Tales From The New Barcelona Urban Change And The European Left:

Urban Change and the European Left Donald McNeill, 2005-08-02 This book helps make sense of the shape of contemporary urban change and describes the way in which cities are central to the construction of place based political identities

Urban Politics Mark Davidson, Deborah Martin, 2013-12-16 Offers a much needed update on urban politics in a globalized world Davidson and Martin as well as contributors chart new territory and produce thought provoking research that move the field in a more critical direction

Setha M Low The Graduate Center of the City University of New York A critical analysis of power and politics is essential to an understanding of contemporary urbanism Informative and challenging clear and sophisticated Urban Politics Critical Approaches encourages readers to grapple with the great diversity of analytical lenses that frame urban political research through detailed engaging case studies

Eugene McCann Simon Fraser University This critical thought provoking discussion of contemporary urban politics places key issues in a geographical context Divided into three sections The urban as political setting The urban as political medium The urban as political community The text provides a thorough theoretical grounding with an extensive thematic overview This unique approach links classical institutional urban politics with a broader set of urban politics and practices With case study material integrated throughout and consideration given to the discussion of different urban politics from multiple theoretical perspectives this is a completely up to date overview for students of urban geography urban studies urban sociology and of course urban politics

The Barcelona Reader Enric Bou, Jaume Subirana, 2017-07-24 The first comprehensive Reader to accompany the remarkable city of Barcelona

Urban Regeneration Management John Diamond, Joyce Liddle, Alan Southern, Philip Osei, 2010-07-15 Urban Regeneration Management analyzes the regeneration management process locating the issues within both local and international perspectives critiquing the theoretical literature on globalization and analyzing a variety of case studies from across the globe

Accomplishing Cultural Policy in Europe Christopher Mathieu, Valerie Visanich, 2022-08-30 This book investigates the activities undertaken by the variety of actors that contribute to accomplishing cultural policy in Europe These range from policy formulation and administration at the national and local levels to artistic and cultural production activities to institutional governance Arts and culture are an essential component to individual and collective quality of life States regions and municipalities increasingly recognize this intrinsic importance as well as the instrumental values of the arts and culture This has led to an increased interest in cultural policy usually focusing on the policy process and policy effects How cultural policy is accomplished is a matter of correspondingly increased importance but less researched and understood This volume shows how accomplishing cultural policy encompasses a vast expanse of activities all unique but bound together as part of the continuous process of producing publicly subsidized art and culture for social and aesthetic purposes The chapters also explore a range of thematic tensions that commonly arise in accomplishing cultural policy such as the commercialization of arts and culture and counter reactions the challenges and means of

promoting inclusiveness the politics and effects of funding of the arts and culture and good governance and vested interests in the arts and culture Read together these vivid case studies present a broad and unique picture of the wider and interconnected accomplishing process by expounding on the middle ground between the policy formulation process and artistic and cultural production Adding a novel conceptual formulation to studies of cultural policy this book will appeal to practitioners scholars and advanced students with interests in the sociology of the arts and culture arts and culture management cultural policy and cultural governance *Cities, Nationalism and Democratization* Scott A.

