A hundred years earlier headstrong and independent Flora MacNichol vows she will never marry. She is happy and secure in her home in the Lake District living close to her idol Beatrix Potter when machinations outside of her control lead her to London and the home of one of Edwardian society's most notorious players Alice Keppel. Flora is pulled between passionate love and duty to her family but finds herself a pawn in a game the rules of which are only known to others until a meeting with a mysterious gentleman unveils the answers that Flora has been searching for her whole life. As Star learns more of Flora's incredible journey she too goes on a voyage of discovery finally stepping out of the shadow of her sister and opening herself up to the possibility of love.
