Stories in a New Skin Keavy Martin, 2012-12-15 In an age where southern power holders look north and see only vacant polar landscapes isolated communities and exploitable resources it is important to note that the Inuit homeland encompasses extensive philosophical political and literary traditions Stories in a New Skin is a seminal text that explores these Arctic literary traditions and in the process reveals a pathway into Inuit literary criticism Author Keavy Martin considers writing storytelling and performance from a range of genres and historical periods the classic stories and songs of Inuit oral traditions life writing oral histories and contemporary fiction poetry and film and discusses the ways in which these texts constitute an autonomous literary tradition She draws attention to the interconnection between language form and context and illustrates the capacity of Inuit writers singers and storytellers to instruct diverse audiences in the appreciation of Inuit texts Although Eurowestern academic contexts and literary terminology are a relatively foreign presence in Inuit territory Martin builds on the inherent adaptability and resilience of Inuit genres in order to foster greater southern awareness of a tradition whose audience has remained primarily northern      Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World Edward Jewitt Wheeler, Isaac Kaufman Funk, William
