Syntax Style In Chaucers Poetry

Laurel J. Brinton

Syntax Style In Chaucers Poetry:

    Syntax and Style in Chaucer's Poetry Gregory H. Roscow,1981 The purpose of this book is to give an outline of structural features of Chaucer s poetic syntax that are relevant to the study of style and to define some general tendencies in his construction of sentences What emerges is a fondness on Chaucer s part for discontinuity in the order of words and phrases and for certain forms of expression which have a wider application t han their modern counterparts In order that Chaucer s usage may be seen in its historical context comparative material is drawn from the writings of his contemporaries Langland Gower and the Gawain poet and from the body of early English rhyming romances now taken to represent an influent ial native poetic tradition I In an introductory chapter Dr Roscow questions the familiar description of Chaucer s syntax as colloquial and argues for attention to a wider range of literary functions in studying the relationship between syntax and style in nedieval poetry   The Making of Chaucer's English Christopher Cannon,1998 The Making of Chaucer s English undertakes a substantial reappraisal of the place Chaucer s English occupies in the history of the English language and the language of English literature It attacks the widespread presumption that Chaucer invented literary English and argues instead that Chaucer s English is generally traditional It shows that Chaucer s linguistic innovation was as much performance as fact but it also traces the linguistic strategies that made and make the performance of originality so believable It also includes a valuable history of every word Chaucer uses The book also interrogates the theory and methodology of historicising languages so even as it explores how Chaucer s words matter it also questions why these particular words have acquired such importance for poets and scholars alike for 600 years   *Chaucer's Approach to Gender in the Canterbury Tales* Anne Laskaya,1995 This volume presents a feminist approach to the Canterbury Tales investigating the ways in which the tensions and contradictions found within the broad contours of medieval gender discourse write themselves into Chaucer s text Four discourses of medieval masculinity are examined which simultaneously reinforce and resist one another heroic or chivalric Christian courtly love and emerging humanist models Each chapter attempts to negotiate both contemporary assumptions of gender construction and essentialist readings of gender common to the middle ages throughout the author argues that the Canterbury Tales offer a sophisticated discussion of masculinity and that it strongly indicts some of the prevalent medieval notions of ideal masculinity while still remaining firmly homosocial and homophobic The book concludes that on the question of gender issues the Tales are best studied as male authored texts containing representations and negotiations revealing much about late medieval masculinities Dr ANNE LASKAYA teaches in the English Department at the University of Oregon   *The Princeton Encyclopedia of Poetry and Poetics* Roland Greene,Stephen Cushman,Clare Cavanagh,Jahan Ramazani,Paul Rouzer,Harris Feinsod,David Marno,Alexandra Slessarev,2012-08-26 Rev ed of The Princeton encyclopedia of poetry and poetics Alex Preminger and T V F Brogan co editors Frank J Warnke O B Hardison Jr and Earl Miner associate editors 1993   **Chaucer and the Poems of "Ch" in**

University of Pennsylvania MS French 15 James I. Wimsatt,1982 Translation of fifteen lyrics marked Ch found in University of Pennsylvania MS French 15 along with a detailed inventory of the contents and a study of English and Chaucerian connections When Chaucer began his service inthe English courts in the late 1350s the French lyric in the formes fixes of ballade rondeau virelay and chant royal was the poetry of the court Chaucer no doubt composed such poetry Among extant anthologies of lyricsin the fixed forms from that time University of Pennsylvania MS French 15 comprising 310 poems of which about half are anonymous seems the most likely to contain works written by Chaucer To add to the likelihood fifteen of the best anonymous poems ten ballades four chants royaux and a rondeau have the intriguing initials Ch entered just beneath the rubrics Besides editions and translations of the fifteen lyrics Chaucer and the Poems of Ch provides a record of the numerous filiations of the Pennsylvania MS collection with Chaucer and England This record includes text of a fascinating exchange of poems between Chaucer s early contemporaries Philippe de Vitry and Jean de la Mote the text of Granson s Cinq Balades Ensievans in the closest version extant to Chaucer s Complaint of Venus and an analysis of the contents of the MS as they relate to Chaucer Chaucerand the Poems of Ch concludes with a detailed inventory of this little studied MS with particular note of Chaucerian aspects of it   **Style and Syntax in Chaucer's Poetry** Gregory Roscow,1981   Chaucer's Monk's Tale and Nun's Priest's Tale Peter Goodall,2009-02-21 Of all the stories that comprise The Canterbury Tales certain ones have attracted more attention than others in terms of literary scholarship and canonization The Monk s Tale for instance was popular in the decades after Chaucer s death but has since suffered critical neglect particularly in the twentieth century The opposite has occurred with the Nun s Priest s Tale which has long been one of the most popular and widely discussed of the tales cited by some critics as the most essentially Chaucerian of them all This annotated bibliography is a record of all editions translations and scholarship written on The Monk s Tale and the Nun s Priest s Tale in the twentieth century with a view to revisiting the former and creating a comprehensive scholarly view of the latter A detailed introduction summarizes all extant writings on the two tales and their relationship to each other giving a sense of the complexity of Chaucer s seminal work and the unique function of its component stories By dealing with these two tales in particular this bibliography suggests the complicated critical reception and history of The Canterbury Tales   *Verbal Agreement and the Grammar behind its 'Breakdown'* Elly van Gelderen,2011-05-02 This book is about what the lack of agreement indicates about the structure of language Rather than assuming that mistakes occur in languages disagreement can be seen as an indication of a certain structural relationship In a Minimalist framework the partial agreement or complete lack of agreement is determined by when checking of case and agreement takes place and with what nominal element Earlier work has shown that there may be variation regarding the number of functional categories a language activates If that account is correct languages with fewer functional categories Dutch and Old English will also have fewer specifiers and therefore less Spec Head agreement In these cases government will play a role in the checking of case

