Sexperiment Ed Young, Lisa Young, 2012-01-10 The predominant message in our culture is that it's okay to have sex whenever wherever and however we want Sex has become just sex But while society has taken sex too far the church hasn't taken it far enough God wants couples to make love in marriage with passion with purpose and with pleasure Marriages aren't experiencing all the benefits that come from a healthy sex life Couples are facing a barrage of influences that keep them from connecting with each other regularly the kids the career the house the errands etc SEXPERIMENT shows people that sex in marriage is more than just sex and it's more than a chore The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly intentionally and creatively SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks **How to Create Real Wealth** Shamarion Whitaker, 2009-08 How to Create Real Wealth is every woman's guide to investing in things money can't buy It's a practical and spiritual guide that will inspire a new perspective on your view of wealth while

Marriage Dr. Mark Avery Reed,2025-01-02 A hopeless spouse doesn t mean a hopeless marriage Have you ever felt hopeless about your marriage improving because it seems that your spouse is unwilling to change You don t think your marriage can get better because you believe your spouse is hopelessly unwilling to change and you assume that their changing is necessary for marital improvement to begin That assumption is wrong Seemingly stubborn resistance to change can be overcome However it needs to start with us not with our spouse This book provides many ways we can act differently to increase the chances our marriage will eventually get better These are changes we can make that will cause us to be much more attractive to a normal spouse and in time is likely to soften them so they do end up changing We are not manipulating them to change but making improvements in ourself and in how we interact with our spouse As a result our interactions with them are different better The changes recommended in this book are not complicated or too difficult for a normal person to do In addition they don t all have to be done at the same time You could choose the approach that is doable for you then add in others later A few of these include acting like a better friend to your spouse improving your manners with them and or frequently expressing gratitude to them Improve your marriage by improving yourself The New Testament: High School
