**Storytelling and Ecology** Anthony Nanson, 2021-06-17 Finalist in the PROSE Award 2022 for Language Linguistics Awarded Honors at the Storytelling World Awards 2022 Linking the ongoing ecological crisis with contemporary conditions of alienation and disenchantment in modern society this book investigates the capacity of oral storytelling to reconnect people to the natural world and enchant and renew their experience of nature place and their own existence in the world Anthony Nanson offers an in depth examination of how a diverse ecosystem of oral stories and the dynamics of storytelling as an activity can catalyse different kinds of conversation and motivation helping us resist the discourse of powerful vested interests Detailed analysis of traditional true life and fictional stories shows how spoken narrative language can imbue landscapes creatures and experiences with enchantment and mediate between the inner world of consciousness and outer world of ecology and community A pioneering ecolinguistic and ecocritical study of oral storytelling in the modern world Storytelling and Ecology offers insight into the ways that sharing stories in each other s embodied presence can open up spaces for transformation in our relationships with the ecological world around us

Encyclopedia of Feminist Literature Mary Ellen Snodgrass, 2014-05-14 An accessible one volume encyclopedia this addition to the Literary Movements series is a comprehensive reference guide to the history and development of feminist literature from early fairy tales to works by great women writers of today Hundred

**Winners without Losers** Edward J. Lincoln, 2018-10-18 In the two decades since the United States became the world s only superpower policymakers in Washington have seemingly abandoned many tools of statecraft and instead now rely on U S military strength as the key and sometimes the sole element of its global strategy Yet economists see a world in which the salience of military power has been shrinking as greater affluence and deepening interdependence transform the global economy In **Winners without Losers** Edward J Lincoln a highly regarded economist contends that the best chance the United States has of ensuring peace and prosperity for itself and for the rest of the world will be found at conference tables rather than on the battlefield Shining a spotlight on foreign trade policy as an agent for political change this cogent and well argued book urges policymakers the business community and citizens to find a path to increased stability by forging stronger international economic ties Interdependence is founded on cooperation with other nations and in particular on multilateral institutions Over the past five years in particular American policy has moved strongly away from cooperation and in a single minded pursuit of the war against global terror has largely ignored economic issues Extending the scope of his previous work which started with the economic transformations of postwar Japan and more recently considered the evolution of economic linkages and cooperation

in East Asia Lincoln applies regional lessons to the world stage More than a critique of current policies Winners without Losers argues for a transformation of American foreign policy that recognizes the new realities of the globalized world realities that America's leaders ignore at the nation's peril

**The Fall and Rise of Keynesian Economics** John Eatwell, Murray Milgate, 2011-06-16 The simple message of Eatwell Milgate's Fall and Rise of Keynesian Economics is that it was inevitable that Keynesian economics would rise again when circumstances conspired to make it apparent that conventional macroeconomic thinking had lost its way and was unable to explain satisfactorily the most outstanding feature of our actual experience financial instability and its effect on real economic activity

*Neuropsychopharmacology and Therapeutics* Ivor Ebenezer, 2015-06-05 Neuropsychopharmacology is a relatively new subject area in the neurosciences It is a field of study that describes the effects of drugs from the molecular to the behavioural level and requires integration and synthesis of knowledge from various disciplines including neuroanatomy physiology molecular biology pharmacology and the behavioural sciences The principal aims of this book are to provide students with a clear understanding of CNS disorders and an appreciation of how basic and clinical research findings can be translated into therapeutics After an introduction to the subject area the remaining chapters are focused on reviewing the main psychiatric and neurological disorders that are covered in most courses They are discussed in terms of their clinical symptoms epidemiology pathology aetiology underlying neurobiological and neurochemical mechanisms pharmacotherapy adjunctive non pharmacological treatments and clinical outcomes Each chapter of the book is a stand alone chapter and is written in a clear accessible style Written by an author with many years teaching and research experience this textbook will prove invaluable for students of pharmacology pharmacy and the medical sciences needing a truly integrated introduction to this exciting field

**Through an Unknown Country** Mike Murtha, Charles Helm, 2015 Based on previously unpublished reports and journals thought to be lost Through An Unknown Country provides the reader with a harrowing and riveting account of a 19th century expedition through the northern mountain ranges of western Canada In the winter of 1874-75 Edward Worrell Jarvis 1846-1894 and Charles Francis Hanington 1848-1930 took part in an expedition on behalf of the Canadian Pacific Survey from Quesnel British Columbia to Winnipeg Manitoba It led them over the northern Rocky Mountains through what would come to be known as Jarvis Pass Kakwa Provincial Park British Columbia and eventually onto the Canadian plains The trip took them 116 days and covered over 3000 kilometres of which almost 1500 was travelled on snowshoes Through An Unknown Country brings together the day to day reports of Jarvis and the more entertaining narrative of the epic journey by Hanington into a single volume for the first time Recounting harrowing treks through deep mountains densely forested valleys open foothills and wide prairie this highly readable adventure story can most certainly be read alongside the better known journals of Alexander Mackenzie Simon Fraser David Thompson and Paul Kane

