INIS L. CLAUDE, JR.

Swords Into Plowshares The Problems And Progress Of International Organization

Tamar Gutner

Swords Into Plowshares The Problems And Progress Of International Organization:

Swords Into Plowshares Inis L. Claude,1971 **Swords Into Plowshares** Inis L. Claude (Jr.),1956 **Swords Into Plowshares** Inis Lothair Claude (Jr.),1970 *Swords Into Plowshares* Inis Lothair Claude,1965 Rethinking International Organizations Dennis Dijkzeul,Yves Beigbeder,2003 The management of international organisations is attracting growing attention This text provides a fundamental rethinking of current approaches criticism and cures for these organisations

National Sovereignty and International Organizations Magdalena M. Martín Martínez,1996-02-28 This book deals with the question of national sovereignty and States participation in International Organizations whether traditional or supranational ones Although there has been much discussion on the problems posed by the transference of sovereignty this volume provides an original insight in that transfer of state sovereignty is approached as a dynamic process that can be divided into three different phases Part one called the initial phase focuses on the examination of the domestic legal basis for the transfer of state sovereignty Part two the transfer phase investigates how the process of transfer evolves within the core of two International Organizations the United Nations and the European Communities Part three the post transfer phase analyses the States responses to the effects and consequences of the transfer of sovereignty **Swords Into Plowshares**

Michael F. Guyer,1964 Swords into plowshares : the problems a. progress of international organization Innis L. Claude,1956 *Key Documents on the Reform of the UN Security Council 1991-2019* Bardo Fassbender,2020-10-12 *Key Documents on the Reform of the UN Security Council 1991 2019* brings together primary source documents reflecting the political legal and academic discussions of the United Nations Security Council reform in particular the Council s membership and decision making as they have taken place since 1991 Earlier discussions from the late 1940s through 1991 are covered insofar as they offer a useful contribution to the current debate This extensive collection curated by a leading authority is intended to be representative of the debate as a whole without bias faithfully reflecting the positions of various stakeholders global participants and civil society This important work will be an indispensable resource for researchers and students bringing together hundreds of documents produced during more than three decades by governments UN bodies universities think tanks and individual authors in a single comprehensive volume Swords into Plowshares. The problems and progress of international organization ... Second edition, revised and enlarged. (Third printing.). Inis L. Claude (Jr.),1959

United Nations, Volumes I and II Sam Daws,Paul Taylor,2020-10-11 The International Library of Politics and Comparative Government is an essential reference series which compiles the most significant journal articles in comparative politics over the past 30 years It makes readily accessible to teachers researchers and students an extensive range of essays which together provide an indispensable basis for understanding both the established conceptual terrain and the new ground being broken in the rapidly changing field of comparative political analysis These two volumes include articles which examine the system the structure the function and the future of the United Nations **Handbook of Public Administration, Second**

Edition W. Bartley Hildreth, Gerald J. Miller, Jack Rabin, 1997-09-19 This bestselling reference examines all major areas in public administration from the enlightening perspectives of history and the five great concepts or theories framing each topic including public budgeting financial management decision making public law and regulation and political economy The American Reference Books Annual calls this stimulating and thought provoking thorough and inclusive a valuable contribution and Canadian Public Administration said it is impressive an extremely useful reference tool the writing and analysis and the scope of the coverage make the volume a good investment for both government and university libraries

International Organizations Ian Hurd, 2024-06-06 Leading textbook on modern international organizations that highlights the legal and political features of important global institutions

International Organizations Jan Klabbers, 2017-05-15 International organizations have come to occupy a central position in international governance exercising many public functions and facilitating political debate amongst states and other actors though it is only recently that the focus of legal discussions has begun to shift to controlling the activities of organizations This volume assembles sixteen important essays addressing various issues relating to the law of international organizations highlighting theoretical issues and ongoing political debates and emphasizing issues of control The introductory essay provides an overview of the development of the politico legal debate and situates the law of international organizations historically and in its contemporary context

International Organizations in World Politics Tamar Gutner, 2016-01-29 This timely new title examines the importance and impact of major international organizations and their role in global governance International Organizations in World Politics focuses on the most influential IOs including the United Nations World Bank International Monetary Fund and World Trade Organization For each organization author Tamar Gutner describes their birth and evolution governance structure activities and performance A second chapter on each organization presents a case study that illuminates the constraints and challenges each IO faces Regional organizations and issues are also examined including the European Union and the euro crisis as well as a case study on the African Union's peace operations

International Organizations and Military Security Systems United States Air Force Academy. Library, 1962

Routledge Handbook of International Organization Bob Reinalda, Marieke Louis, 2024-12-09 This completely revised and rewritten handbook gives an overview of international organization IO as a dynamic field of research that adds to our understanding of global and regional relations and related domestic politics Bringing together international scholars from a range of disciplines it considers both IO as a process and multilateral organizations as institutions This handbook is divided into five parts I Documentation sources and perspectives II International secretariats as bureaucracies III Actors within and beyond international bureaucracies IV Processes within and beyond international bureaucracies V Challenges to international organizations Containing new chapters on topics such as the anthropological perspective IO secretariats in several continents outside of Europe feminization the digital turn and challenges to IO legitimacy the contributors reflect on the

progression of IO studies from a burgeoning field to a well established subfield of international relations and the move away from scholarship based mainly in North Western Europe and the United States This book will be of particular interest to scholars and students of IOs global governance diplomacy and foreign policy as well as practitioners of multilateral cooperation Law, Power, and the Sovereign State Michael Ross Fowler, Julie Marie Bunck, 2010-11-01 In the wake of the collapse of the Soviet bloc it is timely to ask what continuing role if any the concept of sovereignty can and should play in the emerging new world order The aim of Law Power and the Sovereign State is both to counter the argument that the end of the sovereign state is close at hand and to bring scholarship on sovereignty into the post Cold War era The study assesses sovereignty as status and as power and examines the issue of what precisely constitutes a sovereign state In determining how a political entity gains sovereignty the authors introduce the requirements of de facto independence and de jure independence and explore the ambiguities inherent in each They also examine the political process by which the international community formally confers sovereign status Fowler and Bunck trace the continuing tension of the chunk and basket theories of sovereignty through the history of international sovereignty disputes and conclude by considering the usefulness of sovereignty as a concept in the future study and conduct of international affairs They find that despite frequent predictions of its imminent demise the concept of sovereignty is alive and well as the twentieth century draws to a close

International Organization as Technocratic Utopia Jens Steffek, 2021 This volume examines the development of the idea of technocratic internationalism the promotion of the involvement of experts in the workings of international relations especially in international organizations such as the United Nations and European Union The Oxford Handbook of International Organizations Jacob Katz Cogan, Ian Hurd, Ian Johnstone, 2016 This text provides an authoritative account of the law and politics of international organisations Looking at the role function and history of organisations it offers a wide ranging and thorough analysis of the area