Bollens,2007-04-11 Filling a gap in the peacemaking and conflict literatures market and including a set of over 100 interviews with local political and community leaders this book will be helpful to scholars international organizations and grassroots organizations *Henri Lefebvre and the Spanish Urban Experience* Benjamin Fraser,2011-09-19 An important contribution to the still evolving field of urban cultural studies Henri Lefebvre and the Spanish Urban Experience is the first book to thoroughly apply the French urban philosopher s thoughts on cities to the culture and literature of Spain Fraser shows how Lefebvre s complex view of the city as a mobile phenomenon is relevant to understanding a variety of Spanish cultural products from urban plans and short writings on the urban experience during the nineteenth century by Mariano Jos de Larra Ram n de Mesonero Ramanos and Ildefons Cerd to urban theories cultural practices and literary fiction of the twentieth by Luis Mart n Santos Juan Jos Mill s Juan Goytisolo and Manuel Delgado Ruiz He pushes on to interrogate even the appearance of Mediterranean space and Barcelona in recent video games Working through the direct and indirect resonance of the French philosopher s legacy in Spain a comprehensive first chapter grounds the reader in the key concepts of Lefebvre s urban theory that are explored throughout the book his critiques of static space modern urban planning knowledge alienation in everyday life and his emphasis on a method that underscores the importance of movement and rhythm Fraser compellingly shows how each of these aspects of Lefebvre s work relates to the others just as he ties together canonical and non traditional cultural products from Madrid and Barcelona **Iberian Worlds** Gary W. McDonogh,2009 A vivid reading of globalization through centuries of Iberian peoples places and encounters **Olympic Cities** John Robert Gold,John R. Gold,Margaret M. Gold,2007 This volume provides an overview of the changing relationship between cities and the Olympic Games starting from the year 1896 Blending critical conceptual insight with grounded case studies this book divided into three parts explores the historical experience of staging the Olympics from the point of view of the host city

Olympic Cities John Gold,Margaret Gold,2011-02-25 Olympic Cities provides the first full overview of the changing relationship between cities and the Olympic events since 1896 With eighteen specially commissioned and original essays written by a team of distinguished international authors it explores the historical experience of staging the Olympics from the point of view of the host city A thought provoking analysis of the relationship between Olympic festivals and urban spectacle it provides overviews of the urban impact of the four component Olympic festivals the Summer Games Winter Games Cultural

Olympiads and the Paralympics comprises systematic surveys of four key aspects of activity involved in staging the Olympics finance place promotion managing spectacle and urban regeneration consists of nine chronologically arranged portraits of host cities from 1936 to 2012 with particular emphasis on the first four Summer Olympic games of the twenty first century As controversy over the growing size and expense of the Olympics continues unabated this book s incisive and timely assessment of the Games development and the complex agendas that host cities attach to the event will be essential reading not only for urban and sports historians urban geographers planners and all concerned with understanding the relationship between cities and culture but for anyone with an interest in the staging of mega events

Architecture and Urban Form in Kuala Lumpur Yat Ming Loo, 2016-04-08 Kuala Lumpur the capital city of Malaysia is a former colony of the British Empire which today prides itself in being a multicultural society par excellence However the Islamisation of the urban landscape which is at the core of Malaysia s decolonisation projects has marginalised the Chinese urban spaces which were once at the heart of Kuala Lumpur Engaging with complex colonial and postcolonial aspects of the city from the British colonial era in the 1880s to the modernisation period in the 1990s this book demonstrates how Kuala Lumpur s urban landscape is overwritten by a racial agenda through the promotion of Malaysian Architecture including the world famous mega projects of the Petronas Twin Towers and the new administrative capital of Putrajaya Drawing on a wide range of Chinese community archives interviews and resources the book illustrates how Kuala Lumpur s Chinese spaces have been subjugated This includes original case studies showing how the Chinese re appropriated the Kuala Lumpur old city centre of Chinatown and Chinese cemeteries as a way of contesting state s hegemonic national identity and ideology This book is arguably the first academic book to examine the relationship of Malaysia s large Chinese minority with the politics of architecture and urbanism in Kuala Lumpur It is also one of the few academic books to situate the Chinese diaspora spaces at the centre of the construction of city and nation By including the spatial contestation of those from the margins and their resistance against the state ideology this book proposes a recuperative urban and architectural history seeking to revalidate the marginalised spaces of minority community and re script them into the narrative of the postcolonial nation state

