Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed
Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost
necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the
gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or
for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the
glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all
the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical
preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or
preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned
content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop
your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of
Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and
principles of communication that we are to follow It is an art in that each person brings his own unique personality and style
to the preaching experience Preaching is truth through personality Both are necessary However the very important and
foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book
