The Hairy Ape A Comedy Of Ancient And Modern Life

Kurt Eisen

The Hairy Ape A Comedy Of Ancient And Modern Life:

The Hairy Ape Eugene O'Neill, 1922 **The Hairy Ape** Eugene O'Neill, 2018-01-16 The Hairy Ape is a 1922 expressionist play by American playwright Eugene O'Neill. It is about a brutish unthinking laborer known as Yank, the protagonist of the play, as he searches for a sense of belonging in a world controlled by the rich. The Hairy Ape is a portrayal of the impact industrialization and social class has on the dynamic character Yank. **The Hairy Ape** Eugene O'Neill, 2020-06-12T00:43:35Z Eugene O'Neill's *The Hairy Ape* isn't one of his best known works, but it has gained popularity as an exploration of early American society. It was first produced in 1922 by the Provincetown Players in Massachusetts, embracing expressionism in its set design and staging, before moving on to Broadway where it faced resistance from local and federal governments due to its radical views. The play examines the existential crisis of the protagonist, a brutish stoker named Yank, who begins the play secure in his role as the leader of firemen on an Atlantic ocean liner. But when confronted by the disdain of an upper class passenger who calls him a filthy beast, he seeks to rebel against his place. Then, as all his plans for revenge fail, he slowly finds himself descending to the literal level that society has relegated him to. O'Neill uses Yank's search for belonging to explore the destructive forces of industrialization and social class. Early on, *The Hairy Ape*'s commentary on the dehumanization of workers caused it to be taken up by many labor groups and unions to further their own causes. The play also touches on themes of masculinity and socialism, and the repeated references to the blackface of the ship's stokers and Yank's degeneration into an animal have added a racial element to recent analyses. This book is part of the Standard Ebooks project, which produces free public domain ebooks. **The Hairy Ape** Eugene O'Neill, 2023-03-31 Eugene O'Neill's *The Hairy Ape* isn't one of his best known works, but it has gained popularity as an exploration of early American society. It was first produced in 1922 by the Provincetown Players in Massachusetts, embracing expressionism in its set design and staging, before moving on to Broadway where it faced resistance from local and federal governments due to its radical views. The play examines the existential crisis of the protagonist, a brutish stoker named Yank, who begins the play secure in his role as the leader of firemen on an Atlantic ocean liner. The play also touches on themes of masculinity and socialism, and the repeated references to the blackface of the ship's stokers and Yank's degeneration into an animal have added a racial element to recent analyses. **Anna Christie, The Emperor Jones, The Hairy Ape** Eugene O'Neill, 1995-10-31 Winner of the Nobel Prize. This edition includes Anna Christie, *The Emperor Jones*, and *The Hairy Ape*, three classic plays of uncontested power from the Nobel laureate and winner of two Pulitzer Prizes for drama. In

Anna Christie a sailor reunites with his estranged daughter after years apart As she begins to fall in love with a younger sailor she realizes she must come clean to her father and her new love interest and reveal her troubled past In The Emperor Jones African American fugitive Brutus Jones recounts his life through a series of flashbacks as he runs from rebelling subjects through a West Indies Jungle showing just how he came to rule over a small island and his eventual downfall In The Hairy Ape O Neil explores class and identity as he follows the existential crisis of Yank an engine worker for an ocean liner After being called a beast from the daughter of a rich industrialist Yank realizes he has no place in modern society or even a class he can call his own William Faulkner Philip Roth Thomas Mann Doris Lessing Albert Camus V S Naipaul Gabriel Garcia Marquez Salman Rushdie Joan Didion and Cormac McCarthy among many others Vintage International is devoted to publishing the best writing of the past century from the world over Offering both classic and modern fiction and literary nonfiction in elegant editions Vintage International aims to provide readers with world class writing that has stood the test of time and essential works by the preeminent authors of today

Critical Companion to Eugene O'Neill, 2-Volume Set Robert M. Dowling, 2009 This study explores the personal historical and artistic influences that combined to form such dark and influential American masterpieces as The Iceman Cometh The Emperor Jones Mourning Becomes Electra Hughie and arguably the finest tragedy ever written by an American Long Day s Journey into Night

