Mark Robert Gundry, 2000-05 This monumental work presents a careful well argued alternative reading of the Greek text of Mark a reading that pays special attention to such literary devices as word order chiasm inclusio asyndeton and the historical present tense Driving the commentary is Gundry's provocative seldom defended thesis that Mark's Gospel constitutes a straightforward apology for the shameful manner of Jesus' death as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life Sure to become recognized as the heavyweight English commentary on the Gospel of Mark This massive commentary rich with exegetical detail and critical assessment of the secondary literature makes an important contribution not only to Markan research but also to the study of the historical Jesus Christian Scholars Review

**You Murdered MY MARRIAGE!! (Part 1)** Akshat Pathak, I existed for you but never lived for you again I loved Ishaan and I tried everything possible to keep him happy but keeping him alive and away from this tragedy was something even I could not be successful in He was desperately tortured day and night this day onwards and saw himself at a place where within only the demons watch the world and dream of ruling it when the fact is every single one of them is supposed to suffer the same fate which is the reciprocated hell all of us tend to avoid What Ishaan did later was something obnoxious and needed He tried everything he could but could not let his body be at rest only to realize that his life was meant for something different than the rest Not something fruitful not something filled with happiness but something filled with the nausea of vomiting every memory he owned of his bride in every split second he survived thereby witnessing the ones he loved leave

him at a bay from where God seemed non existent and love seemed a complete doomed priority His end was always near and unfortunately never dared to face him for the monster he became within himself if not for others Love was a mere nausea for him now and he hated it not because he lost in his journey of love but because he always considered himself at fault for everything that happened thereby Wish he could change his life but now all that remained was something about which everybody was unaware of except one one who knew everything but still was helpless to do anything about it I am Soumya