Barcelona, City of Comics Benjamin Fraser, 2022-02-01 Barcelona City of Comics introduces readers of English to a range of Spanish and Catalan language comics published after the death of dictator Francisco Franco in 1975 During this time of palpable social change the Catalanian capital regained its reputation as the hub of comics publishing in Spain Comics collectives such as El Rollo and Butifarra as well as individual artists from Montse Clav to Mariscal contributed to a thriving comics subculture that drew from and pushed beyond the countercultural comics tradition in the United States As the Sal n Internacional del C mic de Barcelona 1981 drew greater attention to the city comics magazines teemed with graphic depictions of urban scenes On the comics page themes of architecture and city life were employed as social critique while the city of Barcelona itself increasingly solidified its reputation on the global stage through urban planning With a foreword by

Pere Joan Barcelona City of Comics delves into the relationship between comics and urbanism in one of Europe's most notable global cities

Brand-building Serena Vicari Haddock, 2010 The aim of this book is to contribute to a critical assessment of the literature on the creative city and to a clarification of some of the many questions that remain unanswered It is a collection of essays which in the first part addresses concepts and theories of urban development city marketing and branding presented as a framework in which the discourse of the creative city is embedded In the second part four case studies of cities considered to be emblematic of cultural industries Manchester Berlin Dublin and a comparative study of Milan and London serve to illustrate the social production of creativity in specific urban contexts

Thinking Barcelona Edgar Illas, 2012-01-01 Thinking Barcelona studies the ideologies that redefined Barcelona during the 1980s and helped the city adapt to a new economy of tourism culture and services Looking specifically at the lead up to the 1992 Olympic Games and the urban renewal geared toward establishing Barcelona as a happy combination of European cosmopolitanism and Mediterranean rootedness Edgar Illas situates Barcelona as a key example of contemporary urban rebranding after the fall of communism and the establishment of the neoliberal end of history Looking at a host of materials associated with the games as well as contemporary architectural and literary works he offers a compelling look at postmodern globalization as it manifests itself through urban regeneration

The European Dimension of British Planning Mark Tewdwr-Jones, Richard H. Williams, 2005-07-08 The UK government of Tony Blair is committed to fostering a European dimension of planning practice Significant developments in relation to planning within Europe are occurring The creation of the European Spatial Development Perspective the reform of the Structural Funds and the implementation of programmes to foster trans national co operation between governments will all impact on UK government and on planning system in particular Even within the UK devolution and regionalisation will bring new pressures for overall co ordination on the issue of European spatial planning Issues concerning the revisions of the Structural Funds in 2000 and 2006 and funding opportunities for local authorities are closely connected with the theme of this book More importantly it is expected that the link between funding and spatial policy within British planning will become more clearly defined during this period The European dimension of British planning as a consequence may grow significantly over the next few years The authors tackle four key issues in their discussion of this topic British political attitudes to Europeanisation issues The changing relationships between different arms of the state The often complex interdependencies between tiers of governance The rapidly changing definition of British urban and regional planning

Crime Scene Spain Renée W. Craig-Odders, Jacky Collins, 2014-01-10 This essay collection examines the changing cultural political and physical landscape of Spain as represented in Spanish crime fiction of the last three decades The first several essays focus on crime fiction set in Barcelona and look at among other topics the symbiotic relationship between the city and the detective in Francisco Gonzalez Ledesma's long running Inspector Mendez series Manuel Vazquez Montalban's treatments of the 1992 Summer Olympic Games and place and identity in Alicia

Gimenez Bartlett's Petra Delicado series Other essays examine regional and cultural illiteracy in Jorge Martinez Reverte's Galvez series and Spain's changing urban centers as represented in Andreu Martin's El blues de la semana mas negra

The Icon Project Leslie Sklair, 2017 The Icon Project argues that the transnational capitalist class mobilizes two forms of iconic architecture unique icons recognized as works of art notably designed by global architects such as Frank Gehry and Zaha Hadid and typical icons copying elements of unique icons to promote the same ideological message the culture ideology of consumerism Rebel Cities: From the Right to the City to the Urban Revolution David Harvey, 2012-04-04 Manifesto on the urban commons from the acclaimed theorist Disconnected Innovations Stan Majoor, 2008 In this study the focus is on the innovative aspiration evident in some of the latest generation of projects to create a mixed use economic and urban area