The International Interpreter, 1922

The Theatre of Eugene O'Neill Kurt Eisen, 2017-11-16 Named a Choice Outstanding Academic Title of the Year 2018 The Theatre of Eugene O'Neill offers a new comprehensive overview of O'Neill's career and plays in the context of the American theatre Organised thematically it considers his modernist intervention in the theatre offers readers detailed analysis of the plays and assesses the recent resurgence in his reputation and new approaches to staging his work It includes a study of all his major plays The Emperor Jones The Hairy Ape The Iceman Cometh Long Day s Journey Into Night A Moon for the Misbegotten and Desire Under the Elms besides numerous other full length and one act dramas Eugene O'Neill is generally credited with inventing modern American drama in a time of cultural ferment and lively artistic and intellectual change Yet O'Neill's theatrical instincts were always shaped by American stage traditions that were inextricable from his sense of himself and his own national culture This study shows that his theatrical modernism represents not so much a break from these traditions as a reinvention of their scope and significance in the context of international stage modernism offering an image of national culture and character that opens new possibilities for the stage while remaining rooted in its past Kurt Eisen traces O'Neill's modernism throughout the dramatist's work his attempts to break from the themes plots and moral conventions of the traditional melodramatic theatre his experiments in stagecraft and theme and their connection to traditional theatre and his European modernist contemporaries the turn toward direct and indirect self representation and his critique of the family and of American pipe dreams and the allure of success The volume additionally features four contributed essays providing further critical perspectives on O'Neill's work alongside a chronology of the writer's life and

times *Kenneth Burke in the 1930s* Ann George, Jack Selzer, 2007 An invitation to mingle with Burke in the 30s and witness the development of his major works of the era **New International Voices in Ecocriticism** Serpil

Oppermann, 2014-12-18 With twelve original essays that characterize truly international ecocriticism New International Voices in Ecocriticism presents a compendium of ecocritical approaches including ecocritical theory ecopoetics ecocritical analyses of literary cultural and musical texts especially those not commonly studied in mainstream ecocriticism and new critical vistas on human nonhuman relations postcolonial subjects material selves gender and queer ecologies It develops new perspectives on literature culture and the environment The essays written by contributors from the United States Canada Germany Turkey Spain China India and South Africa cover novels drama autobiography music and poetry mixing traditional and popular forms Popular culture and the production and circulation of cultural imaginaries feature prominently in this volume how people view their world and the manner in which they share their perspectives including the way these perspectives challenge each other globally and locally In this sense the book also probes borders border transgression and border permeability By offering diverse ecocritical approaches the essays affirm the significance and necessity of international perspectives in environmental humanities and thus offer unique responses to environmental problems and that in some sense affect many beginning and established scholars *Eugene O'Neill's One-Act Plays* M. Bennett, B.

Carson, 2012-08-06 Eugene O'Neill Nobel Laureate in Literature and Pulitzer Prize winner is widely known for his full length plays However his one act plays are the foundation of his work both thematically and stylistically they telescope his later plays This collection aims to fill the gap by examining these texts during what can be considered O'Neill's formative writing years and the foundational period of American drama A wide ranging investigation into O'Neill's one acts the contributors shed light on a less explored part of his career and assist scholars in understanding O'Neill's entire oeuvre Eugene O'Neill and the Reinvention of Theatre Aesthetics Thierry Dubost, 2019-07-12 The plays of Eugene O'Neill testify to his continued search for new dramatic strategies The author explores the Nobel Prize winner's attempts at creating a new Modern play He shows how moving away from melodrama or the problem play O'Neill revisited the classical frames of drama and reinvented theater aesthetics by resorting to masks the chorus acoustics silence or immobility for the creation of his dramatic works *Theatre and Evolution from Ibsen to Beckett* Kirsten E. Shepherd-Barr, 2015-03-03 Evolutionary theory

made its stage debut as early as the 1840s reflecting a scientific advancement that was fast changing the world Tracing this development in dozens of mainstream European and American plays as well as in circus vaudeville pantomime and missing link performances Theatre and Evolution from Ibsen to Beckett reveals the deep transformative entanglement among science art and culture in modern times The stage proved to be no mere handmaiden to evolutionary science though often resisting and altering the ideas at its core Many dramatists cast suspicion on the arguments of evolutionary theory and rejected its claims even as they entertained its thrilling possibilities Engaging directly with the relation of science and culture this book

