may He keep His recovery from division and from emptiness Last of all in the sections regarding reports and announcements we include a schedule of the upcoming conferences and trainings in Europe for 2005 *Messages of HOPE from "US"* (*United Souls of Heaven and Earth*) through Judith Onley, 2017-07-25 Do you feel yourself and the world changing at lightning speed Messages of HOPE from US United Souls of Heaven and Earth is an empowering and transformative collection of messages from a group of non physical spiritual teachers The unique energy transmission through their words reaches you at your cellular level enabling you to access the knowing that has always been there the intuitive conscious answers for your personal well being and for the uplifting of our world into a higher vibrational energy In this book you will discover How to access higher vibrational thoughts and energy What it feels like to live in higher consciousness The power you have access to that transforms chaotic energy into harmonic energy The knowing that you are Divine a Magnificent Light Being here on Earth that is the greatest power of all This book will enable you to rise above the fear as it shows you the way

The Gospel of Tatian Matthew R. Crawford, Nicholas J. Zola, 2019-07-11 This volume combines some of the leading voices on the composition and collection of early Christian gospels in order to analyze Tatian s Diatessaron The rapid rise and sudden suppression of the Diatessaron has raised numerous questions about the nature and intent of this second century composition It has been claimed as both a vindication of the fourfold gospel s early canonical status and as an argument for the canon s ongoing fluidity it has been touted as both a premiere witness to the earliest recoverable gospel text and as an early corrupting influence on that text Collectively these essays provide the greatest advance in Diatessaronic scholarship in a quarter of a century The contributors explore numerous questions did Tatian intend to supplement or supplant the fourfold gospel How many were his sources and how free was he with their text How do we identify a Diatessaronic witness Is it legitimate to use Tatian s Diatessaron as a source in New Testament textual criticism Is a reconstruction of the Diatessaron still possible These queries in turn contribute to the question of what the Diatessaron signifies with respect to the broader context of gospel writing and what this can tell us about how the writing rewriting and reception of gospel material functioned in the first and second centuries and beyond
