Sisters At War Mystiques 13:

Fury on the Pampas Liliane Robin,1980 *Night of the Scorpion* Liliane Robin,1980 *The China Mystique* Karen J. Leong,2005-07-25 Focusing on three women Pearl S Buck Anna May Wong Mayling Soong this book studies the shifting images of China in American culture particularly during the 1930s 40s *Spell of the Antilles* Liliane Robin,1979 **The Black Feminine Mystique** William E. Waters,2014-12-12 A collection of poems that celebrate women of color drawing on mythology history and contemporary life *The Toscanini Mystique* Kenneth A. Christensen,2014-10-31 Kenneth A Christensen THE TOSCANINI MYSTIQUE is the first full length biography about the legendary Italian conductors life and career in almost thirty five years Maestro Toscanini had a frigid and extremely unhappy childhood along with a severe musical education at the Parma Conservatory This unglamorized account of a gifted teenagers professional conducting debut at Rio de Janerios Teatro Imperial is told as it really happened Toscanini was married to a ballerina Carla De Martini who bore him four children but also had an illegitimate son with a gifted soprano who was born retarded Toscaninis vulgar mistreatment of nearly all the singers and musicians who performed under his direction was legendary and is examined with unusual insight about his uncanny memory and talent for musical recreation The recollection of many famous artists including Caruso Debussy Kreisler Puccini Stravinsky Verdi and Wagners descendants are quoted alongside his confrontations with Hitler Mussolini and the Sicilian mafia But the Maestro also was the most generous of all musicians donating both his time and talents to many worthwhile charities for which he received no financial compensation The life of this great conductor is presented as the struggles of a musical and theatrical reformer who was a major historical figure that just happened to be one of the greatest musicians who ever lived Mr Christensen has painstakingly wrote his narrative using all the previous biographies and magazine articles on his life the scripts of two video documentaries and the liner notes for the most widely available re releases of his recordings He rewrote and clarified the awkward original Italian translations for non specialist readers and has supplied new English translations for the numerous operatic titles and other musical works as well as all the foreign language newspapers magazines and theatres mentioned in the text In addition he has provided professional critiques on the most widely available Toscanini recordings from RCA Victors Arturo Toscanini Collection and historic reissues of Toscaninis NBC radio broadcast concerts Here was a man who had the nerve to stand up to world dictators and fought hard to prevent the Western worlds supreme musical masterpieces from being abused and mistreated but without taking any credit for laboriously recreating all these composers inspiration He enjoyed to play practical jokes on his family and friends but this humorous side is known only through letters because Toscanini never published any autobiography or memoirs about his art Toscanini gave the world premieres of 14 operas including Leoncavallos Pagliacci and three by Puccini including La Boheme La Fanciulla del West and Turandot Toscanini served as musical director the Teatro Regio in Turino 1895 98 La Scala in Milano 1898 1908 New Yorks Metropolitan Opera 1908 1915 barely missed dying

