**Tales from the Drag Strip** Don Garlits,2013-06-01 Since the moment that young men began modifying and personalizing their automobiles back in the 1940s and 50s Big Daddy Don Garlits was squarely in the thick of this intoxicating pursuit Tales from the Drag Strip with Big Daddy Don Garlits is a first person account of the many memorable experiences this drag racing icon has lived through in his half century of nitromethane fueled exploits The many races racers race fans and race tracks that have touched his colorful career are recounted as only Big Daddy can painting a vivid picture of his life at speed and the triumphs and tragedies that came along the way Insightful ironic humorous and touching but all true Big Daddy s remembrances are the next best thing to reliving the glory days of America s quickest and fastest motorsports through the eyes of an American institution

**The A to Z of Fantasy Literature** Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was

temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
