The Guide to the Perplexed Moses Maimonides, 2024-05-28 A landmark new translation of the most significant text in medieval Jewish thought Written in Arabic and completed around 1190 the Guide to the Perplexed is among the most powerful and influential living texts in Jewish philosophy a masterwork navigating the straits between religion and science logic and revelation The author Rabbi Moses ben Maimon commonly known as Maimonides or as Rambam was a Sephardi Jewish philosopher jurist and physician He wrote his Guide in the form of a letter to a disciple But the perplexity it aimed to cure might strike anyone who sought to square logic mathematics and the sciences with biblical and rabbinic traditions In this new translation by philosopher Lenn E Goodman and historian Phillip I Lieberman Maimonides warm conversational voice and clear explanatory language come through as never before in English Maimonides knew well the challenges facing serious inquirers at the confluence of the two great streams of thought and learning that Arabic writers labeled aql and naql reason and tradition The aim of the Guide he wrote is to probe the mysteries of physics and metaphysics But mysteries to Maimonides were not conundrums to be celebrated for their obscurity They were problems to be solved Maimonides methods and insights resonate throughout the work of later Jewish thinkers rationalists and mystics and in the work of philosophers like Thomas Aguinas Spinoza Leibniz and Newton The Guide continues to inspire inquiry discovery and vigorous debate among philosophers theologians and lay readers today Goodman and Lieberman's extensive and detailed commentary provides readers with historical context and philosophical enlightenment giving generous access to the nuances complexities and profundities of what is widely agreed to be the most significant textual monument of medieval Jewish thought a work that still offers a key to those who hope to harmonize religious commitments and scientific understanding the Perplexed of Maimonides Moses Maimonides, 1885 Monologion Saint Anselm (Archbishop of Canterbury), 1995

The Guide of the Perplexed Moses Maimonides, Daniel H. Frank, 1995-10-01 The reissue of Guttmann's edition of Rabin's translation is a welcome event There has long been a need for a readable judicious edition for classroom use of this large and complex work Michael L Morgan Indiana University Maimonides' "Guide of the Perplexed" in Translation Josef Stern, James T. Robinson, Yonatan Shemesh, 2019-08-15 Moses Maimonides's Guide of the Perplexed is the greatest philosophical text in the history of Jewish thought and a major work of the Middle Ages For almost all of its history however the Guide has been read and commented upon in translation in Hebrew Latin Spanish French English and other modern languages rather than in its original Judeo Arabic This volume is the first to tell the story of the translations and translators of Maimonides Guide and its impact in translation on philosophy from the Middle Ages to the present day A collection of essays by scholars from a range of disciplines the book unfolds in two parts The first traces the history of the translations of the Guide from medieval to modern renditions The second surveys its influence in translation on Latin scholastic early modern and contemporary Anglo American philosophy as well as its impact in translation on current scholarship

Interdisciplinary in approach this book will be essential reading for philosophers historians and religious studies scholars alike The Guide for the Perplexed Moses Maimonides, Before the sun of Eli had set the sun of Samuel had risen Before the voice of the prophets had ceased to guide the people the Interpreters of the Law the Doctors of the Talmud had commenced their labours and before the Academies of Sura and of Pumbadita were closed centres of Jewish thought and learning were already flourishing in the far West The circumstances which led to the transference of the head guarters of Jewish learning from the East to the West in the tenth century are thus narrated in the Sefer ha kabbalah of Rabbi Abraham ben David After the death of Hezekiah the head of the Academy and Prince of the Exile the academies were closed and no new Geonim were appointed But long before that time Heaven had willed that there should be a discontinuance of the pecuniary gifts which used to be sent from Palestine North Africa and Europe Heaven had also decreed that a ship sailing from Bari should be captured by Ibn Romanis commander of the naval forces of Abd er rahman al nasr Four distinguished Rabbis were thus made prisoners Rabbi ushiel father of Rabbi ananel Rabbi Moses father of Rabbi anok Rabbi Shemarjahu son of Rabbi El anan and a fourth whose name has not been recorded They were engaged in a mission to collect subsidies in aid of the Academy in Sura The captor sold them as slaves Rabbi ushiel was carried to Kairuan R Shemarjahu was left in Alexandria and R Moses was brought to Cordova These slaves were ransomed by their brethren and were soon placed in important positions When Rabbi Moses was brought to Cordova it was supposed that he was uneducated In that city there was a synagogue known at that time by the name of Keneset ha midrash and Rabbi Nathan renowned for his great piety was the head of the congregation The members of the community used to hold meetings at which the Talmud was read and discussed One day when Rabbi Nathan was expounding the Talmud and was unable to give a satisfactory explanation of the passage under discussion Rabbi Moses promptly removed the difficulty and at the same time answered several questions which were submitted to him Thereupon R Nathan thus addressed the assembly I am no longer your leader that stranger in sackcloth shall henceforth be my teacher and you shall appoint him to be your chief The admiral on hearing of the high attainments of his prisoner desired to revoke the sale but the king would not permit this retraction being pleased to learn that his Jewish subjects were no longer dependent for their religious instruction on the schools in the East Henceforth the schools in the West asserted their independence and even surpassed the parent institutions The Caliphs mostly opulent gave every encouragement to philosophy and poetry and being generally liberal in sentiment they entertained kindly feelings towards their Jewish subjects These were allowed to compete for the acquisition of wealth and honour on equal terms with their Mohammedan fellow citizens Philosophy and poetry were consequently cultivated by the Jews with the same zest as by the Arabs Ibn Gabirol Ibn asdai Judah ha levi ananel Alfasi the Ibn Ezras and others who flourished in that period were the ornament of their age and the pride of the Jews at all times The same favourable condition was maintained during the reign of the Omeyades but when the Moravides and the Almohades came into power the horizon darkened once more and

misfortunes threatened to destroy the fruit of several centuries Amidst this gloom there appeared a brilliant luminary which sent forth rays of light and comfort this was Moses Maimonides The Guide for the Perplexed Moses Maimonides, 1910
