One Hundred Frogs Hiroaki Sato, 1995-05-02 No other Asian poetic form has so intrigued and beguiled the English speaking world as the Japanese haiku Even before World War I such imagist poets as Ezra Pound Amy Lowell and John Gould Fletcher were experimenting with the form At that time Pound well described the haiku as an intellectual and emotional complex in an instant of time Indeed it is the haiku s sense of immediacy and its precision that continue to appeal to poets and poetry lovers today In recent decades there has been an upsurge of interest in the haiku leading to a number of critical studies of the form studies that have now culminated in the present book This insightful work not only considers the haiku itself but also the extremely important yet often ignored renga or linked verse form out of which the haiku grew No deep understanding of the haiku is possible without familiarity with the renga One Hundred Frogs begins with a detailed history and description of the renga and haiku Many renowned Japanese poets most notably Basho are represented in the wealth of translated poetry that illustrates the text To bring this history up to date a discussion of modern Japanese and Western haiku is included Next the author discusses the craft of translating renga and haiku and explores recent developments in the two forms offering a representative selection of modern works To reveal the myriad choices open to translators of renga and haiku the author provides an in depth analysis of one of Japan s most famous haiku Basho s poem about a frog in a pond and presents a compilation of over one hundred translations and variations of the poem The book closes with short anthologies of English language renga and haiku by contemporary Western poets that offer a tantalizing glimpse of the diversity of expression possible with these two forms An instructive celebration of the renga and haiku this volume furnishes a new perspective on the work of some of Japan s outstanding poets of old and lays a foundation for the

appreciation of the renga and haiku that are being written today
