It challenges all four faces of its famous dollar pyramid the i dollartry of new technologies the reduction of the human being to a genetic machine the politically illiterate platitudes of New Age spirituality and the spiritual illiterate literalism of Christian biblical fundamentalism and racist Zionazism which now see their own zealotry mirrored and confronted by militant Islam What Peter Wilberg's recognises is that what our divided world now calls for is not a revival of fundamentalisms of any sort but a New Gnostic spirituality that understands the wordless knowledge within the word Seth The Routledge Companion to Women and Musical Leadership Laura Hamer, Helen Julia Minors, 2024-08-13 The Routledge Companion to Women and Musical Leadership The Nineteenth Century and Beyond provides a comprehensive exploration of women's participation in musical leadership from the nineteenth century to the present Global in scope with contributors from over thirty countries
