Tales Of Suicide A Selection From Luigi Pirandellos Short Stories For A Year:

Tales of Suicide Luigi Pirandello, 1988 Suicide the act of killing oneself voluntarily and intentionally is clearly one of the most important themes developed by Pirandello during his long literary career Although he never focused on self destruction as an end in itself he made ample use of it to dramatise his tragic view of the human condition Indeed this theme recurs with astonishing frequency in his short stories play and novels It even appears sporadically in his poetry *Tales of Suicide* Luigi Pirandello, 2014-05-10

Tales of Madness Luigi Pirandello, 1984 This book constitutes a unique selection from that monumental corpus will introduce to the English reading public some of Pirandello's most moving novelle In each of them one can sense the deep compassion the author must have felt for his characters generally portrayed as disaffected victims of society destiny or their own self deceptions *Venice Tales*, 2025-04-12 *Venice Tales* is the first comprehensive collection of short stories on Venice by Italian authors The book encompasses a broad chronological span beginning from the Middle Ages Boccaccio through to the early modern period Sansovino the Enlightenment Casanova Goldoni to the modern and contemporary eras Marinetti Montale Calvino Scarpa and others A dream like city uniquely built on water Venice was a hub of trade with the East and the seminal cosmopolitan city Venice was proudly independent politically from the world and was at the forefront of several arts and industries glass making and ship building as well as music and the fine arts A site of Carnavalesque joie de vivre luxury and licentiousness on the one hand Venice also became widely synonymous with darkness melancholy and a wish for death In short the siren call of Venice has always seduced literati visitors and tourists alike Venice continues to haunt and inspire the imagination of authors and artists the world over and yet few Italians have dared taking on the city in their works of literary fiction It is possible that Venice's worldly exotic allure proved daunting and evanescent to many As these *Venice Tales* vividly demonstrate those who did not fear to tread into Venice as a literary subject produced inspired incandescent ironical evocative tragic and utterly magical vistas on this unique city which despite eliciting such wealth of literary artistic musical and theatrical feats remains to this day largely elusive fluid and thoroughly impossible to pin down

Encyclopedia of Italian Literary Studies Gaetana Marrone, Paolo Puppa, 2006-12-26 The *Encyclopedia of Italian Literary Studies* is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The *Encyclopedia* is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The *Encyclopedia* also includes writers and subjects of contemporary interest such as those relating to journalism film media children's literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars *Understanding Luigi Pirandello*

Characters and Authors in Luigi Pirandello Ann Caesar,1998 Luigi Pirandello is best known in the English speaking world for his radical challenge to traditional Western theatre with plays such as *Six Characters in Search of an Author* But theatre is just one manifestation of his experiments with language which led to a remarkable collection of novels short stories and essays as well as his work for a film industry then in its infancy This study which is based on the view that Pirandello's writings are most fruitfully discussed in a European context takes as its starting point the author's belief in the primacy of the literary character in a creative process which is necessarily conflictual The book argues that all Pirandello's characters are engaged in a continual performance which transcends the genre distinction between narrative and dramatic forms In this performance it is the spoken word in which the characters invest most heavily as they struggle to sustain an identity of their own tell their life stories and assert themselves before their most prominent antagonist the author himself **Bowker's**

Guide to Characters in Fiction 2007 ,2008-02 **The Cumulative Book Index** ,1989 A world list of books in the English language *Yearbook of Comparative and General Literature* ,1983 **Novel and Short Story Writer's Market, 1994**
Robin Gee,1994 Fiction writers turn to this reference each year for marketing information on 1 900 fiction publishers 1 000 more fiction publishers than Writer s Market That fact coupled with helpful articles and interviews with professional writers has quickly established this book as the best market guide for novel and short story writers