considers the influence of not only Darwin but also Lamarck Chambers Spencer Wallace Haeckel de Vries and other evolutionists on 150 years of theater It shares significant new insights into the work of Ibsen Shaw Wilder and Beckett and writes female playwrights such as Susan Glaspell and Elizabeth Baker into the theatrical record unpacking their dramatic explorations of biological determinism gender essentialism the maternal instinct and the cult of motherhood It is likely that more people encountered evolution at the theater than through any other art form in the late nineteenth and early twentieth centuries Considering the liveliness and immediacy of the theater and its reliance on a diverse community of spectators and the power that entails this book is a key text for grasping the extent of the public's adaptation to the new theory and the legacy of its representation on the perceived legitimacy or illegitimacy of scientific work **A Play Analysis** R. J.

Cardullo, 2015-10-28 *Play Analysis A Casebook on Modern Western Drama* is a combined play analysis textbook and course companion that contains twelve essays on major dramas from the modern European and American theaters among them *Ghosts The Ghost Sonata The Doctor's Dilemma A Man's a Man The Homecoming The Hairy Ape The Front Page Of Mice and Men Our Town The Glass Menagerie* and *Death of a Salesman* Supplementing these essays are a Step by Step Approach to Play Analysis a Glossary of Dramatic Terms Study Guides Topics for Writing and Discussion and bibliographies Written with college students in mind and possibly also advanced high school students these critical essays cover some of the central plays treated in courses on modern Euro American drama and will provide students with practical models to help them improve their own writing and analytical skills The author is a close reader committed to a detailed yet objective examination of the structure style imagery and language of a play Moreover he is concerned chiefly with dramatic analysis that can be of benefit not only to playreaders and theatergoers but also to directors designers and even actors that is with analysis of character action dialogue and setting that can be translated into concepts for theatrical production or that can at least provide the kind of understanding of a play with which a theater practitioner could fruitfully quarrel Eugene O'Neill's America John

Patrick Diggins, 2010-10 In the face of seemingly relentless American optimism Eugene O'Neill's plays reveal an America many would like to ignore a place of seething resentments aching desires and family tragedy where failure and disappointment are the norm and the American dream a chimera Though derided by critics during his lifetime his works resonated with aud

Reading for Reform Laura R. Fisher, 2019-03-05 An unprecedented examination of class bridging reform and U S literary history at the turn of the twentieth century *Reading for Reform* rewrites the literary history of late nineteenth and early twentieth century America by putting social reform institutions at the center of literary and cultural analysis Examining the vibrant often fractious literary cultures that developed as part of the Progressive mandate to uplift the socially disadvantaged it shows that in these years reformers saw literature as a way to combat the myriad social problems that plagued modern U S society As they developed distinctly literary methods for Americanizing immigrants uplifting and refining wage earning women and educating black students their institutions gave rise to a new social purpose

for literature Class bridging reform institutions the urban settlement house working girls club and African American college are rarely addressed in literary history Yet Laura R Fisher argues they engendered important experiments in the form and social utility of American literature from minor texts of Yiddish drama and little known periodical and reform writers to the fiction of Edith Wharton and Nella Larsen Fisher delves into reform s vast and largely unexplored institutional archives to show how dynamic sites of modern literary culture developed at the margins of social power Fisher reveals how reformist approaches to race class religion and gender formation shaped American literature between the 1880s and the 1920s In doing so she tells a new story about the fate of literary practice and the idea of literature s practical value during the very years that modernist authors were proclaiming art s autonomy from concepts of social utility **Western Reserve**

University Bulletin Western Reserve University,1923 Beginning 19 each bulletin contains details of curricula course description college rules etc for one of the schools or colleges at Western Reserve University Cyborg Theatre J.

Parker-Starbuck,2011-04-28 This book articulates the first theoretical context for a cyborg theatre metaphorically integrating on stage bodies with the technologized digitized or mediatized to re imagine subjectivity for a post human age It covers a variety of examples to propose new theoretical tools for understanding performance in our changing world *Eugene O'Neill and the Emergence of American Drama* ,2021-11-15 *Collected Shorter Plays* Eugene O'Neill,2007-01-01 O Neill s themes and concerns find expression in his one act plays which are the dramatic equivalent of short stories Here are nine one act plays that span the playwright s career