and agreement There are however other reasons for the breakdown For instance expletives play a major role and they may only be specified for some features number or person and when they agree with the verb the real subject does not Two additional reasons are discussed the impact from grammaticalization and from asymmetrical e g coordinate structures The focus is on Modern Old and Middle English and Dutch but other Germanic languages German Swedish Yiddish Romance languages Catalan French Italian Spanish Arabic Chamorro Hebrew Hopi Kirundi O odham Navajo and Urdu Hindi are discussed as well **Creating and Using English Language Corpora** Udo Fries,2023-11-20 The new media revolution has led to a comprehensive digitization of our textual universe and the pervasive incorporation of the media into our everyday lives from mobile telephony to social media This calls for a concerted research effort uniting linguistics and other disciplines involved in language related research The massive growth in the amount diversity and availability of textual and multimodal language data for many of the world s languages poses several challenges In terms of theory and methods it forces us to rethink traditional notions of what linguistic corpora are and what role they play in linguistic description Established corpus linguistic methods such as concordancing and textual statistics are increasingly being complemented by visualization and geolocation of digital language data Empirically there is a growing need to document and analyse what people do with language in the increasingly technologized communicative ecology of the 21st century Language and Computers Studies in Digital Linguistics invites contributions which explore innovative intelligent and creative ways of using digital language data resources and infrastructure for linguistic description contribute to the development and refinement of usage based models in linguistics using both quantitative and qualitative methods analyse all aspects of digitally mediated communication from orthography to pragmatics and sociolinguistics **A Bibliography of Writings for the History of the English Language** Jacek Fisiak,2019-06-04 No detailed description available for A Bibliography of Writings for the History of the English Language **Old and Middle English Language Studies** Matsuji Tajima,1988-01-01 Since the publication of Kennedy s monumental Bibliography of Writings on the English Language no bibliography has systematically surveyed the Old and Middle English scholarship accumulated over the past 60 years Tajima s work aims to meet the need for an updated bibliography of Old and Middle English language studies it lists books monographs dissertations articles notes and reviews on Old and Middle English language The items have been listed into fourteen fairly broad categories 1 Bibliographies 2 Dictionaries glossaries and concordances 3 Histories of the English language 4 Grammars historical Old English and Middle English 5 General and miscellaneous studies 6 Language of individual authors or works 7 Orthography and punctuation 8 Phonology and phonetics 9 Morphology 10 Syntax 11 Lexicology lexicography and word formation 12 Onomastics 13 Dialectology 14 Stylistics **The Language of the Chaucer Tradition** Simon Horobin,2003 A study of the language of Chaucerian manuscripts printed editions and Chaucer s 15th century followers Winner of the 2005 Beatrice White Prize for outstanding scholarly work in the field of English literature before 1590 The manuscript copies of Chaucer s works preserve valuable information concerning Chaucer

