South Trilogy Kate Mulvany, Ruth Park, 2023-01-31 The Harp in the South Trilogy follows the trials and tribulations of the Darcy family over thirty years from country New South Wales in the 1920s to the inner city slums of Surry Hills in the 1950s. The beating heart of this exuberant play is its carousel of characters. From hard-boozing Hugh Darcy and his long-suffering Missus Margaret to their children sensitive and romantic Roie smart and sassy Dolour and poor little Thady who ran out onto the overcrowded road and has been trying to find his way home ever since. Along the way there's the Chinese greengrocer Lick Jimmy who tempts Dolour with his poor man's oranges, no-nonsense brothel madam Delie Stock who tempts everyone with her girls and handsome young Charlie Rothe who tempts Roie with the promise of a better life. Kate Mulvany brings her trademark humour and tenderness to bear on Ruth Park's much-loved novels in this epic adaptation. Join the Darcy family as they journey through laughter and tragedy, booze and blood, poverty and cruelty but most of all love. **The Harp in the South** Ruth Park, 2018-08-16 A great Australian novel. Shepperson, 1862 [The Penguin Modern Classics Book](#) Henry Eliot, 2021-11-18 The essential guide to twentieth-century literature around the world. For six decades the Penguin Modern Classics series has been an era-defining ever-evolving series of books encompassing works by modernist pioneers, avant-garde iconoclasts, radical visionaries and timeless storytellers. This reader's companion showcases every title published in the series so far with more than 1,800 books and 600 authors from Achebe and Adonis to Zamyatin and Zweig. It is the essential guide to twentieth-century literature around the world and the companion volume to The Penguin Classics Book. Bursting with lively descriptions, surprising reading lists, key literary movements and over two thousand cover images, The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years. **War Poetry of the South** Various Authors, Several considerations have prompted the editor of this volume in the compilation of its pages. It constitutes a contribution to the national literature which is assumed to be not unworthy of it and which is otherwise valuable as

illustrating the degree of mental and art development which has been made in a large section of the country under circumstances greatly calculated to stimulate talent and provoke expression through the higher utterances of passion and imagination Though sectional in its character and indicative of a temper and a feeling which were in conflict with nationality yet now that the States of the Union have been resolved into one nation this collection is essentially as much the property of the whole as are the captured cannon which were employed against it during the progress of the late war It belongs to the national literature and will hereafter be regarded as constituting a proper part of it just as legitimately to be recognized by the nation as are the rival ballads of the cavaliers and roundheads by the English in the great civil conflict of their country The emotional literature of a people is as necessary to the philosophical historian as the mere details of events in the progress of a nation This is essential to the reputation of the Southern people as illustrating their feelings sentiments ideas and opinions the motives which influenced their actions and the objects which they had in contemplation and which seemed to them to justify the struggle in which they were engaged It shows with what spirit the popular mind regarded the course of events whether favorable or adverse and in this aspect it is even of more importance to the writer of history than any mere chronicle of facts The mere facts in a history do not always or often indicate the true animus of the action But in poetry and song the emotional nature is apt to declare itself without reserve speaking out with a passion which disdains subterfuge and through media of imagination and fancy which are not only without reserve but which are too coercive in their own nature too arbitrary in their influence to acknowledge any restraints upon that expression which glows or weeps with emotions that gush freely and freshly from the heart With this persuasion we can also forgive the muse who in her fervor is sometimes forgetful of her art And yet it is believed that the numerous pieces of this volume will be found creditable to the genius and culture of the Southern people and honorable as in accordance with their convictions They are derived from all the States of the late Southern Confederacy and will be found truthfully to exhibit the sentiment and opinion prevailing more or less generally throughout the whole The editor has had special advantages in making the compilation Having a large correspondence in most of the Southern States he has found no difficulty in procuring his material Contributions have poured in upon him from all portions of the South the original publications having been in a large number of cases subjected to the careful revision of the several authors It is a matter of great regret with him that the limits of the present volume have not suffered him to do justice to and find a place for many of the pieces which fully deserve to be put on record Some of the poems were quite too long for his purpose a large number delayed by the mails and other causes were received too late for publication Several collections from Louisiana North Carolina and Texas especially are omitted for this reason Many of these pieces are distinguished by fire force passion and a free play of fancy Briefly his material would enable him to prepare another volume similar to the present which would not be unworthy of its companionship He is authorized by his publisher to say that in the event of the popular success of the present volume he will cheerfully follow up its publication by a second of
