News Commentary Essays Book II Charles Henderson, 2022-05-13 Dr Charles Henderson's newly released *News Commentary Essays Book II Poignant Responses to Fourth Estate Rancor* is a vivid collection of sociopolitical writings The years 2014 to 2015 were significant in American history because they were filled with news stories about epic and sometimes controversial events The presidential campaign began to slowly heat up and the news media reporters were caught flat footed when two inexperienced candidates Donald Trump and Ben Carson surprisingly jumped into the lead The military conflict in the Middle East shifted to Syria causing the op ed foreign policy writers to berate President Obama for hesitating to enter into a third insurgency war And last but not least the Supreme Court finally heard arguments on the constitutionality of overturning state bans on same sex marriage That ruling both epic and controversial is expected to lead to the challenging of religious liberty Henderson's *Book II* is an entertaining and insightful volume of over four hundred essays touching on all manner of complex political policies and social issues It contains eighteen different topics arranged in chapters alphabetically from Drones to Women in the Military

encompassing other chapters involving controversial subjects such as homosexuality morality race and social issues Pursuit of the unbiased truth is the hallmark of this book s narratives Published by Christian Faith Publishing Dr Henderson s new book is a grippingly eloquent and mind broadening work of educated opinion with many of the essays written in response to the rather conservative op ed pieces in the liberally inclined Washington Post In his writings Henderson offers a rare mind of clarity along with a serene strength of conviction secure in his foundation in God s Word amid the raging din of the modern world s political drama and ethical battlefields Young People's Books Chicago Public Library,1912 **They Lived to Tell the Tale** The Explorers Club,2007-11 The incomparable stories of modern day adventurers Forty stellar stories from members of The Explorers Club the world famous society founded in New York in 1904 and whose membership has included Ernest Shackleton Neil Armstrong and Sir Edmund Hillary Included in this collection are stories from the Club s new guard such as A Bad Day at the Office by Robert Ballarrrd who discovered the Titanic on the ocean floor Flying Giant of the Andes by Wild Kingdom s host Jim Fowler The Running of the Boundaries by author Wade Davis Race to the Moon by astronaut James Lovell The Nature of Exploration by actress Stephanie Powers and many more This collection redefines what the original members called exploration reflecting a modern adventurer including several women whose aim has shifted to protecting national treasures preserving the planet and making discoveries that will benefit the whole of humankind **Monkey Tales Around the World** Terry L.
