**The Devil's Gentleman** Harold Schechter, 2008-09-30 From renowned true crime historian Harold Schechter whom *The Boston Book Review* hails as America's principal chronicler of its greatest psychopathic killers comes the riveting exploration of a notorious sensational New York City murder in the 1890s the fascinating forensic science of an earlier age and the explosively dramatic trial that became a tabloid sensation at the turn of the century Death was by poison and came in the mail A package of Bromo Seltzer had been anonymously sent to Harry Cornish the popular athletic director of Manhattan's elite Knickerbocker Athletic Club Cornish barely survived swallowing a small dose his cousin Mrs Katherine Adams died in agony after ingesting the toxic brew Scandal sheets owned by Hearst and Pulitzer eagerly jumped on this story of fatal high society intrigue speculating that the devious killer was a chemist a woman or an effeminate man Forensic studies suggested cyanide as the cause of death handwriting on the deadly package and the vestige of a label glued to the bottle pointed to a handsome athletic society scamp Roland Molineux The wayward son of a revered Civil War general Molineux had clashed bitterly with Cornish before He had even furiously denounced Cornish when penning his resignation from the Knickerbocker Club a letter that later proved a major clue Bon vivant Molineux had recently wed the sensuous Blanche Chesebrough an opera singer whose former

lover Henry Barnet had also recently died after taking medicine sent to him through the mail Molineux's subsequent indictment for murder led to two explosive trials a sex infused scandal that shocked the nation and a lurid print media circus that ended in madness and a proud family's disgrace In bold brilliant strokes Schechter captures all the colors of the tumultuous legal case gathering his own evidence and tackling subjects no one dared address at the time all in hopes of answering the tantalizing question What powerfully dark motives could drive the wealthy scion of an eminent New York family to foul murder Schechter vividly portrays the case's fascinating cast of characters including Julian Hawthorne son of Nathaniel Hawthorne a prolific yellow journalist who covered the story and proud General Edward Leslie Molineux whose son's ignoble deeds besmirched a dignified national hero's final years All the while Schechter brings alive Manhattan's Gilded Age a gaslit world of elegant town houses and hidden bordellos chic restaurants and shabby opium dens a city peopled by men and women fighting and losing the battle against urges an upright era had ordered suppressed Superbly researched and powerfully written *The Devil's Gentleman* is an insightful gripping work a true crime historian's crowning achievement