s linguistic practices and the ways in which scribes responded to these This book draws on recent developments in Middle English dialectology textual criticism and the application of computers to manuscript studies to assess the evidence Chaucerian manuscripts provide for reconstructing Chaucer s own language and his linguistic environment This book considershow scribes editors and Chaucerian poets transmitted and updated Chaucer s language and the implications of this for our understanding of Chaucerian book production and reception and the processes of linguistic change in the fifteenth century Winner of the 2005 Beatrice White Prize for outstanding scholarly work in the field of English literature before 1590 SIMON HOROBIN lectures on English language at the University of Glasgow **Essays on the Art of Chaucer's Verse** Alan T. Gaylord,2013-05-13 These fifteen essays four of them commissioned for this volume along with a discursive introduction which sets each essay into place and comments on its distinctive features represent a gathering never before attempted a symposium on Chaucer s craft that concentrates on his poetic forms his rhythms his riming his versification his prosody In his seminal essay Scanning the Prosodists Alan Gaylord the editor of this volume had asked To show how Chaucer moves and in moving moves us is that not what the study of his prosody should do Should it not identify a pattern of sounds in motion a regular and expressive succession which is part of the order of verse and a major component of its effectiveness In the two decades that followed that essay a number of distinguished scholars provided a variety of answers for such questions arising from the authors work as metrical theorists or editors of medieval verse or literary historians or critics but in every case such work connected to the initiatives and discoveries of the classroom The best written and most useful of those essays by recognized authorities in their fields have been included in this volume The volume will be of use to the advanced student of Chaucer and medieval poetry and to the teacher interested in identifying explaining and bringing to life the patterns of sound and sense in Chaucer s verse The extensive master Bibliography for the whole volume comprises a library of references which will have been reviewed and discussed in the essays **The Oxford History of Poetry in English** Julia Boffey,Anthony Stockwell Garfield Edwards,2023 This volume explores a range of English verse from 1400 to 1500 It studies specific genres and modes of fifteenth century verse the contexts for its creation the material forms of its transmission and some of its individual practitioners **The Cambridge Companion to Chaucer** Piero Boitani,Jill Mann,2004-01-12 The Cambridge Companion to Chaucer is an extensively revised version of the first edition which has become a classic in the field This new volume responds to the success of the first edition and to recent debates in Chaucer Studies Important material has been updated and new contributions have been commissioned to take into account recent trends in literary theory as well as in studies of Chaucer s works New chapters cover the literary inheritance traceable in his works to French and Italian sources his style as well as new approaches to his work Other topics covered include the social and literary scene in England in Chaucer s time and comedy pathos and romance in the Canterbury Tales The volume now offers a useful chronology and the bibliography has been entirely updated to provide an indispensable guide for today s

student of Chaucer *Ethics and Exemplary Narrative in Chaucer and Gower* John Allan Mitchell,2004 <u>Studies in the Age of Chaucer</u> Frank Grady,2006-12-20 Studies in the Age of Chaucer is the annual yearbook of the New Chaucer Society publishing articles on the writing of Chaucer and his contemporaries their antecedents and successors and their intellectual and social contexts More generally articles explore the culture and writing of later medieval Britain 1200 1500 Each SAC volume also includes an annotated bibliography and reviews of Chaucer related publications <u>Pragmatic Markers in English</u> Laurel J. Brinton,1996 The future of English linguistics as envisaged by the editors of Topics in English Linguistics lies in empirical studies which integrate work in English linguistics into general and theoretical linguistics on the one hand and comparative linguistics on the other The TiEL series features volumes that present interesting new data and analyses and above all fresh approaches that contribute to the overall aim of the series which is to further outstanding research in English linguistics **Chaucer's Boece and the Medieval Tradition of Boethius** Alastair J. Minnis,1993 Chaucer s translation of Boethius work is related to medieval intellectual culture with attention to Trevet s Boethius commentary This collection seeks to locate the Boece within the medievaltradition of the academic study and translation of the Consolatiophilosophiae thereby relating the work to the intellectual culturewhich made it possible It begins with the fullest study yet undertakenof the Boethius commentary of Nicholas Trevet this being a majorsource of the Boece There follow editions and translationsof the major passages in Trevet s commentary whereNeoplatonic issuesare confronted then Chaucer s debt to Trevet is assessed in a detailedreview The many choices which faced Chaucer as a translator are indicated and the Boeceis placed in a long line of interpreters of Boethius in which both Latin commentators and vernacular translators played their parts Finally a view is offered of the Boece as anexample of late medieval academic translation if the Boeceis assigned to this genre it may be judged a considerable success **A New Companion to Chaucer** Peter Brown,2019-06-10 The extensively revised and expanded version of the acclaimed Companion to Chaucer An essential text for both established scholars and those seeking to expand their knowledge of Chaucer studies A New Companion to Chaucer is an authoritative and up to date survey of Chaucer scholarship Rigorous yet accessible this book helps readers to identify current debates recognize historical and literary context and to understand how particular concepts and theories affect the interpretation of Chaucer s texts Chaucer specialists from around the globe offer contributions that range from updates of long standing scholarship on biography language women and social structures to original research in new areas such as ideology the afterlife patronage and sexuality In presenting conflicting perspectives and ideological differences this stimulating volume encourages readers to explore additional paths of inquiry and engage in lively and informed debate Each chapter of the Companion organized by issues and themes balances textual analysis and cultural context by grounding the reader in existing scholarship Key issues from specific passages are discussed with an annotated bibliography provided for reference and further reading Compiled with all students of Chaucer in mind this important volume Presents contributions from both

established and emerging specialists Explores the circumstances in which Chaucer wrote such as the political and religious issues of his time Includes numerous close readings of selected poems Provides points of entry to a wide range of approaches to Chaucer s works Incorporates original research fresh perspectives and updated additions to Chaucer scholarship A New Companion to Chaucer is a valuable and enduring resource for scholars teachers and students of medieval literature and medieval studies as well as the general reader interested in interpretations and historical contexts of Chaucer s writings
