## **Taking Charge:**

**Taking Charge** Mary Beth Harris, Cynthia Franklin, 2008 Taking Charge is the first empirically tested program of its kind designed specifically to improve academic achievement and self sufficiency for adolescent and teenage mothers who face increased risk of dropping out and experiencing poverty This eight session in school group intervention uses cognitive behavioral principles to bolster life skills such as focusing on action setting goals solving problems and coping The message embedded in the curriculum is one of self efficacy and self confidence drawing on young womens strengths and teaching them how to manage the challenges of school relationships parenting and employment A treatment manual with detailed guidelines for establishing and leading a culturally diverse group this guide also reviews the successful results of three school based trials of the program vividly illustrated with vignettes and containing all of the handouts and materials necessary for a school based professional to implement the program Groups can be led by social workers counselors school nurses teachers and even volunteers with little additional training An all in one treatment manual provides dialogue forms and handouts for facilitators to use in each session Empowers young women to take charge of their education and develop skills that will help them succeed in school and in life *Taking Charge* Manuel Cruz, 2011-07-21 The book deals with key ethico political issues of modernity that of responsibility and of the subject s that can assume it Today new realities from global political issues to economic crises and lack of confidence in governments show that there is no authority institution or public organism capable of taking charge In fact people find themselves less responsible than ever before Available for the first time in English this text by one of the leading European intellectuals explores why we need to return to a full personal responsibility This entails a revisiting of such concepts as personal identity tolerance and action all essential components of responsibility Featuring a preface by Gianni Vattimo the book not only analyzes the problem of responsibility from various perspectives including Nietzsche Weber Arendt Sartre but also confronts today s realities and challenges As Cruz puts it Until now men attempted to describe the world the moment has arrived for them to take it on *Taking Charge* Larry E. Schafer, 1992 These teacher tested hands on activities use readily available materials and make students first exposure to electricity a fun one The unique historical approach of the first module introduces students to the ideas of Ben Franklin and other early explorers of electricity **Taking Charge** John O. Whitney, 1998 **Taking Charge** Joan Steinau Lester, 1996-01-01 Presents a ten step action plan for achieving goals **Taking Charge** Chris Osb Johnson, Chris Johnson, Ma MD Frca, 2013-02 This book is about taking charge of your career and avoiding a line of least resistance It s over twenty years since people first started to be told by employers it s up to you to manage your own career That s precisely what most of us have done or have we Too many people follow the line of least resistance when it comes to career choice They are easily fooled by the milestones on the line of least resistance and self seduce themselves into thinking that they have a plan This book helps to distil the complex ideas and issues that we all face in our careers and to take away some of the easy mistakes

and confusion that goes with any transition It offers a pragmatic approach that places you back in charge of your career to help you to see what is best for you and to help to you to act Chris s advice is rich in psychological insight and extensive experience of the real world challenges of forging a career in today s complex organisational world The book is both tactical and strategic a plan for immediate action and a guide for your future      *Taking Charge* Michael R. Beschloss,1998-09-18 Contains primary source material      **Taking Charge** Karen Mitchell Smith,2008-04-02 Taking Charge is your guide to successful personal educational and career development This book is a great student orientation book The book combines academic skills with the soft skills necessary to succeed in the workplace Subject areas are related to personal growth as well so that students may see these skills are not used in isolation but are rather an integral part of the ongoing development everyone experiences in their lives      *Taking Charge of Your Career* Joanna Ptolomey,2009-06-15 This book is about rethinking your career in a refreshing and systematic way to take into account your professional and personal goals The book provides students and information and library professionals at all levels with tools and practical steps to making changes in their career At the heart of the book is a methodology called personal strategic planning which allows the reader to work out a baseline for what is important to them in a career and provide techniques and tools for moving forwards Written in accessible style from an experienced practitioner s point of view Draws on the author s experience of moving between different LIS sectors having worked in the private and public sector Draws on the author s experience of successfully moving and adapting skills from a career in another industry sector      **Taking Charge of Fighting Cancer** Stephanie R. Carter,2011-05-18 TAKING CHARGE OF FIGHTING CANCER is a short easy interactive workbook that contains everything a patient needs to know about dealing with the psychological aspects of cancer The workbook includes 7 chapters which can be read in any order Each chapter has several easy exercises that readers can do at their own pace and in any order While other books talk about the importance of imagery to fight cancer this book shows you what to do and how to order or download an audio CD that is full of healing imagery The CD was written by the author to accompany this book and it is recorded in her own voice If you or someone you know suffers from cancer this workbook and CD will send a message of hope and empowerment According to Carolyn S Garwood Ph D Professor Emerita Counseling Psychology at the University of Miami this books unique blend of warm personal approach with accurate and up to date medical and psychosocial information will make it an invaluable tool not only for cancer patients but for family friends caretakers and others working toward the most effective integrative interventions      **Taking Charge of Your Pregnancy** Susan J. Fisher,2021 This book is an indispensable guide to the revolutionary advances in the understanding of pregnancy and birth For decades Susan Fisher PhD and her team at the University of California San Francisco have been at the forefront of research into how babies develop in the womb Fisher traces prenatal development which proceeds at breakneck speed during the first eight weeks She unlocks the secrets of the placenta which steers the course of pregnancy and can affect childhood health Taking Charge

of Your Pregnancy contains the trailblazing science needed to help expectant parents Which prenatal vitamins are essential and when to take each Which prenatal genetic tests are risk free and which are a waste of money Why moms to be should decline store receipts and avoid flame retardants When to be concerned about nausea Why expectant mothers should listen to their own mother s birth stories

**Taking Charge When You're Not in Control** Patricia Wiklund,2000-06-02 Control is a myth Sooner or later all of us run into people and situations we have absolutely no control over That s precisely when we need to step in and take charge As nationally renowned psychotherapist and author Patricia Wiklund Ph D shows in this persuasive new book taking charge means valuing yourself for who you are and using your strengths to achieve what s important Warm practical and appealing down to earth Taking Charge When You re Not in Control offers real solutions to difficult everyday issues Dr Wiklund argues that being a victim is fundamentally a state of mind Once we clarify how we feel about what life has dealt us we gain the power to emerge from the victim mentality and embrace our best options truthfully and capably Even if we can t change outside events we can change the way we react That s charge now we become freer stronger and more fully ourselves This complete program of self understanding includes how to Confront and defuse the out of control people in our lives Stop the labeling blaming shaming and feeling guilty game Achieve real change without relying on conventional self help programs Release yourself from the victim mentality once and for all Let go forgive and feel your absolute strongest emotionally Free yourself of anxiety self doubt anger and frustration And much more Taking Charge When You re Not in Control is not a recovery book but rather a book about being and feeling recovered Here you ll find exercises anecdotes and great advice to help you start taking charge right now You can live a rewarding successful deeply satisfying life Let this uplifting book be your guide
