The Heavy Horse Its Harness And Harness Decoration:

The Heavy Horse Terry Keegan,1974-01-01 **The Heavy Horse, Its Harness and Harness Decoration** Terry Keegan,1973 **Horse Power and Magic** George Ewart Evans,2012-03-15 The pioneering oral historian George Ewart Evans began to record the farming ways of East Anglia in the 1950s by listening to old men and women whose memories went back more than fifty or sixty years Many were agricultural labourers born before the turn of the century who had worked on farms before the arrival of mechanisation It was assumed at that time that horses would soon disappear from the farms and that this was the last chance of recording the part they had played for centuries It later became clear that this forecast was too pessimistic and in *Horse Power and Magic* Faber 1979 Ewart Evans describes in fascinating detail some important farms where horses continued to be beneficially used more than thirty years later He discovered that the traditions of the older horsemen had not died out but had been passed on in only slightly attenuated form to a younger generation keen to farm with horses proving that the day of the heavy horse was by no means over He also describes vividly the ways of horse tamers whose skills had a touch of magic about them Taking his works as a whole there is no doubt that George Ewart Evans will survive as a fascinating pioneer of the extra academic recording of human history he has found a dimension all his own This is indeed the very stuff of history *Sunday Times* **Drawing and Painting Horses** Alison Wilson,2013-11-30 Horses may seem to be a challenging subject for an artist but this book makes equestrian drawing and painting accessible It explains the fundamental principles of drawing before guiding the reader through the advanced methods of painting a horse With beautiful illustrations throughout in graphite pencil and oils this book informs and helps every artist who wants to improve or develop their equestrian work Topics covered include an introduction to traditional subjects drawing materials and methods working from life horse anatomy structure and gaits exercises in drawing and painting selecting subjects and using preliminary drawings and sketches An authoritative and beautiful guide to drawing and painting horses aimed at all artists particularly equestrian and beautifully illustrated with 224 graphite and oil illustrations **Traditional Country Craftsmen** J. Geraint Jenkins,2009-07-15 *Traditional Country Craftsmen* provides an essential insight into a wide range of country crafts and skills **AMONGST FARM HORSES** Stephen Caunce,2016-08-26 This book is a unique and detailed account of a rural way of life formed from extensive academic research and oral testimony recorded in the 1970 s It tells of the farm servant system in East Yorkshire which was central to the rural economy in that area for men born before 1900 Boys as young as 13 would be looking after and working with as many as 4 heavy horses in a team Their lives would be spent living in the farmhouse and would continue that way until they married Rural history forms an essential part of national history with different parts of the UK having very varied employment systems This book describes how although having roots deep in history the East Riding farming system was thoroughly modern and profitable paying good wages to its workers Telling the stories of their lives in their own words this book brings to life the intimate details of a distant way of living and
