Tales Of Sri Thanonchai Thailand's Artful Trickster:

Tales of Sri Thanonchai, Thailand's Artful Trickster Maenduan Tipaya, 1991 *Readings of the Vessantara Jātaka* Steven Collins, 2016-03-29 The Vessantara Jataka tells the story of Prince Vessantara who attained the Perfection of Generosity by giving away his fortune his children and his wife Vessantara was the penultimate rebirth as a human of the future Gotama Buddha and his extreme charity has been represented and reinterpreted in texts sermons rituals and art throughout South and Southeast Asia and beyond This anthology features well respected anthropologists textual scholars in religious and Buddhist studies and art historians who engage in sophisticated readings of the text and its ethics of giving understanding of attachment and nonattachment depiction of the trickster and unique performative qualities They reveal the story to be as brilliantly layered as a Homeric epic or Shakespearean play with aspects of tragedy comedy melodrama and utopian fantasy intertwined to problematize and scrutinize Theravada Buddhism's cherished virtues *Muslims and Matriarchs* Jeffrey Hadler, 2013-11-15 *Muslims and Matriarchs* is a history of an unusual probably heretical and ultimately resilient cultural system The Minangkabau culture of West Sumatra Indonesia is well known as the world's largest matrilineal culture Minangkabau people are also Muslim and famous for their piety In this book Jeffrey Hadler examines the changing ideas of home and family in Minangkabau from the late eighteenth century to the 1930s Minangkabau has experienced a sustained and sometimes violent debate between Muslim reformists and preservers of indigenous culture During a protracted and bloody civil war of the early nineteenth century neo Wahhabi reformists sought to replace the matriarchate with a society modeled on that of the Prophet Muhammad In capitulating the reformists formulated an uneasy truce that sought to find a balance between Islamic law and local custom With the incorporation of highland West Sumatra into the Dutch empire in the aftermath of this war the colonial state entered an ongoing conversation These existing tensions between colonial ideas of progress Islamic reformism and local custom ultimately strengthened the matriarchate The ferment generated by the trinity of oppositions created social conditions that account for the disproportionately large number of Minangkabau leaders in Indonesian politics across the twentieth century The endurance of the matriarchate is testimony to the fortitude of local tradition the unexpected flexibility of reformist Islam and the ultimate weakness of colonialism *Muslims and Matriarchs* is particularly timely in that it describes a society that experienced a neo Wahhabi jihad and an extended period of Western occupation but remained intellectually and theologically flexible and diverse *Of Beggars and Buddhas* Katherine A. Bowie, 2017-02-21 An exploration of subversive ribald variations of the most important story in Theravada Buddhism *Sojourners and Settlers* Anthony Reid, 2001-04-01 Only recently has the role of Chinese minorities at the forefront of Southeast Asia's rapid economic growth attracted world attention Yet interactions between Chinese and Southeast Asians are longstanding and intense reaching back a thousand years and making it difficult if not specious to attempt to disentangle what is Chinese and what is indigenous in much of Southeast Asian culture *Sojourners and Settlers* now back in print written

by some of the most distinguished specialists in the field demonstrates the depth of that relationship Contributors Leonard Bluss Mary Somers Heidhues Jamie C Mackie Anthony Reid Craig Reynolds Claudine Salmon G William Skinner Wang Gungwu O W Wolters Folk Narrative and World View International Society for Folk Narrative Research. Library of Congress Office, Jakarta,1992 **Culture and Customs of Thailand** Arne Kislenko,2004-05-30 Thailand is rapidly industrializing dramatically improving the living standards of its people and gradually developing a more democratic society Despite such profound changes traditional Thai culture has not only survived but has also in many respects prospered Although famous for its food and despite its increasing popularity as a tourist destination Thailand remains relatively unknown to most Westerners Culture and Customs of Thailand presents the traditional culture and customs against the backdrop of modern times Thailand has always been an important Southeast Asian country With a long reigning monarchy it is the only country in the region that has never been colonized by a Western power or suffered bloody revolutions and wars It was the first Asian country to establish diplomatic relations with the United States and has remained a constant ally Thailand has emerged as a

considerable economic force as the world's largest rice and rubber producer and remains a regional political power. Against this historical framework Kislenco deftly introduces the traditional and modern strands of the dominant Buddhist faith and other religions such as animism. Coverage includes literature, the arts, architecture, including the Thai Wat, food and dress, gender and marriage, festivals and fun, and social customs. Kislenco also balances the portrait with discussions of threats from globalization, AIDS and sex tourism, the drug trade and corruption in business and government. Evocative photos, a country map, a timeline and a chronology complete the coverage.
