The Mysterious Spheres on Greek and Roman Ancient Coins Raymond V. Sidrys, 2020-12-31 This book is not a standard coin catalogue but it focuses on quantities and percentages of the mysterious 5950 sphere images on Roman coin reverses and a few Greek coins This research identifies political cultural religious and propaganda trends associated with the coin sphere images and offers a variety of new findings

The Sacred Sphere Paul D. Burley, 2011-09 Why is the circle used to symbolize sacred concepts Why was the circle used to reach across time and space to communicate a universal and eternal understanding of human relationships with each other the cosmos and the creator How did ancient and indigenous cultures around the world come to apply identical geometrical symbols to these relationships The Sacred Sphere explores world mythologies cultural and religious philosophies and ethnographic records from around the world documenting the history of sacred symbols throughout the past two million years and analyzing sacred geometries expressed in many traditions including the architecture of ancient and indigenous cultures Virtually every major religion today as well traditions first developed thousands of years ago use the same circular geometry to symbolize sacred relationships Most importantly every one of those circular symbols represents a facet of a unique spherical geometry a specific combination of nine circles forming the three dimensional archetype from which those symbols derive This is the Sacred Sphere Book jacket

The Serpent Symbol in Tradition Charles Dailey, 2022-01-24 Serpent and dragon symbolism is ubiquitous in the art and mythology of premodern cultures around the world Over the centuries conflicting hypotheses have been proposed to interpret this symbolism which while illuminating have proved insufficient to the task of revealing a singular meaning for the vast majority of examples In The Serpent Symbol in Tradition Dr Dailey argues that in what the symbolist Rene Guenon and the historian of religions Mircea Eliade have called traditional or archaic societies the serpent dragon transculturally symbolizes matter a state of being that is constituted by the perception of the physical world as chaotic in comparison to what traditional peoples believed to be the higher meta physical source of the physical world or nature In the course of Dr Dailey's investigations into the meaning of traditional serpent dragon symbolism the following contributions have proved invaluable 1 Guenon's interpretation of the language of traditional symbolism and the metaphysics that underlies it as well as his interpretation of the terminology of the Hindu Doctrines 2 Eliade's interpretation of traditional archaic societies by means of his concepts of chaos creation Axis Mundi World Axis and Sacred and Profane and 3 the insights of various other researchers of serpent dragon symbolism Beyond purporting to resolve some of the mystery of the ancient and varied symbolism of the serpent dragon The Serpent Symbol in Tradition

strives to serve the related functions of interpreting the symbolic meanings of a wide variety of premodern artifacts and narratives as well as providing a study of the origination and ancient human awareness of the mentioned state of matter

Notes on Some of the Symbols Found on the Punch-marked Coins of Hindustan William Theobald, 1890 Symbols of the Christian Faith Alva William Steffler, 2002-02-21 Symbols of the Christian Faith is an illustrated guide to the major visual symbols used by the Christian church throughout history These stylized illustrations designed by artist Alva William Steffler are intended to provide usable up to date resources for contemporary church worship and Christian education Throughout church history symbols have been used to aid worship and to communicate difficult spiritual ideas Steffler here collects these symbols from early Christian catacomb art to the present offering fresh graphic interpretations of old visual forms The accompanying text notes the biblical sources for the various symbols and traces their use in church tradition and their links to Greco Roman culture Extensive glossaries and indexes round out the book Broadly inclusive and sensitive to the perspectives of every church tradition this volume will be an invaluable resource for churches using Christian art as well as for general readers curious about the meaning of common Christian symbols **Symbolism in Medieval Thought and Its Consummation in the Divine Comedy** Helen Flanders Dunbar, 1929 **Symbolic Forms and Cultural Studies** Cyrus Hamlin, John Michael Krois, 2004-01-01 Cassirer's conception of culture theory of symbolism anticipated much of later cultural theory The essays in this volume explore aspects of his thinking demonstrate the influence that it had on later scholarship Symbolism of the sphere [Symbolik der Kugel, dt.] A contrib. to the history of earlier Greek philosophy Otto Brendel, 1977 Problems of Mysticism and Its Symbolism Herbert Silberer, 1917 *Spheres of Conflict and Rivalries in Renaissance Europe* Marc Laureys, Jill Kraye, David A. Lines, 2020-12-14 This volume is devoted to the spheres in which conflict and rivalries unfolded during the Renaissance and how these social cultural and geographical settings conditioned the polemics themselves This is the second of three volumes on Renaissance Conflict and Rivalries which together present the results of research pursued in an International Leverhulme Network The underlying assumption of the essays in this volume is that conflict and rivalries took place in the public sphere that cannot be understood as single all inclusive and universally accessible but needs rather to be seen as a conglomerate of segments of the public sphere depending on the persons and the settings involved The articles collected here address various questions concerning the construction of different segments of the public sphere in Renaissance conflict and rivalries as well as the communication processes that went on in these spaces to initiate control and resolve polemical exchanges Symbolism and Politics Graeme Gill, Luis F. Angosto-Ferrandez, 2020-05-21 Symbolism and Politics is a timely intervention into ongoing debates around the function of political symbols in a historical period characterized by volatile electoral behaviour fragmented societies in search of collective identifications and increasingly polarized political models Symbols are central features of organized human life helping to define perception shaping the way we view the world and understand what goes on within it But despite this key

role in shaping understanding there is never a single interpretation of a symbol that everyone within the community will accept and the way in which symbols can mobilize antagonistic political factions demonstrates that they are as much a central element in power struggles as they are avenues to facilitate processes of identification This dual potential is the object of discussion in the chapters of this book which sheds new light on our understanding of the political function of symbols in a historical period Symbolism and Politics will be of great interest to scholars working on Political Symbols Nationalism Regime Change and Political Transitions The chapters originally published as a special issue of Politics Religion Ideology

The Symbol at Your Door Nigel Hiscock, 2016-12-05 Is the display of number and geometry in medieval religious architecture evidence of intended symbolism This book offers a new perspective in the retrieval of meaning from architecture in the Greek East and the Latin West and challenges the view that geometry was merely an outcome of practical procedures by masons Instead it attributes intellectual meaning to it as understood by Christian Platonist thought and provides compelling evidence that the symbolism was often intended In so doing the book serves as a companion volume to *The Wise Master Builder* by the same author which found the same system implicit in plans of cathedrals and abbeys The present book explains how the architectural symbolism proposed could have been understood at the time as supported by medieval texts and its context since it is context that can confer specific meaning The introduction locates the study in its critical context and summarizes Christian Platonism as it determined the meaning of number and geometry The investigation opens with the recurrent symbolism of the dome and the cube as heaven and earth in the Byzantine world and moves to the duality of the temple and the body in the East and West as reflections of Plato's universal macrocosm and human microcosm The study then examines each of the figures of Platonic geometry in the architecture of the West against the background of their mathematics and metaphysics before proceeding to their synthesis with the circle as seen in circular and polygonal structures the divisions of circles in Christian art and their display in window tracery culminating in the rose window In view of the multivalency of the symbolism the investigation establishes systematic occurrences of it which strongly suggest patterns of thought underlying systems of design The book concludes with a series of test cases which show the after life of the same symbolism as it overlapped with the Renaissance

Life Forms and Meaning Structure Alfred Schutz, 2013-10-08 This volume contains a translation of four early manuscripts by Alfred Schutz unpublished at the time written between 1924 and 1928 The publication of these four essays adds much to our knowledge and appreciation of the wide range of Schutz's phenomenological and sociological interests Originally published in 1987 The essays consist of a challenging presentation of a phenomenology of cognition and a treatment of Bergson's conceptions of images duration space time and memory a discussion of the meanings connected with the grammatical forms of language in general a consideration of the relation between meaning contents and literary forms in poetry literary prose narration and dramatic presentation and an examination of resemblances and differences in the inner forms and characteristics of the major theatrical art forms

Inorganic Nature ,1860 Symbols and Models in the Mediterranean Aneilya Barnes,Mariarosaria Salerno,2017-08-21

This collection spans a vast chronology and territory ranging from Old Kingdom Egypt to modern day Slovenia and moving geographically from the centres to the peripheries of the Mediterranean and back again including Antino Calabria Belgrade and Paris While this volume can be situated well within the context of Mediterranean studies each essay serves as a micro study that demonstrates one of the many ways in which Mediterranean communities have co opted appropriated and adapted symbols from one another As a result this interdisciplinary volume adds something unique to each discipline represented within it including history anthropology art history literature and philosophy among others while contributing to the greater discourse of Mediterranean studies Furthermore the essays collectively illustrate how symbols were distributed widely among Mediterranean communities and consequently further a dialogue about what Mediterranean might mean Overall the original content and its accessibility make the volume valuable to academics graduate and undergraduate students and general audiences alike

Way Metaphors and Way Topics in Isaiah 40-55 Øystein Lund,2007 Øystein Lund gives a new approach to texts in Isaiah 40 55 that deal with ways and desert transformation Earlier exegesis has mainly read these texts in a literal way In recent years exegetes have pointed out that the so called exodus texts should rather be interpreted metaphorically The author supports this and accordingly seeks to continue this discourse by systematizing intensifying and deepening the argumentation for a metaphorical reading He argues that most of the way texts in Isaiah 40 55 are interrelated and gradually contribute to explore questions regarding the way situation of the people The way theme appears in the prologue and in 40 27 a problem approach is established when the people is addressed How can you say O Jacob and speak O Israel My way is hidden from the LORD and my right passes by my God Several subsequent way texts are related to this text and together these draw a coherent picture in which the problematic way situation of the people in the past and present is transformed JHWH establishes new ways in which he leads his people through their difficult landscape Øystein Lund argues that such a coherent reading of the way texts gives good meaning which is consistent with the over all message of Isaiah 40 55

Journal of the Asiatic Society of Bengal ,1901 **Symbol Formation** H. Werner,B. Kaplan,2014-01-14 First published in 1984 The authors basic aim in this volume has been to set forth a certain perspective on psychological phenomena and to show how this perspective enables one to order and integrate data on symbolization and language behavior data obtained by a variety of methods and garnered from domains that are too often treated in isolation from each other

Symbolism Of The Sphere Introduction

In the digital age, access to information has become easier than ever before. The ability to download Symbolism Of The Sphere has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Symbolism Of The Sphere has opened up a world of possibilities. Downloading Symbolism Of The Sphere provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Symbolism Of The Sphere has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Symbolism Of The Sphere. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Symbolism Of The Sphere. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Symbolism Of The Sphere, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Symbolism Of The

Sphere has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
