Tales of St. Austin's Sir Pelham Grenville Wodehouse, 2004-01-01

Pillingshot was annoyed He was disgusted mortified no other word for it He had no objection of course to Mr Mellish saying that his work during the term and especially his Livy had been disgraceful A master has the right to say that sort of thing if he likes It is one of the perquisites of the position But when he went on to observe without a touch of shame that there would be an examination in the Livy as far as they had gone in it on the following Saturday Pillingshot felt that he exceeded It was not playing the game There were the examinations at the end of term Those were fair enough You knew exactly when they were coming and could make your arrangements accordingly But to spring an examination on you in the middle of the term out of a blue sky as it were was underhand and unsportsmanlike and would not do at all Pillingshot wished that he could put his foot down He would have liked to have stalked up to Mr Mellish s desk fixed him with a blazing eye and remarked Sir withdraw that remark Cancel that statement instantly or or words to that effect What he did say was Oo si i r Yes said Mr Mellish not troubling to conceal his triumph at Pillingshot s reception of the news there will be a Livy examination next Saturday And he almost intoned this last observation anybody who does not get fifty per cent Pillingshot fifty per cent will be severely punished Very severely punished Pillingshot After which the lesson had proceeded on its course Yes it is rather low isn t it said Pillingshot s friend Parker as Pillingshot came to the end of a stirring excursus on the rights of the citizen with special reference to mid term Livy examinations That s the worst of Mellish He always has you somehow But what am I to do raved Pillingshot I should advise you to swot it up before Saturday said Parker Oh don t be an ass said Pillingshot irritably What was the good of friends if they could only make idiotic suggestions like that

He retired brooding to his house The day was Wednesday There were only two more days therefore in which to prepare a quarter of a book of Livy It couldn't be done The thing was not possible In the house he met Smythe What are you going to do about it he inquired Smythe was top of the form and if he didn't know how to grapple with a crisis of this sort who could know If you'll kindly explain said Smythe what the dickens you are talking about I might be able to tell you Pillingshot explained with unwonted politeness that it meant the Livy examination Oh said Smythe airily that I'm just going to skim through it in case I've forgotten any of it Then I shall read up the notes carefully And then if I have time I shall have a look at the history of the period I should advise you to do that too
