Synchronicity You:

Synchronicity and You Frank Joseph, 2003-01-31 *Synchronicity You* is a practical handbook that explains synchronicity for general readers. It offers a direct means to define the meaningful coincidences we experience and provides a simple method for decoding them. Author Frank Joseph provides the evidence necessary to determine how our dreams and emotions meaningfully correspond with events in the world. He explains how to identify and interpret personal themes in the context of our own lives. Joseph traces the concept of synchronicity through mythology and Jungian thought but in a non-academic accessible way. Topics include precognitive and shared dreams, premonitions, numbers, telepathy, parallel lives, and everyday coincidences. Real life stories are given as examples to illustrate how to recognise meaningful coincidences. *Synchronicity You* is the only book that uses abundant anecdotal material to show us how we can analyse and apply meaningful coincidences positively in our lives.