upon the Lusitania becoming musical director of La Scala again 1920 1929 the New York Philharmonic 1926 1936 and the NBC Symphony Orchestra 1937 1954 In between he also guest conducted at the Bayreuth Salzburg and Lucerne Festivals and conducted the inaugural concerts of the Palestine Symphony Toscanini then recorded his most important repertory with the BBC Symphony and the Philadelphia Orchestra the New York Philharmonic and NBC Symphony Orchestras alongside the Robert Shaw Chorale and such esteemed soloists as Jascha Heifetz Rudolf Serkin plus his own son in law Vladimir Horowitz His seven operatic recordings featured Jan Peerce Helen Traubel Richard Tucker Giuseppe di Stefano Rose Bampton Cesare Siepi Herva Nelli Licia Albanese Robert Merrill Jussi Bjoerling Lauritz Melchior and many other gifted singers and musicians of the past whose names alone are too much to mention Mission Mystique Charles T. Goodsell, 2010-10-19 In an era filled with mistrust for big government and big business Charles Goodsell goes against this grain to draw attention to public agencies admired for what they do and how well they do it In his groundbreaking new book Goodsell places renewed focus on organizational mission and its potential to be a strong energizing force in government one that animates a workforce internally and attracts admiration and talent externally He offers a normative template for the mystique that underlies this phenomenon and highlights in six rich case studies a driving sense of purpose a cultural and motivational richness and a capacity for tolerating dissent while still innovating and learning Analyzing what works best and what doesn't Goodsell provides a metric through which agency mystique can be evaluated and modeled Goodsell's fresh take on public agencies not only defines good public administration in terms of ethical conduct constitutional accountability and performance effectiveness but argues that the field must add the crucial standard of institutional vitality *JFK and the Masculine Mystique* Steven Watts, 2016-11-08 From very early on in his career John F Kennedy's allure was more akin to a movie star than a presidential candidate Why were Americans so attracted to Kennedy in the late 1950s and early 1960s his glamorous image good looks cool style tough minded rhetoric and sex appeal As Steve Watts argues JFK was tailor made for the cultural atmosphere of his time He benefited from a crisis of manhood that had welled up in postwar America when men had become ensnared by bureaucracy softened by suburban comfort and emasculated by a generation of newly aggressive women Kennedy appeared to revive the modern American man as youthful and vigorous masculine and athletic and a sexual conquistador His cultural crusade involved other prominent figures including Frank Sinatra Norman Mailer Ian Fleming Hugh Hefner Ben Bradlee Kirk Douglas and Tony Curtis who collectively symbolized masculine regeneration JFK and the Masculine Mystique is not just another standard biography of the youthful president By examining Kennedy in the context of certain books movies social critiques music and cultural discussions that framed his ascendancy Watts shows us the excitement and sense of possibility the optimism and aspirations that accompanied the dawn of a new age in America *A Jewish Feminine Mystique?* Hasia Diner, Shira Kohn, Rachel Kranson, 2010-09-10 In *The Feminine Mystique* Jewish raised Betty Friedan struck out against a postwar American culture that pressured women to play the role of subservient

housewives However Friedan never acknowledged that many American women refused to retreat from public life during these years Now *A Jewish Feminine Mystique* examines how Jewish women sought opportunities and created images that defied the stereotypes and prescriptive ideology of the feminine mystique As workers with or without pay social justice activists community builders entertainers and businesswomen most Jewish women championed responsibilities outside their homes Jewishness played a role in shaping their choices shattering Friedan's assumptions about how middle class women lived in the postwar years Focusing on ordinary Jewish women as well as prominent figures such as Judy Holliday Jennie Grossinger and Herman Wouk's fictional Marjorie Morningstar leading scholars explore the wide canvas upon which American Jewish women made their mark after the Second World War [Unequal Sisters](#) Vicki Ruiz, Ellen Carol DuBois, 2008 *Unequal Sisters* has become a beloved and classic reader in American women's history It provides an unparalleled resource for understanding women's history in the United States today This classic work now in its fourth edition has incorporated the feedback of end users in the field to make it the most user friendly version to date **Thoth**, 1970 **The Marine Corps Gazette**, 1975 *Fairy Tale as Myth/Myth as Fairy Tale* Jack Zipes, 2013-04-06 Explores the historical rise of the literary fairy tale as genre in the late seventeenth century In his examinations of key classical fairy tales Zipes traces their unique metamorphoses in history with stunning discoveries that reveal their ideological relationship to domination and oppression Tales such as Beauty and the Beast Snow White and the Seven Dwarves and Rumpelstiltskin have become part of our everyday culture and shapers of our identities In this lively work Jack Zipes explores the historical rise of the literary fairy tale as genre in the late seventeenth century and examines the ideological relationship of classic fairy tales to domination and oppression in Western society The fairy tale received its most mythic articulation in America Consequently Zipes sees Walt Disney's Snow White as an expression of American male individualism film and literary interpretations of L. Frank Baum's *The Wizard of Oz* as critiques of American myths and Robert Bly's Iron John as a misunderstanding of folklore and traditional fairy tales This book will change forever the way we look at the fairy tales of our youth **Rebels and Renegades** Neil A. Hamilton, 2002-10-11 *Rebels and Renegades* examines 350 years of history through the eyes of the uncompromising Presented in nine clearly written chronological chapters this comprehensive reference covers the major events and personalities in the history of extremism in the U S Besides chronicling the event itself entries ranging from 500 to 1000 words include background information and historic effects In addition to the chronology sidebars highlight historical biographical cultural and ethical aspects of the story tying the past to the present Topics include the influence of radical idea on the mainstream the role of violence in radicalism and the evolving relationship between radicals and the media An extensive appendix of excerpts transcripts and full source documents round out the work To see the Introduction a list of detailed contents a generous selection of sample pages and more visit the *Rebels and Renegades* website [Gallant Fourteenth](#) Nancy Niblack Baxter, 1980 When it first appeared in 1981 this chronicle of one of the North's great army units

