Tales From Djakarta:

Tales from Djakarta Pramoedya Ananta Toer, 2018-05-31 A translation of short stories by the well known Indonesian author Pramoedya Ananta Toer Written in the 1950s these stories are intensely regional in flavor and modern in approach This collection includes such works as Stranded Fish Creatures Behind Houses and the great Ketjapi A History of Modern Indonesia Adrian Vickers, 2013-03-25 Since the Bali bombings of 2002 and the rise of political Islam Indonesia has frequently occupied media headlines Nevertheless the history of the fourth largest country on earth remains relatively unknown Adrian Vickers book first published in 2005 traces the history of an island country comprising some 240 million people from the colonial period through revolution and independence to the present Framed around the life story of Pramoedya Ananta Toer Indonesia's most famous and controversial novelist and playwright the book journeys through the social and cultural mores of Indonesian society focusing on the experiences of ordinary people In this new edition the author brings the story up to date revisiting his argument as to why Indonesia has yet to realise its potential as a democratic country He also examines the rise of fundamentalist Islam which has haunted Indonesia since the fall of Suharto **Historical Dictionary of Indonesia** Audrey Kahin, 2015-10-29 A wide flung archipelago lying between the Pacific and Indian Oceans Indonesia is the world's most populous Islamic country For over two thousand years it was a crossroads on the major trading route between China and India but it was not brought together into a single entity until the Dutch extended their rule throughout the Netherlands East Indies in the early part of the 20th century Declaring its independence from the Dutch in 1945 the Republic of Indonesia was ruled by only two regimes over the next half century Throughout the years the country has continued to be dogged by an inefficient bureaucracy and by perpetual problems of corruption However since 2004 Indonesia has successfully carried out four direct elections for president together with an equal number of elections for legislative bodies at all levels of government and has finally in 2014 elected a president with no ties to either the military or to the previous authoritarian power structure This third edition of Historical Dictionary of Indonesia contains a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Indonesia Pramoedya Postcolonially Razif Bahari, 2007 **Science, Public Health and Nation-Building in Soekarno-Era Indonesia** Vivek Neelakantan, 2017-06-23 In 1949 the newly independent Indonesia inherited a health system that was devastated by three and a half years of Japanese occupation and four years of revolutionary struggle against the Dutch Additionally the country had to cope with the resurgence of epidemic and endemic diseases The Ministry of Health had initiated a number of symbolic public health initiatives both during the Indonesian Revolution 1945 to 1949 and the early 1950s resulting in a noticeable decline of mortality These initiatives fuelled the newly independent nation's confidence because they demonstrated to the international community that Indonesia was capable of

standing on its own feet Unfortunately by the mid 1950s Indonesia's public health program faltered due to a constellation of factors attributed to the political tensions between Java and the Outer Islands administrative problems corruption and rampant inflation The optimism that characterised the early years of independence gave way to despair The Soekarno era could therefore be interpreted as the era of bold plans but unfulfilled aspirations in Indonesian public health Based on extensive archival research and a close reading of Indonesian primary sources this book provides a nuanced account of the inner tensions in Indonesian public health during the twentieth century between a narrow biomedical approach that emphasised disease eradication and a holistic approach that linked public health to practical concerns of nation building

Teeuw,1986-01-01 Modern Indonesian literature A. Teeuw,2013-03-09 The history of this book dates back exactly 20 years When I first set foot on the shores of Indonesia in September 1947 I was amongst other things assigned the task of teaching Malay literature in an advanced teacher training course with the instruction to lay stress on modern literature This was easier said than done as very little had been written on the subject and few materials were available to me From this period I recall with great gratitude the regular and friendly contacts I had with Mr Sutan Takdir Alisjahbana who in many ways me with information and documentation helped The editors of the magazine Kritis en Opbouw found my lecture notes on some pre war authors worth publishing These articles with an introduction on Bahasa Indonesia and some other additions were subsequently collected and published by Pembangunan under the title *Voltooid Voorspel Completed Prelude* Djakarta 1950 The little book sold fairly quickly but rather than publishing a new edition in Dutch the publisher was interested in bringing out an Indonesian adaptation Much material was added the larger part of which had been collected by writing occasional reviews of Indonesian literary works for the Dutch newspaper Nieuwsgier in Djakarta The text of the book was very conscientiously turned into Bahasa Indonesia by Anku Raihul Amar **Migration and Diaspora in Modern Asia** Sunil S. Amrith,2011-03-07 Migration is at the heart of Asian history For centuries migrants have tracked the routes and seas of their ancestors merchants pilgrims soldiers and sailors along the Silk Road and across the Indian Ocean and the China Sea Over the last 150 years however migration within Asia and beyond has been greater than at any other time in history Sunil S Amrith s engaging and deeply informative book crosses a vast terrain from the Middle East to India and China tracing the history of modern migration Animated by the voices of Asian migrants it tells the stories of those forced to flee from war and revolution and those who left their homes and their families in search of a better life These stories of Asian diasporas can be joyful or poignant but they all speak of an engagement with new landscapes and new peoples
