The Annotated Arabian Nights: Tales from 1001 Nights (The Annotated Books) Paulo Lemos Horta, 2021-11-16 A new electric new translation Each page is adorned with illustrations and photographs from other translations and adaptations of the tales as well as a wonderfully detailed cascade of notes that illuminate the stories and their settings The most striking feature of the Arabic tales is their shifting registers prose rhymed prose poetry and Seale captures the movement between them beautifully Yasmine Al Sayyad New Yorker A magnificent and richly illustrated volume with a groundbreaking translation framed by new commentary and hundreds of images of the most famous story collection of all time A cornerstone of world literature and a monument to the power of storytelling the Arabian Nights has inspired countless authors from Charles Dickens and Edgar Allan Poe to Naguib Mahfouz Clarice Lispector and Angela Carter Now in this lavishly designed and illustrated edition of The Annotated Arabian Nights the acclaimed literary historian Paulo Lemos Horta and the brilliant poet and translator Yasmine Seale present a splendid new selection of tales from the Nights featuring treasured original stories as well as later additions including Aladdin and the Wonderful Lamp and Ali Baba and the Forty Thieves and definitively bringing the Nights out of Victorian antiquarianism and into the twenty first century For centuries readers have been haunted by the homicidal King Shahriyar thrilled by gripping tales of Sinbad's seafaring adventures and held utterly exquisitely captive by Shahrazad's stories of passionate romances and otherworldly escapades Yet for too long the English

speaking world has relied on dated translations by Richard Burton Edward Lane and other nineteenth century adventurers Seale's distinctly contemporary and lyrical translations break decisively with this masculine dynasty finally stripping away the deliberate exoticism of Orientalist renderings while reclaiming the vitality and delight of the stories as she works with equal skill in both Arabic and French Included within are famous tales from The Story of Sinbad the Sailor to The Story of the Fisherman and the Jinni as well as lesser known stories such as The Story of Dalila the Crafty in which the cunning heroine takes readers into the everyday life of merchants and shopkeepers in a crowded metropolis and The Story of the Merchant and the Jinni an example of a ransom frame tale in which stories are exchanged to save a life Grounded in the latest scholarship The Annotated Arabian Nights also incorporates the Hanna Diyab stories for centuries seen as French forgeries but now acknowledged largely as a result of Horta's pathbreaking research as being firmly rooted in the Arabic narrative tradition Horta not only takes us into the astonishing twists and turns of the stories evolution He also offers comprehensive notes on just about everything readers need to know to appreciate the tales in context and guides us through the origins of ghouls jinn and other supernatural elements that have always drawn in and delighted readers Beautifully illustrated throughout with art from Europe and the Arab and Persian world the latter often ignored in English language editions The Annotated Arabian Nights expands the visual dimensions of the stories revealing how the Nights have always been and still are in dialogue with fine artists With a poignant autobiographical foreword from best selling novelist Omar El Akkad and an illuminating afterword on the Middle Eastern roots of Hanna Diyab's tales from noted scholar Robert Irwin Horta and Seale have created a stunning edition of the Arabian Nights that will enchant and inform both devoted and novice readers alike

The Arabian Nights, 2009-08-26 Full of mischief valor ribaldry and romance The Arabian Nights has enthralled readers for centuries These are the tales that saved the life of Shahrazad whose husband the king executed each of his wives after a single night of marriage Beginning an enchanting story each evening Shahrazad always withheld the ending A thousand and one nights later her life was spared forever This volume reproduces the 1932 Modern Library edition for which Bennett A Cerf chose the most famous and representative stories from Sir Richard F Burton's multivolume translation and includes Burton's extensive and acclaimed explanatory notes These tales including Alaeddin or the Wonderful Lamp Sinbad the Seaman and Sinbad the Landsman and Ali Baba and the Forty Thieves have entered into the popular imagination demonstrating that Shahrazad's spell remains unbroken *The Arabian Nights : Tales from the Thousand and One Nights*
