It offers a comprehensive theorization of the literary magazine in the wake of developments in periodical studies in the last decade, bringing together a wide variety of approaches and concerns. With its distinctive chronological and geographical scope, this volume sheds new light on the possibilities and difficulties of the concept of the literary magazine, balancing a comprehensive overview of key themes and examples with greater attention to new approaches to magazine research. Divided into three main sections, this book offers: Theory, it investigates definitions and limits of what a literary magazine is and what it does; History and regionalism, a very broad historical and geographic sweep draws new connections and offers expanded definitions; Case studies, these range from key modernist little magazines and the popular middlebrow to pulp fiction, comics, and digital ventures, widening the ambit of the literary magazine. *The Routledge Companion to the British and North American Literary Magazine* offers new and unforeseen cross-connections across the long history of literary periodicals, highlighting the ways in which it allows us to trace such ideas as the literary as well as notions of what magazines do in a culture *The Modern Weird Tale* S.T. Joshi, 2015-11-16 This is a critical study of many of the leading writers of horror and supernatural fiction since World War II. The primary purpose is to establish a canon of weird literature and to distinguish the genuinely meritorious writers of the past fifty years from those who have obtained merely transient popular renown. Accordingly, the author regards the complex, subtle work of Shirley Jackson, Ramsey Campbell, Robert Aickman, T.E.D. Klein, and Thomas Ligotti as considerably superior to the best sellers of Stephen King, Clive Barker, Peter Straub, and Anne Rice. Other writers such as William Peter Blatty, Thomas Tryon, Robert Bloch, and Thomas Harris are also discussed. Taken as a whole, the volume represents a pioneering attempt to chart the development of weird fiction over the past half-century.
