## **Tales Of The Midnight Sun:**

**Tales of the Midnight Sun** John P. Orban, 2001-05 We live in a complex rational world and also in a world of unexplained paranormal realities The transit of our selves our souls and our minds through the passage of time is a metaphysical process that remains as it has been throughout history an ongoing mystery We are truly suspended in a mystical process that men over the centuries have tried to make into some kind of sense and yield a solution or explanation Questions such as who we are where we came from where we ultimately go as well as what is the meaning of what we experience in life are the sum and substance of the essentials questions that we as mortals ultimately face In these tales an approach that probes our instinct to imagine resolution to esoteric questions is placed before the reader You will find your ability to expand your consciousness tested and hopefully you will learn from these provocative protagonists how their answers were found Some believe that a New Age is before mankind if we can avert our tragically destructive instincts and mechanisms Perhaps in that New Age we all have to dream of and fight for positive changes and hope that the reality of life on Earth will blossom positively This collection of novellas describes a utopian view of our experience as a positive metaphysical race and attempts to push the envelope of reality **Tales** ,1906 **Wonder Tales from Baltic Wizards**

Frances Jenkins Olcott, 2010-03 The selections in this book come from German and English sources There is a mass of East Baltic folk lore from which to choose which gives but a feeble idea of the extent of Baltic folk lore In this volume you will find tales of Enchantments Wizards Witches Magic Spells Nixy Queens Giants Fairy White Reindeer and glittering Treasures from the Baltic Lands Lapland Finland Estonia Latvia and Lithuania Their setting is the Long Winter Night with its brilliant play of Northern Lights over the snow covered tundra or the brief Arctic summer its sun burning night and day with its birds flowers insect clouds singing waters and almost tropic heat or the golden sunshine of the southern amber coast But it is the Northern Lights themselves flashing and flaming through the dark heavens that cast their mystic weirdness over many of these tales moulded by the peculiar imagination of the Asiatic and European East Baltic folks The farther our stories draw south from Lapland the lower sink the Northern Lights and their influence on folk tales till at last they merge with the warmer lights of Lithuania the amber land Wizards and wizardry abound in Lappish Finnish and Estonian tales Witches appear more often in Latvian and Lithuanian ones And in all these countries except Lapland many European folk tale themes which we know in the Grimm collection are found in new forms 33% of the net profit from this book will be donated to charities YESTERDAY S BOOKS for TOMORROW S EDUCATIONS *Weird Tales 301 (Summer 1991)* Darrell Schweitzer, Stephen King, Ramsey

a children s classic Stories include The Tale of the Snowmaiden The Tale of Sadko the Minstrel The Tale of Iven the Greywolf and the Firebird The Tale of Vassilisa the Fair and Baby Yaga Tsar Saltan and Koshka the Cat I loved the constant references to stories as inherently magical and powerful full of rare secrets that you would be justified in sailing e beyond thrice nine realms and over the seven sease in search of Thankfully readers and listeners and lovers of illustration only need open this magic box to be immediately transported Dr Nick Campbell writer researcher and bookseller Every children s book deserves to be lavishly illustrated a task taken on by the author himself It s herd to say which are better the words or the pictures But at the end of the day it hardly matters because they complement each other perfectly in a book that captures the essence of the old fashioned Noel of traditional story telling The Bay magazine 2019 It s the energy that shines out in the boldness the verve the lack of reticence that says Look at this beautiful thing Look again It s the kind of work that welcomes readers because in this book James has written the words too as well as spectators The combination is a real joy Today s children are lucky to have this version of the stories And James Mayhew is lucky to have Graffeg realising that we need them as much as we did in 1993 Adele Geras Here is a fabulous collection of folk tales from Russia by James Mayhew written in luminous language and accompanied by equally luminous artwork Beyond the classroom I will be recommending it to boys and girls in Year 4 who still love the accessibility of traditional fairy stories but need to develop their reading stamina and confidence with a little more challenge I am hoping it will provide a gateway to longer novels such as The House with Chicken Legs or Harry Potter Books for Topics