was called by Civil War Times Illustrated The greatest of all regimental histories It is for any Civil War reader interested in the simple truth Gallant Fourteenth remains a standard classic as one of the first modern day regimental histories The 1960s Cultural Revolution Joel P. Rhodes,2022-09-13 This book uses evidence based primary source analysis to provide students with the historical perspective necessary to think critically about the romantic memories stubborn stereotypes misperceptions deliberate falsehoods distorted myths and old grudges that distort our popular perceptions of the 1960s Twenty first century Americans routinely use the 1960s as a metaphor a sort of convenient shorthand for the cultural wars that continuous clash over differing values beliefs attitudes and lifestyles still bitterly polarizing the nation Therefore understanding the 1960s cultural revolution is critical to understanding ourselves What this book contributes to that conversation is needed historical perspective with evidence based primary source analysis Ten chapters shed light on ordinarily overlooked aspects of the period challenge stubborn misconceptions and explore the enduring legacy of the 1960s Primary source material both written and visual is drawn from archival holdings newspapers published proceedings oral histories and memoirs in order to present a balanced accessible examination of mistaken beliefs and the historical truths

e-Pedia: Captain America: Civil War Contributors, Wikipedia,2017-02-11 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents Captain America Civil War is a 2016 American superhero film based on the Marvel Comics character Captain America produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures It is the sequel to 2011 s Captain America The First Avenger and 2014 s Captain America The Winter Soldier and the thirteenth film of the Marvel Cinematic Universe MCU The film is directed by Anthony and Joe Russo with a screenplay by Christopher Markus Stephen McFeely and features an ensemble cast including Chris Evans Robert Downey Jr Scarlett Johansson Sebastian Stan Anthony Mackie Don Cheadle Jeremy Renner Chadwick Boseman Paul Bettany Elizabeth Olsen Paul Rudd Emily VanCamp Tom Holland Frank Grillo William Hurt and Daniel Br hl In Captain America Civil War disagreement over international oversight of the Avengers fractures them into opposing factions one led by Steve Rogers and the other by Tony Stark This book has been derived from Wikipedia it contains the entire text of the title Wikipedia article the entire text of all the 634 related linked Wikipedia articles to the title article This book does not contain illustrations

Women in American Operas of the 1950s Monica A. Hershberger,2023 The first feminist analysis of some of the most performed works in the American opera canon emphasizing the voices and perspectives of the sopranos who brought these operas to life In the 1950s composers and librettists in the United States were busy seeking to create an opera repertory that would be deeply responsive to American culture and American concerns They did not break free however of the age old paradigm so typically expressed in European opera that is of women as either saintly and pure or sexually corrupt with no middle ground As a result in American opera of the 1950s women risked becoming once again opera s inevitable victims Yet the sopranos who were tasked with portraying these paragons of virtue and their opposites did not always take them as their

composers and librettists made them. Sometimes they rewrote through their performances the roles they had been assigned. Sometimes they used their lived experiences to invest greater authenticity in the roles. With chapters on *The Tender Land*, *Susannah*, *The Ballad of Baby Doe*, and *Lizzie Borden*, this book analyzes some of the most performed yet understudied works in the American opera canon. It acknowledges Catherine Clement's famous description of opera as the undoing of women while at the same time illuminating how singers like Beverly Sills and Phyllis Curtin worked to resist such undoing years before the official resurgence of the American feminist movement. In short, they ended up helping to dismantle powerful gendered stereotypes that had often reigned unquestioned in opera houses until then.

Crime Fiction, 1749-1980 Allen J. Hubin, 1984

The Seventies Now Stephen Paul Miller, 1999

Explores the practice of surveillance in the America of the 1970s through the discussion of a wide range of political and cultural phenomena: Watergate, the Ford presidency, Andy Warhol, disco music, the major films of the 70s, writers in the 70s, particular
