Illuminating the Heart Stavroula Kalogeras,2017-09-01 We are all searching for meaning and purposeIn the age where identity formation comes from what we purchase and own people have lost touch with their authentic self The book provides a way to find meaning and purpose through education Biblical reference and storytelling The boundaries of fact and fiction are crossed by narrative and factual text as well as story in the form of a screenplay which collectively provides perception and experience toward the truth of being Jesus told stories to inform to emphasize his points and to provide life changing experiences and so it is that this method is followed in the current work The author argues for logical reasoning and coherent research as well as moral humans and compassionate educators which aligns with Christian philosophy and is supported by extensive literature review and research The work of research shifts from the brain to brain heart connectivity and the overarching message is to seek God for direction bear a strong moral character and teach like Jesus *Straight to the Heart* Daniel Blackaby,Mike Blackaby,2024-08-06 Our approach to apologetics needs to change when the very idea of truth is

controversial But as authors Daniel Blackaby and Mike Blackaby teach us we can still reach people if we understand what they value most This practical guide to our current landscape explores five effective communication pathways Story As people wired for narrative we can speak through the stories we live and tell Beauty In an increasingly industrialized world we can point people to pockets of beauty that reveal the attractiveness of God Art In a society that celebrates the arts we can cultivate creativity in the church then send artists out as cultural missionaries Desire To a people motivated by love identity and purpose we can show how Jesus is the perfect fulfillment of our deepest longings Community As relational creatures where connectivity is disappearing we can offer a community of unified diversity Culture may be in flux but God s Word remains true Straight to the Heart helps us speak to the passions that drive our culture without compromising the life changing truth of the gospel
