental problems in the novels have arisen it is evaluated whether the authors propose solutions to these problems and if so what they are
