Magnus, 1967 **The Heroic Ballads of Russia** Leonard Arthur Magnus, 2015-06-17 Excerpt from *The Heroic Ballads of Russia* This book is a compilation of the earlier balladry of Russia It does not profess to explain origins or to put forward exhaustive theories or to refute other writers It is an attempt to set forth legends as they are After all what is the real barrier between history and legend History consists of the annals of such accomplished facts as can be vouched by accepted evidence In modern credence history therefore excludes the miraculous or superhuman But mankind lives not only on the indigestible crusts of hard fact his abiding sustenance is his faith and his aspirations These latter essentials are portrayed in legendry and therefore both legendry and history taken apart and in isolation are fallacious It is only in happier ages when the dream can become the deed and fact has been compelled to conform with imagination that the two elements combine and the tale of each can approximate to a whole and sincere truth The earlier ballads of Russia depict an incessant warfare against infidels of three confessions the Romans who in the eyes of the Orthodox are schismatics the Moslems and also against some fragments of the Judaized Khazars So far then the Ballads are a sublimate or crystallization of the entirety of the course and tragedy of Russia hemmed in as she has always been by alien folks who barred her access to the open seas These ballads furnish us with phantasms of a deeper reality they preclude capricious imagination and synchronize and emblemize the constant factors of early Russian history This high function cannot be predicated in the same sense for the balladry of any other country About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Heroic Ballads of Russia (Classic Reprint)* Leonard Arthur Magnus, 2017-11-25 Excerpt from *The Heroic Ballads of Russia* In this introduction some regard has as far as possible been paid to the theory of the essentially multiple origin of folk lore that a number of circumstances ow together from all sources and make a character up Thus a com parison of some hero with a natural feature with the rays of the red sun would be the natural glorification of him but not a proof that he was a mere metaphor of the sun About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish
