Larry Todd, 2013-10-08 First Published in 2004 19th Century Piano Music focuses on the core composers of the 19th century repertoire beginning with 2 chapters giving a general overview of the repertoire and keyboard technique of the era and then individual chapters on Beethoven Schubert Weber Mendelssohn Chopin Schumann Brahms Liszt and the women composers of the era particularly focusing on Fanny Hensel and Clara Schumann *The Toscanini Mystique* Kenneth A. Christensen, 2014-10-31 Kenneth A. Christensen's THE TOSCANINI MYSTIQUE is the first full length biography about the legendary Italian conductor's life and career in almost thirty five years Maestro Toscanini had a frigid and extremely unhappy childhood along with a severe musical education at the Parma Conservatory This unglamorized account of a gifted teenager's professional conducting debut at Rio de Janeiro's Teatro Imperial is told as it really happened Toscanini was married to a ballerina Carla De Martini who bore him four children but also had an illegitimate son with a gifted soprano who was born retarded Toscanini's vulgar mistreatment of nearly all the singers and musicians who performed under his direction was legendary and is examined with unusual insight about his uncanny memory and talent for musical recreation The recollection of many famous artists including Caruso Debussy Kreisler Puccini Stravinsky Verdi and Wagner's descendants are quoted alongside his confrontations with Hitler Mussolini and the Sicilian mafia But the Maestro also was the most generous of all musicians donating both his time and talents to many worthwhile charities for which he received no financial compensation The life of this great conductor is presented as the struggles of a musical and theatrical reformer who was a major historical figure that just happened to be one of the greatest musicians who ever lived Mr Christensen has painstakingly wrote his narrative using all the previous biographies and magazine articles on his life the scripts of two video documentaries and the liner notes for the most widely available re-releases of his recordings He rewrote and clarified the awkward original Italian translations for non specialist readers and has supplied new English translations for the numerous operatic titles and other musical works as well as all the foreign language newspapers magazines and theatres mentioned in the text In addition he has provided professional critiques on the most widely available Toscanini recordings from RCA Victor's Arturo Toscanini Collection and historic reissues of Toscanini's NBC radio broadcast concerts Here was a man who had the nerve to stand up to world

dictators and fought hard to prevent the Western world's supreme musical masterpieces from being abused and mistreated but without taking any credit for laboriously recreating all these composers' inspiration. He enjoyed to play practical jokes on his family and friends but this humorous side is known only through letters because Toscanini never published any autobiography or memoirs about his art. Toscanini gave the world premieres of 14 operas including Leoncavallo's *Pagliacci* and three by Puccini including *La Bohème*, *La Fanciulla del West* and *Turandot*. Toscanini served as musical director of the Teatro Regio in Turin 1895-98, La Scala in Milan 1898-1908, New York's Metropolitan Opera 1908-1915, barely missed dying upon the *Lusitania* becoming musical director of La Scala again 1920-1929, the New York Philharmonic 1926-1936 and the NBC Symphony Orchestra 1937-1954. In between he also guest conducted at the Bayreuth, Salzburg and Lucerne Festivals and conducted the inaugural concerts of the Palestine Symphony. Toscanini then recorded his most important repertory with the BBC Symphony and the Philadelphia Orchestra, the New York Philharmonic and NBC Symphony Orchestras alongside the Robert Shaw Chorale and such esteemed soloists as Jascha Heifetz, Rudolf Serkin plus his own son-in-law Vladimir Horowitz. His seven operatic recordings featured Jan Peerce, Helen Traubel, Richard Tucker, Giuseppe di Stefano, Rose Bampton, Cesare Siepi, Herva Nelli, Licia Albanese, Robert Merrill, Jussi Bjoerling, Lauritz Melchior and many other gifted singers and musicians of the past whose names alone are too much to mention.

Towards a Theory of Musical Reproduction Theodor W. Adorno, 2014-11-05. At the beginning of his career in the 1920s Adorno sketched a plan to write a major work on the theory of musical reproduction, a task he returned to time and again throughout his career but never completed. The choice of the word reproduction as opposed to interpretation indicates a primary supposition that there is a clearly defined musical text whose precision exceeds what is visible on the page and that the performer has the responsibility to reproduce it as accurately as possible beyond simply playing what is written. This task according to Adorno requires a detailed understanding of all musical parameters in their historical context and his reflections upon this task lead to a fundamental study of the nature of notation and musical sense. In the various notes and texts brought together in *Towards a Theory of Musical Reproduction* one finds Adorno constantly circling around an irresolvable paradox: interpretation can only fail the work yet only through it can music's true essence be captured. While he at times seems more definite in his pronouncement of a musical score's absolute value just as a book is read silently not aloud, his discourse repeatedly displays his inability to cling to that belief. It is this quality of uncertainty in his reflections that truly indicates the scope of the discourse and its continuing relevance to musical thought and practice today.

Beethoven: Beethoven's workshop Robert Haven Schauffler, 1929. **Ludwig van Beethoven** Mark Evan Bonds, 2022-03-04. Throughout his life Beethoven remained remarkably consistent in his most basic convictions about his art. He approached music as he approached life, weighing whatever occupied him from a variety of perspectives: a melodic idea, a musical genre, a word or phrase, a friend, a lover, a patron, money, politics, religion. His ability to unlock so many possibilities from each helps explain the emotional breadth and richness of his output as a whole, from the heaven-storming

Ninth Symphony to the eccentric Eighth and from the arcane Great Fugue to the crowd pleasing Wellington's Victory Beethoven's works are a series of variations on his life The iconic scowl so familiar from later images of the composer is but one of many attitudes he assumed and projected through his music Discarding tired myths about the composer this introduction to the composer proposes a new way of listening to Beethoven by hearing his music as an expression of his entire self

The Beat Stops Here Mark Gibson,2017 In *The Beat Stops Here* Lessons on and off the Podium for Today's Conductor master conductor Mark Gibson addresses the technique of conducting as an extension of intimate

knowledge of the score to the hands and arms He employs a variety of everyday activities and motions brushing the dog Tinkerbell the door knob to describe the physical aspects of the role He advocates a comprehensive detailed approach to score study addressing major works bar by bar in terms of both musical analysis and conducting method Finally Gibson explores the various roles a conductor plays as a teacher a scholar and a member of the musical community His writing is highly focused with an occasionally tongue in cheek discussing everything from motivic development in Brahms to how to hold a knife and fork in public In short *The Beat Stops Here* is a compendium of style and substance in the real world of today's conductor
