Tales From The Calendar Methuen:

Tales from the Calendar Bertolt Brecht, 1961 Brecht compiled this collection of stories poems and anecdotes himself immediately on his return to Germany from exile in 1947 In giving this book its title he consciously recalled the peasant calendars of an earlier age when collections of satirical tales fables and aphorisms were a traditional form of popular instruction and entertainment in rural areas of Germany Front jacket flap **Philosophizing Brecht**, 2019-05-20 This anthology unites scholars from varied backgrounds with the notion that the theories and artistic productions of Bertolt Brecht are key missing links in bridging diverse discourses in social philosophy theatre consciousness studies and aesthetics It offers readers interdisciplinary perspectives that create unique dialogues between Brecht and important thinkers such as Althusser Anders Bakhtin Benjamin Godard Marx and Plato While exploring salient topics such as consciousness courage ethics political aesthetics and representations of race and the body it penetrates the philosophical Brecht seeing in him the never ending dialectic the idea the theory the narrative the character that is never foreclosed This book is an essential read for all those interested in Brecht as a socio cultural theorist and for theatre practitioners Contributors Kevin S Amidon Jos Mar a Dur n Felix J Fuch Philip Glahn Jim Grilli Wolfgang Fritz Haug Norman Roessler Jeremy Spencer Anthony Squiers Peter Zazzali The Caucasian Chalk Circle Bertolt Brecht, 2010 Enid Blyton: The Biography Barbara Stoney, 2011-08-26 Enid Blyton is known throughout the world for her imaginative childrens books and her enduring characters such as Noddy and the Famous Five She is one of the most borrowed authors from British libraries and she holds a fascination for readers old and young alike Yet until 1974 when Barbara Stoney first published her official biography little was known about this most private author even members of her own family The woman who emerged from Barbara Stoney s remarkable research was hardworking complex often difficult and in many ways childlike Now this widely praised classic biography has been fully updated for the twenty first century and with the addition of new colour illustration and an extended bibliography of Enid Blyton s books it documents the growing appeal of this extraordinary woman and her writing The fascinating story of one of the world s most famous authors will once again intrigue and delight all those with an interest in her timeless books *The Hilaire Belloc Calendar* Hilaire Belloc, 1912 **Fiction of the New Statesman, 1913-1939** Bashir Abu-Manneh, 2011-10-10 Fiction of the New Statesman is the first study of the short stories published in the renowned British journal the New Statesman This book argues that New Statesman fiction advances a strong realist preoccupation with ordinary everyday life and shows how British domestic concerns have a strong hold on the working class and lower middle class imaginative output of this period **Encyclopedia of Literary Translation Into English: A-L** O. Classe, 2000 **Bertolt Brecht in Context** Stephen Brockmann, 2021-06-10 Bertolt Brecht in Context examines Brecht s significance and contributions as a writer and the most influential playwright of the twentieth century It explores the specific context from which he emerged in imperial Germany during the late nineteenth and early twentieth centuries as well as Brecht s response to the turbulent German

history of the twentieth century World Wars One and Two the Weimar Republic the Nazi dictatorship the experience of exile and ultimately the division of Germany into two competing political blocs divided by the postwar Iron Curtain Throughout this turbulence and in spite of it Brecht managed to remain extraordinarily productive revolutionizing the theater of the twentieth century and developing a new approach to language and performance Because of his unparalleled radicalism and influence Brecht remains controversial to this day This book with a Foreword by Mark Ravenhill lays out in clear and accessible language the shape of Brecht's contribution and the reasons for his ongoing influence *The Publishers' Circular and Booksellers' Record*, 1929 Tales of Dunstable weir, by Zack Gwendoline Keats, 1901 British Children's Writers, 1914-1960 Donald R. Hettinga, Gary D. Schmidt, 1996 Essays on authors and poets in this volume represent some of the best known writers of children's literature in the twentieth century This period is marked by certain characteristics such as stories of groups of children bonded together the emergence of strong female protagonists the career books and a consciously subdued presence of pain and suffering Many of these works are valued for the window they provided upon a culture now gone *The Illustrated Gift Book, 1880-1930* Michael Felmingham, 1989 The history of book illustration is the story of a mechanical process releasing a great flowering of talent a revolution in which photomechanical methods of reproduction provided a medium for a new school of illustrators This book examines the methods and looks at the illustrators as well as their books describing their markets training techniques remuneration and professional and social lives It includes a chronologically arranged checklist of the illustrated books of over seventy artists ranging from Aubrey Beardsley Edmund Dulac Arthur Rackham Howard Pyle to the little known John Batten Vernon Hill Reginald Birch and Willy Pogany It also includes contributions made to the genre by female artists as Mabel Lucie Attwell Gwynedd Hudson Margaret Tarrant Millicent Sowerby Mary Wheelhouse and many others *Performing Arts/books in Print*, 1973 **The Publisher and Bookseller**, 1928 Official organ of the book trade of the United Kingdom The Literary Year-book Frederick George Aflalo, Joseph Jacobs, Herbert Arthur Morrah, Henry Gilbert, Basil Stewart, Mark Meredith, 1921 *Bookseller and the Stationery Trades' Journal*, 1904 The Bookseller, 1914 Official organ of the book trade of the United Kingdom *Calendar* University of Melbourne, 1929 **Peggy Webling and the Story behind Frankenstein** Peggy Webling, Dorian Gieseler Greenbaum, Bruce Graver, 2024-03-21 The 1931 Universal Pictures film adaptation of Frankenstein directed by James Whale and starring Boris Karloff as the now iconic Monster claims in its credits to be Adapted from the play by Peggy Webling Webling's play sought to humanize the creature was the first stage adaptation to position Frankenstein and his creation as doppelgängers and offered a feminist perspective on scientific efforts to create life without women ideas that suffuse today's perceptions of Frankenstein's monster The original play script exists in several different versions only two of which have ever been consulted by scholars no version has ever been published Nor have scholars had access to Webling's private papers and correspondence preserved in a family archive so that the evolution of Frankenstein

from book to stage to screen has never been fully charted In Peggy Webling and the Story behind Frankenstein Dorian Gieseler Greenbaum Webling s great grandniece and Bruce Graver present the full texts of Webling s unpublished play for the first time A vital critical edition this book includes the 1927 British Library Frankenstein script used for the first production of the play in Preston Lancashire the 1928 Frankenstein script in the Library of Congress used for productions in UK provincial theatres from autumn 1928 till 1930 the 1930 Frankenstein Prompt Script for the London production and later provincial performances held by the Westminster Archive London Webling s private correspondence including negotiations with theatre managers and Universal Pictures family letters about the writing and production process and selected contracts Text of the chapter Frankenstein from Webling s unpublished literary memoir The Story of a Pen for additional context Biography of Webling that bears directly on the sensibilities and skills she brought to the writing of her play History of how the play came to be written and produced The relationship of Webling s play to earlier stage and film adaptations An exploration of playwright and screenwriter John L Balderston s changes to Webling s play and Whale s borrowings from it in the 1931 film Offering a new perspective on the genesis of the Frankenstein movie this critical exploration makes available a unique and necessary missing link in the novel s otherwise well documented transmedia cultural history **The Reference Catalogue of Current Literature** ,1910
