Tales Of Jesus:

Tales of Jesus Leonard Matthews,1982 Includes eight stories retelling the life and parables of Jesus Christ **Tales of the Unexpected** Melvin Tinker,Nathan Buttery,2006 At Christmas time whilst singing carols about gentle Jesus meek and mild we can miss that this time dividing man had an edge about what he had to say His parables are sometimes not nice spiritual stories They capture the imagination they paint timeless pictures but they are also more than that When you read you get the unnerving sense that through them Jesus can see right through you They can be unsettling challenging able to change you that the sense of shame and lost ness that we often feel may be provided with answers in what he has to say The Parable was an unusual form of teaching to Jesus hearers the Old Testament has only one main example yet one third of Jesus recorded words in the New Testament are parables If these stories were so important to him they should also be important to us Jesus was a communications genius his parables convey important spiritual truths appealing to young and old rich and poor educated and non educated because they are a not just a story to be understood they are a spiritual temperature gauge Deceptively simple often taken from everyday Palestinian life the parables are not just aimed to inform don t even stop at transforming peoples lives but go further to become part of the means Jesus uses to secure faith in men and women s hearts they put us in touch with his mind Stories of Jesus Joseph Girzone,2013-12-16 Stories of Jesus provides a portrait of Our Lord in a day by day reflection format based on the Gospel accounts of his life and teachings Through these reflections the author of the Joshua books introduces Jesus and his adult ministry from his baptism by John the Baptist through his public life and work to his death and resurrection pausing along the way to focus on the important people and events of Jesus s world This creative approach to the life of Jesus will inspire a sense of God s Son as someone who is a constant companion as we walk though our own lives one who understands guides and loves us with deep affection The audio edition of this book can be downloaded via Audible *Tales of Evil and Good* Phillip Duke,John Donne,Leo Tolstoy,2001-01-17 Tales Of Evil And Good contains six powerfully drawn vivid and knowledgable presentations on the subjects of Evil And Good Four are original never previously published stories by the author Their Titles Subjects are How Evil Became Good One Man s Path To Redemption Jesus Wept Evil s Ultimate Nature Sherlock Holmes And The Alien Abduction Evil From Afar Shark Torture A Combat Between Evil And Good There is also the Reformer Count Leo Tolstoy s famous Russian folk story What Men Live By And the famous XVII Meditation No Man Is An Island by Preacher John Donne Each tale is introduced with an informative interesting presentation Introduction by the Author Editor This is not your usual Religious story book for adults be warned Tales Of Evil And Good is definitely NOT for the squeamish Stories of Jesus Juliet Juliet,2019-09-20 Perfect for young children read and share stories about Jesus and those that he told From the popular 99 Stories from the Bible each lively narrative is simply told across a double page spread with bold engaging illustrations that bring the story to life Join Jesus changing water into wine at the wedding party choosing his disciples healing feeding a
