Not Wasting a Save Joy Schulz, 2020-03-11 Here it is I wrote these three words when I began to journal on my quest to find God in my life Sometimes we question God's existence when things get hard and we begin to doubt our level of faith My goal was to find Him active in the victories as well as in the defeats while trying to understand the role He plays Along the way I began to discover and recognize the saves He extends to us all and the importance of using them for good My hope is that you journal through the pages in discovering your level of faith and begin to recognize the saves given It's bringing the spotlight on God as you grow in your faith you begin to see Him in a different way It was a simple question of me asking if He could see little ole me just standing in the road And what I found is He did
