and hosts slaughtered most of them and scattered the survivors Suddenly to be a Shari a is proscribed and to be caught practicing their magic is to be hunted to the death In MOTHER OCEAN DAUGHTER SEA Brierly was a secret healer who was betrayed by someone she had trusted In SEA LARK S SONG exposed as a Shari a healer on the run and now aware of a secret truth about what had happened to her people and in love with one who may put her life at risk even more Brierly must hide in the mountains and sort her way through a tangle of secrets as she attempts to bring her lost people and their magical healing power back into the world Her true love faces an almost overwhelming challenge he must struggle against centuries of fear hatred secrecy and conspiracy to turn his own people away from the commitment to destruction If he does not not only will Brierly and her people s survival be at risk but his own people may end up facing a similar fate as destructive as the one they had wrought upon the Shari a
