**The Magistrate** William Reynolds, 2003-06-05 In the early second century A D a conscientious Roman magistrate assumes his duties in the tranquil Bithynian city of Diakropolis unaware that under its placid surface a great and ancient evil holds sway over the town and its citizens Marcellus the magistrate soon finds himself at odds with Siros a powerful merchant and leader of the Order of Croesus a sinister and secret organization that controls the city's commerce and politics As Marcellus unwittingly begins to uncover a yet darker and more evil enterprise of the Order the exploitation and persecution of the local Christian church he finds himself drawn into the raging conflict between the laws of the empire he is sworn to serve and the faith of the fledgling sect On a whirlwind ride through treachery temptation and political intrigue the magistrate braves calamities of all kinds in a quest for justice and truth along the way finding unexpected allies among those who bear the curse of the empire Filled with memorable characters and events *The Magistrate* brims with heart pounding action and thought provoking messages that will leave a lasting impact on its readers The adventure begins in *Lykos Reborn* volume one of *The Magistrate*

*Make Your Own Maps* Graham Davis, 2008 This multimedia book and DVD kit covers the entire world Featuring 160 ready made maps of every country and major geographical area it's a revolutionary new resource for the home to remember a vacation for example and the classroom The DVD contains the maps themselves each in the form of a PC and Mac friendly Photoshop file Inside the book there are simple instructions for adapting those maps to your own requirements and then printing them out distributing them or publishing them online All the maps contain 15 different Photoshop layers offering a wide choice of cartographic styles and you can turn country borders place names and other elements on or off at will Every map will print perfectly on a desktop printer fits on letter sized paper and can easily accommodate added graphics photos or text

*Forgotten* George C. Kyros, 2019-12-12 Greece fought a bitter civil war during the 1940s A great portion of the people supported the existing system of government with its king as the head of state The rest of them strove to eliminate the king and convert Greece into a communistic nation Children between eight and fifteen years of age from northern Greece became victims of this madness Thousands of them were rounded up by the communist faction and sent to camps behind the Iron Curtain Fotis and Georgia fifteen year old siblings had lost their parents at the start of the war and were living under the care of one of their neighbors They along with forty six other children from the same village were rounded up by the leftist rebels and chaperoned to one of the many concentration camps in nations outside of Greece within countries beyond the Iron Curtin There they were cared for by strangers and taught the principles of communism Three years later the twins were separated from each other and their divernt journeys of hardship and pain continue The twins naver gave up searching for each other and at last their odyssey comes to a gripping and emotional conclusion

*National Geographic Traveler Greece* Mike Gerrard, 2009 These information packed guides offer savvy advice and the in depth information that sophisticated travelers demand Each guide features Detailed background and

Megargee,2022-04-26 The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos 1933 1945 Volume IV aims to provide as much basic information as possible about individual camps and other detention facilities Why were they established Who ran them What kinds of prisoners did they hold What kinds of work did the prisoners do and for whom What were the conditions like The entries detail the sources from which the authors drew their material so future scholars can expand upon the work Finally and perhaps most important this is a work of memorialization it preserves the histories of places where people suffered and died Volume IV examines an under researched segment of the larger Nazi incarceration system camps and other detention facilities under the direct control of the German military the Wehrmacht These include prisoner of war POW camps including camps for enlisted men camps for officers camps for naval personnel and airmen and transit camps civilian internment and labor camps work camps for Tunisian Jews brothels in which women were forced to have sex with soldiers and prisons and penal camps for Wehrmacht personnel Most of these sites have not been described in detail in the existing historical literature and a substantial number of them have never been documented at all The volume also includes an introduction to the German prisoner of war camp system and its evolution introductions to each of the various types of camps operated by the Wehrmacht and entries devoted to each individual camp representing the most comprehensive documentation to date of the Wehrmacht camp system Within the entries the volume draws upon German military documents eyewitness and survivor testimony and postwar investigations to describe the experiences of prisoners of war and civilian prisoners held captive by the Wehrmacht Of particular note is the detailed documentation of the Wehrmacht's crimes against Soviet prisoners of war which have largely been neglected in the English language literature up to this point despite the fact that more than three million Soviet prisoners died in German captivity The volume also provides substantial coverage of the diverse range of conditions encountered by other Allied prisoners of war illustrating both the substantial privations faced by all prisoners of war and the stark contrast between the Germans treatment of Soviet prisoners and those of other nationalities The volume also details the significant involvement of the Wehrmacht in crimes against the civilian populations of occupied Europe and North Africa As a result this volume not only brings to light many detention sites whose existence has been little known but also advances the decades old process of dismantling the myth of the clean Wehrmacht according to which the German military had nothing to do with the Holocaust and the Nazi regime's other crimes [TO WHAT END?!](#) Andy A.
