Tales Of The Heart:

Tales of the Heart Amelia Alderson Opie, 1820 **Tales of the Heart** Dennis K Hausker, 2012-01-04 **Tales of the Heart** is an anthology centered on romance as a consistent theme. The stories vary widely to provide snapshots at different ages, stages of life, and circumstances. Some dreams come true in life, and others do not. People are faced with hardships and challenges seemingly as a consequence of being born into this world. What they do with those challenges differs a great deal. Usually, it doesn't come down to clearly delineated choices between right and wrong; rather, it seems there are shades of gray with in-between options where a person makes their unique choices based on their personal lives and experiences. There are ample poignant moments, compelling story lines, and some blood-pumping adventures.

Tales from the Heart of the Balkans Bonnie Marshall, 2001-08-15 The diverse peoples of the former Yugoslavia offer us a rich folk tradition with lively tales to delight readers of all ages. Marshall has selected 33 stories that represent all major population groups of the region, including South Slavic, Yugoslav, Albanian, and Yugoslav Romany. Translated from their original languages and retold for a broad audience, these tales demonstrate the diversity and unity of the region. A fascinating historical overview, background information, color photos of the people, and the land maps and more make this a wonderful resource for entertainment and study.