**Fairytales Slashed** Megan Derr, Fairytales never grow old because there is never an end of new ways to tell them new ways to see them In this collection see what happens when a wolf and a hunter

try to stop an evil witch who's stealing children when a prince conspires with bandits and a former thief seeks shelter in a lone tower See a goblin try to save his brother and a tutor watch over his perfect princess while a shy prince braves a mountain in the name of love See what happens when a runaway prince must be tracked down when dark rumors surface a gloomy castle and when a young man saves a little girl and a lonely soldier hunts down a band of robbers See a stable boy save his best friend and a prince save his mother while a humble gardener faces down a terrible beast and a poor young man befriends a troll Watch what unfolds when a sad young man is bound to a toad and a prince confronts an evil witch and a quiet mage seeks to break a terrible curse Author's Note This version has changed slightly from previous editions Main Gauche has been removed to be put somewhere else with its companion stories and Wolf given has been put in its place All else remains the same

The Man, John D. Spreckels Henry Austin Adams, 1924 John Diedrich Spreckels was the son of German American industrialist Claus Spreckels founded a transportation and real estate empire in San Diego California in the late 19th and early 20th centuries The entrepreneur's many business ventures included the Hotel del Coronado and the San Diego and Arizona Railway both of which are credited with helping San Diego develop into a major commercial center Upon his death he was eulogized as One of America's few great Empire Builders who invested millions to turn a struggling bankrupt village into the beautiful and cosmopolitan city San Diego is today This biography explores his life *The Crimson Letter* Douglass Shand-Tucci, 2004-06-01 In a book deeply impressive in its reach while also deeply embedded in its storied setting bestselling historian Douglass Shand Tucci explores the nature and expression of sexual identity at America's oldest university during the years of its greatest influence The Crimson Letter follows the gay experience at Harvard in the nineteenth and twentieth centuries focusing upon students faculty alumni and hangers on who struggled to find their place within the confines of Harvard Yard and in the society outside Walt Whitman and Oscar Wilde were the two dominant archetypes for gay undergraduates of the later nineteenth century One was the robust praise singer of American democracy embraced at the start of his career by Ralph Waldo Emerson the other was the Oxbridge aesthete whose visit to Harvard in 1882 became part of the university's legend and lore and whose eventual martyrdom was a cautionary tale Shand Tucci explores the dramatic and creative oppositions and tensions between the Whitmanic and the Wildean the warrior poet and the salon dazzler and demonstrates how they framed the gay experience at Harvard and in the country as a whole The core of this book however is a portrait of a great university and its community struggling with the full implications of free inquiry Harvard took very seriously its mission to shape the minds and bodies of its charges who came from and were expected to perpetuate the nation's elite yet struggled with the open expression of their sexual identities which it alternately accepted and anathematized Harvard believed it could live up to the Oxbridge model offering a sanctuary worthy of the classical Greek ideals of male association yet somehow remain true to its legacy of respectable austerity and Puritan self denial The Crimson Letter therefore tells stories of great unhappiness and manacled minds as well as stories of triumphant activism and fulfilled

promise Shand Tucci brilliantly exposes the secrecy and codes that attended the gay experience showing how their effects could simultaneously thwart and spark creativity He explores in particular the question of gay sensibility and its effect upon everything from symphonic music to football set design to statecraft poetic theory to skyscrapers The Crimson Letter combines the learned and the lurid tragedy and farce scandal and vindication and figures of world renown as well as those whose influence extended little farther than Harvard Square Here is an engrossing account of a university transforming and transformed by those passing through its gates and of their enduring impact upon American culture

**Travel Fails and Epic Tales** Scotty Boxa, 2025-06-01 Ready for the Wildest Ride of Your Life Alright let's get one thing straight this book isn't about perfectly curated Instagram worthy vacations Nope It's about those real messy what the hell moments that turn into unforgettable stories If you've ever dreamt of packing a bag hitting the road and making some truly questionable decisions along the way you'll feel right at home here In Travel Fails and Epic Tales things don't just go wrong they go hilariously catastrophically wrong Tuk tuks that veer into chaos judgmental kangaroos hangovers you'd rather forget it's all part of the ride And trust me you're coming along for every laugh cringe and why did I do that moment This isn't your average travel memoir with poetic descriptions of sunsets It's fast funny and packed with those unpredictable moments that make travel worth it Scotty Boxa doesn't just tell you about his adventures he drags you into the madness making you want to embrace every messy chaotic and unforgettable second of your next trip By the end of this wild ride you won't just be inspired to travel You'll be inspired to travel recklessly laugh at your own mistakes and turn every mishap into a story worth telling
