presence but equally in terms of an increasingly visible cultural presence Food fashion TV film religion sport popular music ideas about management and social relationships and even local literatures have been profoundly impacted by the flows of cultural influences from Japan This volume examines these flows and their consequences in Singapore a Southeast Asian society in which the Japanese presence is so visible as to make it a regional paradigm for a study of cultural influence in the region *Foreign Employees In Nineteenth Century Japan* Edward R Beauchamp,2019-05-20 The product of research by US and Japanese scholars this book is an assessment of the work of individual yatoi and their contributions to the rapid development that characterized Meiji Japan 1868 1912 The Routledge Handbook of Pidgin and Creole Languages Umberto Ansaldi,Miriam Meyerhoff,2020-11-29 The Routledge Handbook of Pidgin and Creole Languages offers a state of the art collection of original contributions in the area of Pidgin and Creole studies Providing unique and equal coverage of nearly all parts of the world where such languages are found as well as situating each area within a rich socio historical context this book presents fresh and diverse interdisciplinary perspectives from leading voices in the field Divided into three sections its analysis covers Space and place areal perspective on pidgin and creole languages Usage function and power sociolinguistic and artistic perspectives on pidgins and creoles creoles as sociocultural phenomena Framing of the study of pidgin and creole languages history of the field interdisciplinary connections Demonstrating how fundamentally human and natural these communication systems are how rich in expressive power and sophisticated in their complexity The Routledge Handbook of Pidgin and Creole Languages is an essential reference for anyone with an interest in this area **The Discourse of Negotiation** A. Firth,2014-06-28 The study of negotiation has attracted considerable scholarly attention in recent decades yet rarely have discourse analysts applied their particular concerns and interests to the phenomenon Although a fundamental characteristic of negotiation is linguistic action the detailed study of negotiation as a communicative discourse activity is in its infancy In the first collection of its kind Alan Firth has brought together 14 original studies of negotiation discourse Drawing on insights and methodologies from discourse and conversation analysis pragmatics ethnography and ethnomethodology the book examines negotiations in a wide range of workplaces including the US Federal Trade Commission management union meetings doctors surgeries travel agencies international trading houses in Denmark Belgium and Australia Swedish social welfare offices and consumer helplines Collectively the book explores the notion of negotiation both as a formal encounter and as a gloss for more informal decision making activities Questions specifically addressed include what is the interactional character of negotiation How are negotiations related to the work context And how are negotiations undertaken linguistically as discourse based activities Answers are sought by utilising transcripts of real life instances of negotiation This allows for finely detailed descriptions of the observed activities providing important insight into the discourse context relationship the interactional bases of work activities and the communicative processes of negotiation *Fixed Expressions* Ritva Laury,Tsuyoshi Ono,2020-11-15 This volume concerns the structure and use of fixed

expressions in a range of typologically genetically and areally distinct languages The chapters consider the use contexts of fixed expressions at the same time taking seriously the need to account for their structural aspects Formulaicity is taken here as a central feature of everyday language use and fixed expressions as a basic utterance building resource for interaction Our crosslinguistic investigation suggests that humans have the propensity to automatize ways to handle various discourse level needs for specific sequential contexts by creating semi fixed expressions based on frequent patterns The chapters examine topics such as the degrees and types of fixedness the emergence of fixed expressions their connection to social action the new understanding of traditional linguistic categories in light of fixedness crosslinguistic variation in types of fixed expressions as well as their non verbal aspects The volume situates the notion of units of language at the intersection of interaction and formal structure as part of a larger effort to replace rule based conceptions of language with a more dynamic realistic and pragmatically based model of language The articles are based on naturally occurring data mostly everyday conversation in English Estonian Finnish Japanese and Mandarin with some crosslinguistic comparison

**The Japanese Colonial Empire, 1895-1945** Ramon H. Myers, Mark R. Peattie, 1984 These essays by thirteen specialists from Japan and the United States provide a comprehensive view of the Japanese empire from its establishment in 1895 to its liquidation in 1945 They offer a variety of perspectives on subjects previously neglected by historians the origin and evolution of the formal empire which comprised Taiwan Korea Karafuto the Kwantung Leased Territory and the South Seas Mandated Islands the institutions and policies by which it was governed and the economic dynamics that impelled it Seeking neither to justify the empire nor to condemn it the contributors place it in the framework of Japanese history and in the context of colonialism as a global phenomenon Contributors are Ching chih Chen Edward I te Chen Bruce Cumings Peter Duus Lewis H Gann Samuel Pao San Ho Marius B Jansen Mizoguchi Toshiyuki Ramon H Myers Mark R Peattie Michael E Robinson E Patricia Tsurumi Yamada Sabur Yamamoto Y zo

*A Language Management Approach to Language Problems* Goro Christoph Kimura, Lisa Fairbrother, 2020-05-20 In recent years there has been increased interest in examining the treatment of language problems across different levels of society ranging from individual interactional issues to language policy and planning at the national or supra national level Among the various approaches to tackle this issue Language Management Theory LMT provides a framework to address behaviour towards language problems on different levels explicitly and comprehensively Using LMT as a unifying theoretical concept the chapters in this volume examine the links between micro and macro dimensions in their analyses of a variety of language problems in Asian and European contexts This body of work illustrates that the LMT framework is able to show the characteristics of different dimensions clearly especially when combined with a conceptualization of the micro and macro as a continuum of intertwining elements This volume will appeal both to those interested in language policy and planning as well as those interested in interaction between speakers from different language backgrounds
