Latino Image Makers in Hollywood Frank Javier Garcia Berumen, 2016-04-14

Latinos have been part of the Hollywood film industry for more than 100 years yet beyond the remarkable success of a few their visibility and clout have generally not reflected their significance in American society Worse the Latino image has suffered from widespread stereotyping in film and performers face unjustified constraints in the kinds of roles available to them Decade by decade from 1960 onward this book analyzes important films made by or about Latinos details the careers of Latino performers and filmmakers of the time and analyzes how film portrayals of Latino characters and subjects connect with political and social trends of each decade It discusses the role of gender social class and ethnicity in film portrayals and provides an overview of the diverse and dynamic Latino community in the United States while celebrating a substantial and enduring contribution to Hollywood film history

Deconstructing Dads Laura Tropp, Janice Kelly, 2015-12-24

In the twenty first century fatherhood is shifting from simply being a sidekick in the parental team to taking center stage with new expectations of involvement and caretaking The social expectations of fathers start even before the children are born Mr Mom is now displaced with fathers who don't think of themselves as babysitting their own children but as central decision makers along with mothers as parents Deconstructing Dads Changing Images of Fathers in Popular Culture is an interdisciplinary edited collection of essays authored by prominent scholars in the fields of media sociology and cultural studies who address how media represent the image of the father in popular culture This collection explores the history of representation of fathers like the bumbling dad to question and challenge how far popular culture has come in its representation of paternal figures Each chapter of this book focuses on a different aspect of media including how advertising creates expectations of play and father crime shows and the new hero father and men as paternal figures in horror films The book also explores changing definitions of fatherhood by looking at such subjects as how the media represents sperm donation as complicating the definition of father and how specific groups have been represented as fathers including gay

men as dads and Latino fathers in film This collection examines the media's depiction of the good father to study how it both challenges and reshapes the ways in which we think of family masculinity and gender roles **Latino/a Literature in the Classroom** Frederick Luis Aldama, 2015-06-19 In one of the most rapidly growing areas of literary study this volume provides the first comprehensive guide to teaching Latino literature in all variety of learning environments Essays by internationally renowned scholars offer an array of approaches and methods to the teaching of the novel short story plays poetry autobiography testimonial comic book children and young adult literature film performance art and multi media digital texts among others The essays provide conceptual vocabularies and tools to help teachers design courses that pay attention to Issues of form across a range of storytelling media Issues of content such as theme and character Issues of historical periods linguistic communities and regions Issues of institutional classroom settings The volume innovatively adds to and complicates the broader humanities curriculum by offering new possibilities for pedagogical practice [A Guide to Latin American, Caribbean and U.S. Latino Made Film and Video](#) Karen Ranucci, Julie Feldman, 1998-11-05 This unique directory helps educators media users and researchers locate over 400 films and videos made by Latin American and Latino film video makers that are available in the United States It provides descriptions of these works from a U S user's point of view

Historical Dictionary of Asian American Literature and Theater Wenying Xu, 2022-08-15 A Library Journal Best Reference Book of 2022 This book represents the culmination of over 150 years of literary achievement by the most diverse ethnic group in the United States Diverse because this group of ethnic Americans includes those whose ancestral roots branch out to East Asia Southeast Asia South Asia and Western Asia Even within each of these regions there exist vast differences in languages cultures religions political systems and colonial histories From the earliest publication in 1887 to the latest in 2021 this dictionary celebrates the incredibly rich body of fiction poetry memoirs plays and children's literature Historical Dictionary of Asian American Literature and Theater Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries on genres major terms and authors This book is an excellent resource for students researchers and anyone wanting to know more about this topic [Images That Injure](#) Paul Martin Lester, 2011-04-19 This expanded collection of new and fully revised explorations of media content identifies the ways we all have been negatively stereotyped and demonstrates how careful analysis of media portrayals can create more beneficial alternatives Not all damaging stereotypes are obvious In fact the pictorial stereotypes in the media that we don't notice could be the most harmful because we aren't even aware of the negative false ideas they perpetrate This book presents a series of original research essays on media images of groups including African Americans Latinos women the elderly the physically disabled gays and lesbians and Jewish Americans just to mention a few Specific examples of these images are derived from a variety of sources such as advertising fine art film television shows cartoons the Internet and other media providing a wealth of material for students and professionals in almost any field Images That Injure Pictorial

Stereotypes in the Media Third Edition not only accurately describes and analyzes the media's harmful depictions of cultural groups but also offers creative ideas on alternative representations of these individuals. These discussions illuminate how each of us is responsible for contributing to a sea of meaning within our mass culture. **Cinematic Sociology** Jean-Anne Sutherland, Kathryn Feltey, 2012-04-17 Cinematic Sociology is a one of a kind resource that helps students recognize and critique sociological concepts as they appear in blockbuster Hollywood films. In addition it provides pedagogy for instructors who use film in their classes. In this engaging text the authors take readers beyond watching movies and demonstrate how to read films sociologically. In the process students are exposed to major substantive areas of sociology and encouraged to critically think about their social world. The book's 27 essays from expert scholars in sociology and cultural studies explore the ways social life is presented, distorted, magnified or politicized in popular film. *Animating Difference* C. Richard King, Carmen R. Lugo-Lugo, Mary K. Bloodsworth-Lugo, 2010-01-16 Animating Difference studies the way race, ethnicity, sexuality and gender are portrayed in recent animated films from 1990 through the present. Ranging from Aladdin to Toy Story to Up, these popular films are key media through which children and adults learn about the world and how to behave. While racial and gender stereotypes may not be as obvious as they may have been in films of decades past, they often continue to convey troubling messages and stereotypes in subtle and surprising ways. *Latino Identity in Contemporary America* Martin Bulmer, John Solomos, 2014-01-02 This edited collection brings together original research papers that explore an important aspect of race and ethnic studies, namely the processes that are shaping the making of Latina and Latino identities in contemporary America. This is a question that has received much attention in the USA over the past decade and these papers make an original contribution to these debates. Much of this attention towards Latino communities in the USA can be seen as the outcome of public debates about the growth of these communities over the past three decades and the consequences of this growth for social and political change. The papers in this collection highlight some of the key facets of contemporary research in this field. As original pieces of research, they are at the forefront of current debates about Latino identities in contemporary America and they provide research-based insights into the changing experiences of these communities. This book was originally published as a special issue of Ethnic and Racial Studies. *LatinX Voices* Katie Coronado, Erica Kight, 2018-07-16 LatinX Voices is the first undergraduate textbook that includes an overview of Hispanic LatinX Media in the U.S. and gives readers an understanding of how media in the United States has transformed around this audience. Based on the authors' professional and research experience and teaching broadcast media courses in the classroom, this text covers the evolving industry and offers perspective on topics related to Latin American areas of interest. With professional testimonials from those who have left their mark in print, radio, television, film and new media, this collection of chapters brings together expert voices in Hispanic LatinX media from across the U.S. and explains the impact of this population on the media industry today.
